MEDICAL.

[illegible] PERFORMS [illegible] operations [illegible] where the disease is far advanced and obstinate, he performs the operation of couching by means of an instrument which he has invented; by this method the operation is infinitely safer and less painful than by any of the plans now in use.

He treats, with remarkable success, amaurosis and weakness of sight occasioned by old age, intractable diseases or arising from excesses.

Dr. Barelly attends to all chronic diseases and practises all surgical operations. He cures stammering by cutting the tendons. This operation is not painful. He cures old or recent rupture by a very slight operation which prevents the possibility of a relapse, and the inconvenient use of trusses.

Obliquities of the uterus and all methods of that organ will be treated by new methods.

Cancers, ulcers, fistule, retention of urine, diseases of the skin and secret disorders, will be treated by the rational method of Dr Ricord.

DR. E. COMMINY informs the public that his office will be open from 9 o'clock A. M. to 3 P. M., at No. 240 Bourbon street, between Main and St. Philip. n9

Dr. CULLEN'S INDIAN VEGETABLE PANACEA.

FOR the cure of Scrofula, Kings' Evil, Cancer, Erysipelas, Old Sores, Ulcers, Tetter, Mercurial diseases or any other complaints arising from impurities of the blood—warranted to cure.

In offering this medicine to the public, the proprietors wish to avoid the common error of saying too much in its favor, preferring rather to say too little; yet, after having thoroughly tested its virtues, they feel justified in recommending it for the above named complaints, and for the cure of all distressing diseases incidental to females.

So well known is sarsaparilla as an efficient purifier of the blood, that it is only necessary to inform the public that the Panacea contains the most highly concentrated extract of that invaluable root, which can be obtained by any known process; with which are combined several other extracts, from roots, the medicinal qualities of which were made known by an Indian in the far West.

The Panacea contains no Calomel, Corrosive Sublimate, or any other Mercurial preparation, and may be taken by persons of either sex, and at any age, without the slightest danger of injuring the system.

Dr. Cullen's Indian Vegetable Specific,
For Leucorrhœa Communis, or Common Whites.

This vexatious, and often dangerous disease, is unfortunately so well known among all classes of females, that a detail of its symptoms seems unnecessary.

To the patient herself, the disease manifests itself by unequivocal signs; yet from a delicacy, false, and often fatal, she frequently neglects to make known her condition, even to her most intimate female friends, till her constitution is seriously impaired, and the foundation laid for a long catalogue of other diseases, such as Slow Fever, attended with difficult respiration, Palpitations, Faintings, and Swelling of the Lower Extremities, and where the disorder is not cured, it is frequently followed by others, still more serious, such as Prolapsus or falling of the Womb, Ulcerations, Atrophy, and Dropsy, which end in death.

To enjoy good health, all the secretory organs must be in a sound condition.

The lachrymal gland would scarcely depart farther from its office were it to pour forth [illegible] tears, than do the uterine organs when [illegible] which gives its name to the disease in question. Whenever, then, the disease manifests itself let the patient have immediate recourse to a remedy which will restore the diseased organs to a healthy condition; and all the distressing symptoms will speedily disappear, and the death like pallor of the cheek be succeeded by the roseate hue of health.

Such a remedy may be found in "Cullen's Specific."—It is not only a pleasant, safe, and certain remedy for Leucorrhœa, but for suppressions and painful menstruations. In truth, it is what its name indicates, a "Specific" for all uterine diseases, and at the same time entirely free from all ingredients which have in any degree an injurious effect upon the system.

This preparation is made of vegetable substances and cannot possibly injure the most delicate constitution. It has never been known to fail in a single case to effect a cure.

SPRING PURIFIER OF THE BLOOD—WINER'S ARCANUM EXTRACT vs SARSAPARILLA.—As a spring purifier of the blood, this medicine cannot be surpassed in working its way through the system with a silent and effective force, cleansing the blood; removing dyspeptic influences; soothing the nerves; removing internal obstructions and diseases that would otherwise cause injury to the liver and lungs.

Winer's Arcanum Extract is always a certain cure for all diseases arising from an impure state of the blood, such as Scrofula, or King's Evil, White Swellings, Disease of the Skin, Pimples or Pustules on the Face, Boils, Diseases, also for Affections of the Liver, Dyspepsia, Costiveness, Palpitation of the Heart, long standing Rheumatic Affections, Gout, and all Chronic and Nervous Complaints occurring in debilitated constitutions. Its simple city recommends the use of it to parents whose children are afflicted with any disease of the blood or skin, or whose constitutions have been injured by a lengthened illness and the use of deleterious medicines, as it will effectually purify the blood and renovate the system, and where symptoms of Scrofula are in the least degree visible, this medicine, if properly administered, will most surely exterminate it.

This medicine is much cheaper, pleasanter, and warranted superior to any other sold.
Price $1 per bottle, six bottles for $5.
