SANDS' SARSAPARILLA.
FOR THE REMOVAL AND PERMANENT CURE OF ALL DISEASES ARISING FROM AN IMPURE STATE OF THE BLOOD OR HABIT OF THE SYSTEM, VIZ:
Scrofula, Rheumatism, Obstinate Cutaneous Eruptions, Pimples or Pustules on the Face, Blotches, Biles, Chronic Sore Eyes, Ring Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stubborn Ulcers, Syphilitic Symptoms, Sciatica or Lumbago, and Diseases arising from an injudicious use of Mercury, Dropsy, Exposure or imprudence in Life, Also, Chronic Constitutional Disorders.
The value of this preparation is now widely known, and every day the field of its usefulness is extending. Approved and highly recommended by Physicians, it is admitted to be the most powerful and searching preparation from the root that has ever been employed in medical practice. It is not local in its operation, but general, extending through the whole system. It is put up in a highly concentrated form for convenience and portability, and when diluted, according to the directions, each bottle will make six times the quantity, equal to one quart, and is then superior to any medicinal value to the various preparations bearing the name. The proprietors are almost daily receiving testimonials of the most respectable character, testifying to its great value as an active and curative medicine.
The following certificate is from a highly respectable source:
ELIZABETHPORT, N. J., May 15th, 1847.
A. B. & D. Sands:—Gentlemen—Having been cured of a severe scrofulous disease by the use of your celebrated and to me invaluable Sarsaparilla, I feel it my duty to testify to the means which restored me to health, after other remedies failed. The disease first appeared in small pimples or blisters, which was attended with violent itching and burning; these spreading, covered the body, and uniting together, formed large scabs and scurf—from which issued water, making the distress so great as to deprive me of all natural rest. My general health rapidly failed, and I was obliged to abandon my business. I was treated by various Physicians and tried different remedies without receiving any permanent benefit. I then went into the New York Hospital, and remained for fourteen weeks under treatment, which produced temporary relief. After leaving the Hospital the disease returned in a few days, and, when given up by my friends and despairing of relief from any source, I heard of your Sarsaparilla, and immediately resolved on giving it a trial. The first bottle relieved me of all the distressing symptoms and did me more good than all the medicine I had taken for years before. A continuation of your Sarsaparilla, in combination with your SALT RHEUM REMEDY applied externally, effectually removed the disease, restored me to health, and I am now able to attend to my business.
Yours, sincerely,
FREDERICK DICKEL, Cabinet Maker.

2. Seven thousand dollars, which the purchaser may either pay in cash or prolong the payment from year to year until the 1st June, 1852, on the yearly payment of an interest at the rate of 8 per cent per annum from the date of the adjudication.
3. Seven thousand dollars due to Pierre d'Aigut, on an hypothecary obligation consented by an act passed before Octave Rousseau, the parish Judge of the Parish of St. Bernard, on the 30th June, 1845, which obligation, though due on the 13th June, 1846, may be renewed up to the 13th June, 1852, on the annual payment of an interest at the rate of 8 per cent per annum, from 13th June, 1847, up to which time the said interest has been paid. The payment of this debt is to be assumed by the purchaser.
Six thousand dollars in ready money, and the balance in four equal instalments at one, two, three and four years, in satisfactory endorsed notes to the satisfaction of the administrators of said succession, to be made by coupon-bearing mortgage on the property sold until payment; and should any of said notes be not punctually paid at their respective maturity, then the same to bear an interest at the rate of 8 per cent per annum until paid.

CORNS!!..................CORNS!!
TO THE AFFLICTED.

MR. R. SIMMONS, who has successfully practised as a chiropodist, in the principal cities of Great Britain for the last ten years, offers to these citizens and the public generally who are afflicted with corns and other excresences on the feet, a speedy, effectual and certain relief from all their suffering. After devoting much time and attention to the subject, he has succeeded in inventing a small chemically prepared rasp, by the sole use of which, he can, without the slightest pain, easily reduce to powder the most obstinate callosity, thereby avoiding all dangerous cutting, and the use of caustic and other injurious preparations, ordinarily used by humbugging impostors. Mr. S. feels well assured that a single trial will suffice to convince the most skeptical that *this* is not to be classed with the many humbugs of the day. Numerous testimonials from persons of the first respectability in England, can, if desired, be given, proving the entire success of this new invention. These small instruments may be used by every person with perfect safety—they are for sale singly or by the quantity. Persons desiring his services will, by communicating their address to Mr. S. through the post office, care of A. B. No. 165, be promptly waited on at their own dwellings. oct15 1m

MEDICAL.

DR. TOWNSEND'S SARSAPARILLA.
THE MOST EXTRAORDINARY MEDICINE IN THE WORLD.

