Music having become a most desirable branch of the education of young ladies, Mr. Charpaux, from the best musical school in Paris, and ex-artist of the Orleans Theatre, will devote all his time to the teaching music.

CAUTION TO THE PUBLIC.

FRAUDULENT IMITATIONS

OF

HOSTETTER'S

STOMACH BITTERS.

AS a measure of self-defense, and in order to warn and protect our customers in all parts of the Union, we deem it our duty to expose a deep-laid and wide-spread conspiracy now existing in the South and West, for the counterfeiting of our CELEBRATED STOMACH BITTERS.

We have been for some time past engaged in ferreting out and prosecuting the parties concerned in this nefarious and despicable business, and expect to visit upon them the just penalty of the violated law.

Villainy, like death, "loves a shining mark," and the harpies who subsist by pirating proprietary preparations have exhibited a cunning almost equal to their rascality, in selecting for fraudulent imitation the most popular stomachic and alterative manufactured in this or any other country. Large quantities have, we understand, been thrown upon the market in our Southern and Western cities, and exported to Spanish America, and dealers from whom better things might have been expected, have, in some instances, connived at the imposition, for the purpose of sharing in the plunder. On the principle that the receiver is as culpable as the thief, and that the passer of a spurious note or coin is criminal as the forger, the maker and the vendor of the counterfeit of HOSTETTER'S STOMACH BITTERS may be said to stand on the same moral level.

We have already commenced suit against Dan'l L. Elmore and Benjamin A. Johnson, of New Orleans, Fraser & Buchanan, Mobile, Alabama; T. Cox & Co., James Clark and G. H. Beckwith & Co., of Chicago. Wm. S. Lawrence, Thos. Hostetter, Henry Hansen, Charles H. Hansen and Victor S. Jourdan, of St. Louis.

In all the cases that have been brought into Court, Injunctions have been issued restraining the defendants from selling their deleterious trash under the name of HOSTETTER'S STOMACH BITTERS.

Our TRADE MARK, has been printed on the label and boxes of the spurious stuff, or some very close resemblance to it, there can be no doubt as to the issues of the impending trials.

In the meantime, in order to shield ourselves and the public as far as possible against the fraud mongers, we have had a new and beautiful label engraved on steel, which hereafter will be found on our bottle in addition to the old bronzed label, which those counterfeiting pirates will find somewhat difficult as well as dangerous to duplicate. It cannot be counterfeited without the commission of a felony. The principal feature of the new label is a superb Vignette of St. George and the Dragon, below which is a black scroll-work with the following inscription.

The best evidence of the merit of an article is the disposition to produce counterfeits, and WE REGARD IT as the strongest testimony to the value of HOSTETTER'S CELEBRATED STOMACH BITTERS, that attempts of that description have been frequent. A due consideration of the public welfare has induced us to obtain a due signature, of which this is a facsimile, and as a guarantee against counterfeit

OF A FELONY.

Under the above, and at the bottom of the label, is a miniature engraving of a bond of hand for one cent, payable "Hostetter & Smith," in compliance with which the genuine is unmade. The pictorial portion of the label to attract the attention of those in search of HOSTETTER'S CELEBRATED STOMACH BITTERS, is every where known, and the whole is surrounded with a narrow ornamental border.

It is hoped that this precaution will secure the public from being further imposed upon by base imitations of our valuable and popular restorative, and we earnestly request all who use it to see that the label on each bottle they purchase corresponds with the foregoing description. If it does not, they may be sure that the article is a fraud, and that it is their duty to expose the vendor, and to take measures for the punishment of the parties implicated.

DR. MOTT'S CHALYBEATE RESTORATIVE PILLS OF IRON.

An aperient and Stomachic preparation of IRON purified of Oxygen and Carbon by combustion in Hydrogen. Sanctioned by the highest medical authorities, both in Europe and the United States, and prescribed in their practice.

The experience of thousands daily proves that no preparation of Iron can be compared with it. Impurities of the blood, depression of vital energy, pale and otherwise sickly complexion indicate its necessity in almost every conceivable case. Innocuous in all maladies in which it has been tried, it has proved absolutely curative in each of the following complaints, viz:

In Debility, Nervous Affections, Emaciation, Dyspepsia, Constipation, Diarrhea, Dysentery, Incipient Consumption, Scrofulous Tuberculosis, Salt Rheum, Mismenstruation, Whites, Chlorosis, Liver Complaints, Chronic Headaches, Rheumatism, Intermittent Fevers, Pimples on the Face, &c.

