J. Winer & Co.'s Canadian Vermifuge.—DEPOT AT P. A. BERTRAND'S, CORNER ROYAL AND BIENVILLE STREETS.—Louisiana is one of the countries most subject to vermicular affections under the most varied and aggravated characters, and although we do not ascribe all diseases of children to this cause, we may advance the fact that convulsions, intermittent fevers which prove fatal when the physician persists to treat fever only, consequently it becomes necessary to expel the worms, which daily invade the digestive tube, and to obtain this result no better remedy can be obtained than Winer's Vermifuge;—it is the only remedy which unites the three following qualities, being anti-vermicular, purgative and tonic.   n16 1y

Sulphur and Vapor Baths.

THE undersigned respectfully informs the public that he continues to prepare and administer these Baths at his Perfumery Establishment, No. 285, St. Louis street, between Villere and Robertson.
The excellence of these Baths is individually known in a great number of chronic diseases of the skin, such as itch, prurigo, tetters, scalled head, &c. They have been employed with remarkable success in other maladies, which frequently resist the resources of the medical art, such as chronic rheumatism, atonic gout, palsy, scrofula, engorgements of the glands, of the breasts, the lymphatic ganglions and joints. Eminent practitioners have bestowed the highest praises on the remedy, and are in the habit of prescribing it for inveterate diseases that require powerful sudorific agents. The success obtained by this mode of treatment is confirmed by the time that has elapsed since the Baths were offered.
The undersigned hopes that his efforts to give satisfaction to those who have honored his establishment with their patronage, will ensure the confidence of patients whose cases require the employment of medicated sulphur or Vapor Baths.
