TO COTTON PLANTERS.

I TAKE pleasure in announcing that Messrs. MANDEVILLE & McILHENNY are my authorized agents in this city to make contracts for the use of

MY INVENTION

OF THE SEED COTTON ON PLANTATIONS AND ALL BUSINESS IN RELATION TO IT.

I will only say here that I make the same capital, the same location, the same steam power, the same expense, very nearly that now exists, gins and bales the cotton, to spin it; that, with the addition of machinery costing about one-half what the increased value of the yarns the first year will be, and which is attended by surplus labor of the plantation, in little girls of 8 to 10, women, and old men crippled as field hands, I DOUBLE, OR MORE THAN DOUBLE THE PLANTER'S NET INCOME.

We spin the best yarns in the world. The danger from fire of the gin-house is immensely reduced, with many other advantages of great value. And what is of great importance is, that all this is fully demonstrated by the successful daily operation on the plantation of Col. Geo. S. Yerger, near Yazoo City.

Planters desiring more full particulars are referred to my agents, as above.

Applicants for agencies will please address them, inclosing testimonials.