THIS extract is put up in quart bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures diseases without vomiting, purging, sickening, or debilitating the patient.
Great Spring and Summer Medicine.
The great beauty and superiority of this Sarsaparilla over all other medicine is, whilst it eradicates disease, it invigorates the body. It is one of the very best spring and summer medicines ever known; it not only purifies the whole system and strengthens the person, but it creates new, pure and rich blood; a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the past two years, more than 35,000 cures of severe cases of disease; at least 3000 of these were considered incurable. More than
3,000 cases of Chronic Rheumatism;
2,000 cases of Dyspepsia.
400 cases of General Debility and want of Energy.
7,000 cases of the different Female Complaints;
2,000 cases of Scrofula.
1,500 cases of the Liver Complaint.
2,500 cases of disease of the Kidneys and Dropsy;
3,000 cases of Consumption.
And thousands of cases of diseases of the blood; Ulcers, Erysipelas, Salt Rheum, Pimples on the face &c. &c. Together with numerous cases of Sick Headache, Pain in the Side and Chest, Spinal Affections, &c., &c.
This, we are aware, must appear incredible, but we have letters from Physicians and our agents from all parts of the United States informing us of extraordinary cures. R. Van Buskirk, Esq., one of the most respectable druggists in Newark, N. J., informs us that he can refer to more than 150 cases in that place alone. There are thousands of cases in the city of New York which we will refer to with pleasure, and to men of character. It is the best medicine for the preventive of disease known. It undoubtedly saved the lives of more than 5,000 children the past season, as it removed the causes of disease, and prepared them for the summer season. United States officer, Capt. G. W. McLean, of the U. S. Navy, and Member of the New Jersey Legislature, has kindly sent us the following certificate; it tells its own story.

RAHWAY, Jan. 21, 1847.
A year since I was taken with the Influenza and my whole system left in a debilitated state. I was induced to try Dr. Townsend's Sarsaparilla, and after taking two or three bottles, I was very much relieved, and attribute it entirely to the said Sarsaparilla. I have continued taking it, and find that I improve every day. I believe it saved my life, and would not be without it under any consideration.
G. W. McLEAN, late U. S. N.

John Jackson, Esq., Editor of the Railway Republican, published the above certificate, and remarks in an editorial as follows:—
☞ The success of Dr. Townsend's preparation of Sarsaparilla, appears to be of the most extraordinary character. We publish to day two certificates in its behalf, one from Capt. McLain, of this town, and one from the Rev. Mr. White, of Staten Island, a gentleman well known in Rahway. Capt. McLain believes the medicine to have saved his life, and Mr. White seems to entertain an equally strong confidence in its efficacy. Intelligent men like those would not praise so strongly what they did not fully believe to deserve it.

Scrofula Cured.
This certificate was handed into Dr. Townsend's office this week, and conclusively proves that this Sarsaparilla has perfect control over the most obstinate diseases of the blood. Three persons cured in one house, is unprecedented.
Three Children.
Dr. Townsend—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted very severely with bad sores; have taken only four bottles; it took them away, for which I feel myself under deep obligation.
Yours, respectfully,
ISAAC W. CRAIN, 105 Wall st.
New York, March 1, 1847.

Great Female Medicine.
Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for incipient Consumption, Barrenness, Leucorrhoea, or Whites, obstructed or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of inherent cause or causes, produced by irregularity, illness or accident.
☞ Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and lassitude, from taking it at once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the female frame, which is the great cause of barrenness.
It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted, that hundreds of cases have been reported to us. Several cases where families have been without children, after using a few bottles of this invaluable medicine have been blessed with healthy offspring.
Dr. Townsend:—My wife being greatly distressed, by weakness and general debility and suffering continually by pain and a sensation of bearing down, falling of the womb, and with other difficulties, and having known cases where your medicine has effected great cures; and also hearing it recommended for such cases as I have described, I obtained a bottle of your Extract of Sarsaparilla and followed the directions you gave me. In a short period it removed her complaints and restored her to health. Being grateful for the benefits she received, I take pleasure in thus acknowledging it, and recommending it to the public.
M. D. MOORE,
Corner of Grand and Lydius sts.
Albany, August 17, 1844.

To Mothers and Married Ladies.
This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "The turn of life," should neglect to take it, as it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delayed for several years by using this medicine. Nor is it less valuable for those who are approaching womanhood, as it is calculated to assist nature by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all the delicate diseases to which women are subject.
It braces the whole system, renews permanently the natural energies—by removing the impurities of the body—not so far stimulating the system as to produce a subsequent relaxation, which is the case of most medicines taken for female weakness and disease.

Opinions of Physicians.
Dr. Townsend is almost daily receiving orders from physicians in different parts of the Union.
This is to certify that we, the undersigned Physicians of the City of Albany, have in numerous cases prescribed Dr. Townsend's Sarsaparilla, and believe it to be one of the most valuable preparations of the Sarsaparilla in the market.
H. P. PULING, M. D.
J. WILSON, M. D.
R. B. BRIGGS, M. D.
P. E. ELMENDORF, M. D.
Albany, April 1, 1846.

