NOTICE—The public is informed that the partnership heretofore existing between Ed. L'hote and A. Masson was dissolved by mutual consent, on the 10th of June 1835.

Ed. L'hote is alone empowered to settle the accounts of the partnership.

He improves this opportunity to inform the public that he has recently opened in Bay St. Louis, opposite the wharf, an establishment known by the appellation of Bel air Hôtel.

The advantageous situation of this hotel, its proximity to the bathing place are too well known to require further explanations.

Madame L'hote justly appreciated by the great care she always took of her boarders, and by the attentions she paid to her visitors in all the public houses she has superintended as lately the Marine Hotel in New Orleans, will take charge of the interior department of the establishment.

Mr. L'hote will endeavour to give satisfaction to persons visiting his hotel, when he pledges himself they will find comfort, cleanliness, good fare and attention.

He has engaged a good French cook, transient and permanent boarders admitted, *Table d'Hote* with wine at every meal. july 2 Ed L'HOTE,

MANDEVILLE HOTEL

THE undersigned informs his friends and the public that on the 28th June, he will be ready to receive in his establishment all persons who may favor him with their visits, and receive boarders. To persons acquainted with the superb situation of the establishment, a description of it is superfluous, but the subscriber thinks proper to point out to the public its many advantages.

Mandeville is situated at about 20 miles distance from New Orleans on the borders of Lake Pontchartrain. The ground is elevated about 12 or 15 feet above high water mark, and the purity of the air excludes all contagious diseases. There is abundant fishing and plenty of game. All provisions, wines, liquors &c. of the 1st quality, and no trouble will be spared to afford comfort and pleasure to visiters. To that end the subscriber has provided boats, pirogues, fishing seine, horses, and a place for pistol shooting. Families may be accommodated with private appartments. Two steam boats plying alternately between New Orleans and Mandeville, and making the trip in 2 1-2 hours will keep up a constant communication. Bathing so necessary in the heat of summer has been provided. A large wharf makes the landing easy and safe.

☞ For the time of starting of the boats, see the advertisement of the steamboat Delta.

The hogs of which the pork is packed, to be fattened on corn, and each hog to weigh not less than two hundred pounds; and, except where the quality is otherwise designated, will consist of one hog to each barrel, excluding the feet, legs, ears and snout.

Side pieces may be substituted for the hams. The pork is to be carefully packed with Turks' Island salt, and in pieces not exceeding ten pounds each. The pork to be contained in seasoned heart of white oak, or white ash barrels full hooped. The vinegar in iron bound casks; the beans in water-tight barrels; and the soap and candles in strong boxes, of convenient size for transportation.

The candles to have cotton wicks.

The provisions for Fort Armstrong, Prairie du Chien, and Saint Peter's, must pass St Louis, for their ultimate destination, by the 15th April 1836. A failure in this particular will be considered a breach of contract, and the Department will be authorized to purchase to supply these posts. The provisions will be inspected at the time and place of delivery; and all expenses are to be paid by contractors, until they are deposited at such store houses as may be designated by the agent of the department.

The commissary general reserves the privilege of increasing or diminishing the quantities, or of dispensing with one or more articles, at any time before entering into contracts; and also of increasing or reducing the quantities of each delivery one third, subsequent to the contract, on giving sixty days' previous notice.

Bidders not heretofore contractors are required to accompany their proposals with evidence of their ability, together with the names of their sureties, whose responsibility must be certified by the district attorney, or by some person well known to the government, otherwise their proposals will not be acted on.

Advances cannot be made in any case; and evidence of inspection and full delivery will be required at this office, before payment can be made, which will be by treasury warrants on banks nearest the point of delivery, or nearest the residence of the contractors, at their option.

Each proposal will be sealed in a separate envelope, and marked "Proposals for furnishing Army Subsistence."

Schooner Watchman, N. O. Sept. 3d.

To WM. RITCHIE Esq.,
Commanding U. S. Schr. Grampus.

SIR—I can but very imperfectly express to you my feelings of gratitude for the important service you rendered to me and other individuals, with many of the insurance companies of this city—in saving so much valuable property by your exertions; the vessel, and upwards of 100 000 dollars in specie—which were completely at the mercy of the winds and waves, my vessel being without masts and spars or boats.

We were fellow sufferers in the same hurricane on the 19th of the last month; but being so fortunate as to escape without material damage, you were enabled promptly to obey the dictates of a kind heart, in affording assistance to the distressed. Permit me thus publicly to return you individually my thanks for your successful efforts; and to acknowledge how greatly the commercial interests of our country are indebted to our little navy. May it always preserve its popularity, and continue the pride of our country.

Be pleased to give my thanks to the officers under your command, and believe that I am Sir, Yours,

JOHN MURRAY, sept 7 master of schooner Watchman.
