MEDICAL.

SANDS' SARSAPARILLA

... Scrofula, ... Cutaneous Eruptions, Loss of Appetite, General Debility, &c.

The value of this Medicine is now widely known and every day the field of its usefulness is extended. It is approved, and highly recommended by Physicians, and admitted to be the most powerful and searching preparation from the root, that has ever been employed in medical practice. Its operation extends to the remotest parts of the system, and appears to be removing diseased action in the absorbing and secreting organs. In man, Nature seldom effects, unassisted, the cure of any virulent disease, but requires the aid of a stimulant, alterative, or antiseptic medicine. In diseases of the skin and flesh, a combination of these three classes of medicinal agents is highly desirable. All these properties are combined in this preparation; and instead of operating successively upon the system, as they must necessarily do when taken separately, they operate simultaneously, and in perfect harmony when administered in this form. It acts properly strengthens the digestion, and improves the appetite. Its alterative tendency carries off the accumulations of morbid matter—and its antiseptic influence neutralizes the virus, by which the disease is fostered. Its uniform success in curing and relieving the various diseases for which it is recommended, is established by a multitude of attested facts.

From a Physician in Maryland.

CAMBRIDGE, Md., Oct. 5th, 1850.

Messrs. SANDS: Gentlemen—My little daughter was afflicted for a long time with sore head and eyes, and by using your Sarsaparilla was perfectly cured, other medicines and sarsaparillas having failed to relieve her. Having used it and tested its efficacy, I confidently recommend it in preference to any other, as it seems to possess properties not contained in any other preparation; and I find that purchasers, after they have used it, invariably want the same article again, whenever they require a medicine for which this is recommended.

Respectfully yours, J. FLINT, M. D.

Prepared and sold, wholesale and retail, by A. B. & D. SANDS, Druggists and Chemists, 100 Fulton st., corner of William, New York. Sold also by Druggists generally throughout the United States and Canadas. Price $1 per bottle; six bottles for $5. For sale by Sickles & Co; J. Wright & Co; H. Kennedy, and F. P. Duconge, New Orleans; P. H. McGraw, Natchez; O. O. Woodman & Co, Vicksburg; and J. Tucker, Mobile.

WINER'S CANADIAN VERMIFUGE

A CERTAIN REMEDY FOR WORMS.

IT IS A FACT, established beyond the shadow of doubt, by the experience and testimony of the most eminent physicians, more than three-fourths of the diseases with which children are afflicted are caused by Worms, and thousands of children die annually from those diseases, when the cause is either not known or attributed to something else. Various are the preparations which have been recommended as remedies for Worms, but experience has proved them all more or less ineffectual; the end, however, has at length been attained, and a remedy found which has never failed to destroy Worms wherever they have existed. This assertion is supported by the testimony of the most eminent physicians and respectable individuals in the country. The remedy is

WINER'S CANADIAN VERMIFUGE,

WARRANTED PURELY VEGETABLE.

It is safe in its operation, and more easily administered than any other. Some of the symptoms which indicate the existence of the Worms in the bowels are as follows: The countenance is pale, of a leaden color, and suffused with occasional flushes; the eyes are heavy and dull, the breath fetid, the upper lips swollen, itching in the nostrils, which causes the patient to pick his nose; the sleep is disturbed, the patient often awakening in great fright, and is liable to starting and grinding his teeth, the appetite exceedingly irregular, being sometimes voracious, others feeble and in some instances it is depraved.

To the following certificates numerous might be added, but it is believed that these are sufficient to establish the fact that WINER'S CANADIAN VERMIFUGE IS A SUPERIOR REMEDY FOR WORMS.

Medical Evidence.

We, the undersigned, having frequently administered a medicine prepared by Mr. John Winer, of this town, designated J. WINER'S CANADIAN VERMIFUGE, and being fully satisfied with its efficacy, confidently recommend it as a safe and efficient remedy for the expulsion of Worms from the intestinal canal.

G. O'REILLY, Lieutenant of the R. C. of Surgeons in Ireland, etc.

G. W. DICKINSON, Member of the R. C. of Surgeons, London, etc.

FROM THE REV. J. FLANAGAN, OF BANBROCK, C. W.

J. Winer—Sir: I have made the trial of your Canadian Vermifuge and with the most happy results. In my own family, in every case which has come to my knowledge, ... expulsion of Worms has followed the administering of your Vermifuge and every one ... are certain, and children take it ... which is a great point gained in giving medicine to children.

July 16, 1845. JOHN FLANAGAN.

Physicians generally use WINER'S CANADIAN VERMIFUGE. This medicine is a simple vegetable preparation, and can always be administered with perfect safety and confidence to the youngest ... Over one thousand certificates have been sent to the Agents from planters, physicians, and merchants, bearing testimony to the efficacy of this infallible remedy.—Warranted in all cases.