The following is from one of the most respectable physicians of Long Island:
Greenport, July 10, 1846.
Dr. Townsend: Dear Sir—I have much satisfaction that I am to you that I have recently witnessed, in several cases, the most beneficial results from the use of your Extract of Sarsaparilla. Being engaged in the practice of medicine, I have prescribed it in several cases, and never without benefit. In the removal of diseases arising from a deranged state of the digestive organs, Jaundice, &c., I know of no thing of the kind ever before offered to the public. You will please send me [illegible] &c. &c.
Respectfully yours, F. C. PRESTON, M. D.

Dyspepsia.
No fluid or medicine has ever been discovered which so nearly resembles the gastric juice or saliva, in decomposing food and strengthening the organs of digestion, as this preparation of Sarsaparilla. It positively cures every case of dyspepsia, however severe or chronic. If any doubt this assertion, we invite them to read the following indisputable testimony of gentlemen of the highest respectability. If any others are not entirely satisfied, we would be happy to give either reference to some of the first families in the city, who have used it with perfect success in this and other distressing disorders.
BANK DEPARTMENT, ALBANY, May 10, 1845.
Dr. Townsend—Sir: I have been afflicted for several years with dyspepsia in its worst forms, attended with soreness of stomach, loss of appetite, extreme heartburn, and a great aversion to all kinds of food, and for weeks (what I could eat) I have been unable to retain but a small portion on my stomach. I tried the usual remedies, but they had but little or no effect in removing the complaint. I was induced, about two months since, to try your Extract of Sarsaparilla, and I must say with little confidence; but after using nearly two bottles, I found my appetite restored, and the heartburn entirely removed; and I would earnestly recommend the use of it to those who have been afflicted as I have been. Yours, &c. W. W. VAN ZANDT.

Piles, Piles, Piles.
Dr. Townsend's Sarsaparilla is no less successful in curing this distressing complaint, than for the cases of the Blood, Dyspepsia, Rheumatism, and Nervous Debility. Read the following —
Dr. Townsend: Dear Sir—The effects of your Sarsaparilla are truly wonderful. For the last six or eight years past, I have been subject to severe attacks of the piles, during which I have suffered all the tortures of that complaint, and had despaired of ever finding relief except in death. I have the pleasure to inform you "there is yet balm in Gilead." I have used two bottles of your Sarsaparilla and feel no remains of my old complaint. I send you this for publication, and any person you may refer to me, I would be happy to inform of the benefit I have received at your hands. Yours, truly,
July 6, 1846. JOHN HALL, 49 Fulton st.

Rheumatism.
This Sarsaparilla is used with the most perfect success in Rheumatic complaints, however severe or chronic. The astonishing cures it has performed are indeed wonderful. Other remedies sometimes give temporary relief; this entirely eradicates it from the system, even when the limbs and bones are dreadfully swollen.
Dr. Townsend:—I was attacked with a distressing pain in my hip joint, so bad that I could not walk without my crutches; and much of the time I was obliged to keep my bed. I tried several remedies, but they did not relieve me. I then called on one of our first physicians; he did not help me. I heard of your Sarsaparilla, and obtained a bottle, and in a few days it entirely cured me, and I am as well now as ever. ASHBELL WALKER,
Albany, Jan. 2, 1845. 22 Daniel st.

☞ Hear Mr. Seth Terry, one of the oldest and most respectable lawyers in Hartford, Conn. The following is an extract of a letter received from him:—
Dr. Townsend:—I have used one bottle of your Sarsaparilla, and find it is excellent in its effects upon a chronic rheumatic pain to which I am subject, from an injury occasioned several years ago. Please send me two bottles, to the care of Dr. Seymour. I have [illegible] with two of our principal physicians, and recommend your Sarsaparilla. SETH TERRY.

This arrangement admits of an easy and quick conveyance to and from Southampton and the places above mentioned, and passengers for New Orleans will be conveyed thither from the Company's vessels on their arrival at Cat or Ship Island by the Mexican Gulf Railway Company, who will have a steamer ready, and other conveniences, provided for that purpose, at a cost not exceeding three dollars for each person. The same facilities will be afforded from New Orleans, embarking on board the Royal Mail Steam Packets for Europe, etc.
The estimated time for the voyage from Southampton is as follows:—To Bermuda, 16 days; Nassau, 21 days; Havana, 23 days; Ship or Cat Island, New Orleans, 26 1-2 days; Vera Cruz, 29 days; Tampico, 25 days.
The Steam Packets are appointed to leave Ship or Cat Island Harbor on their return to England, at 8, A. M., on the 21st of each month. By the above alteration, passengers proceeding to the West Indies by the 2d of the month steamer, will be conveyed via Bermuda, and by the 17th of the month steamer, as heretofore, via Madeira and Barbadoes.
Particulars as to fares, etc., may be obtained on application at the Royal Mail Steam Packet Company's offices, 55 Moorgate street, London, ditto Weekly street, Southampton; Messrs.