In cases of GENERAL DEBILITY, whether the result of acute disease or of the continued diminution of nervous and muscular energy from chronic complaints, one trial of this restorative has proved successful to an extent which no description nor written attestation would render credible. Invalids so long bed-ridden as to have become forgotten in their own neighborhoods, have suddenly re-appeared in the busy world as if just returned from protracted travel in a distant land. Some very signal instances of this kind are attested of female sufferers, emaciated victims of apparent marasmus, sanguineous exhaustion, critical changes, and that complication of nervous and dyspeptic aversion to air and exercise for which the physician has no name.

In NERVOUS AFFECTIONS of all kinds, and for reasons familiar to medical men, the operation of this preparation of iron must necessarily be salutary, for, unlike the old oxides, it is vigorously tonic, without being exciting and overheating; and gently, regularly aperient, even in the most obstinate cases of costiveness, without ever being a gastric purgative, or inflicting a disagreeable sensation.

It is this latter property, among others, which makes it so remarkably effectual and permanent a remedy for Piles, upon which it also appears to exert a distinct and specific action, by dispersing the local tendency which forms them.

In DYSPEPSIA, innumerable as are its causes, a single box of these Chalybeate Pills has often sufficed for the most habitual cases, including the attendant Costiveness.

In unchecked DIARRHŒA, even when advanced to DYSENTERY, confirmed, emaciating, and apparently malignant, the effects have been equally decisive and astonishing.

In the local pains, loss of flesh and strength, debilitating cough, and remittent hectic, which generally indicate INCIPIENT CONSUMPTION, this remedy has allayed the alarm of friends and physicians in several very gratifying and interesting instances.

In SCROFULOUS TUBERCULOSIS, this medicated iron has had far more than the good effect of the most cautiously balanced preparations of Iodine, without any of their well known liabilities.

The attention of females cannot be too confidently invited to this remedy and restorative in the cases peculiarly affecting them.

In RHEUMATISM, both chronic and inflammatory—in the latter, however, more decidedly—it has been invariably well reported, both as alleviating pain and reducing the swellings and stiffness of the joints and muscles.

In INTERMITTENT FEVERS it must necessarily be a great remedy and energetic restorative, and its progress in the new settlements of the West will probably be one of high renown and usefulness.

No remedy has ever been discovered in the whole history of medicine which exerts such prompt, happy and fully restorative effects. Good appetite, complete digestion, rapid acquisition of strength, with an unusual disposition for active and cheerful exercise, immediately follow its use.

Put up in neat flat metal boxes containing fifty pills, price 50c. per box; for sale by druggists and dealers. Will be sent free to any address on receipt of the price. All letters, orders, etc., should be addressed to

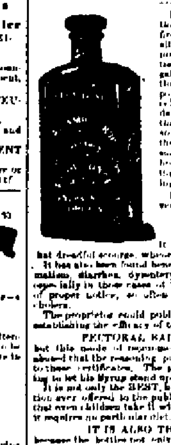
PECTORAL BALSAMIC SYRUP



It is now thirty years since this truly valuable Syrup was first offered to the public, and although it was never "puffed," nor even extensively advertised, it has by its own merit, gained an imperishable reputation, and is daily increasing in popularity. Politeness of the celebrated medical men of the day, it will not ever call the one that flesh is heir to; but it is sovereign in all diseases of the breast, chest and lungs, such as colds, coughs, catarrhs, bronchitis, inflammation of the throat, spitting of blood, whooping cough, influenza, &c.

In all affections of the lungs, verging on

CONSUMPTION,

it has been found to prevent that dreadful scourge, whenever timely resorted to.

It has also been found beneficial in many cases of rheumatism, diarrhea, dysentery, summer complaints, and especially in those cases of "Cholerine," which, for want of proper notice, so often degenerate into confirmed cholera.

The proprietor could publish hundreds of certificates establishing the efficacy of the

PECTORAL BALSAMIC SYRUP,

but this mode of recommendation has been so much abused that the remaining public attach little or no faith to these certificates. The proprietor is, therefore, willing to let his Syrup stand upon its own merits.

It is not only the BEST, but the most pleasant preparation ever offered to the public, indeed it is so palatable that even children take it without the least difficulty, and it requires no particular diet.

IT IS ALSO THE CHEAPEST,

because the bottles not only hold more Syrup than any other, but, owing to its peculiar composition, this Syrup will keep for years without fermentation, and can be used in families as required, by merely keeping the bottle corked.
