LIVER COMPLAINT, DYSPEPSIA, JAUNDICE,
Chronic or Nervous Debility, Diseases of the Kidneys, and all diseases arising from a disordered Liver or Stomach.

Such as Constipation, Inward Piles, Fullness, or Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or weight in the Stomach, Sour Eructations, Sinking, or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a lying Posture, Dimness of Vision, Dots or Webs before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil, and great Depression of Spirits.

In attributing such valuable Medical properties to this remedy, no rash or unwarrantable assertion is made, but is simply stated a fact, proven undeniably and conclusively by the extraordinary cures, and benefits derived from its use, under the direction of its illustrious originator, Dr. Hoofland, among all classes of European society and from the immense demand, it has received, during the last six years, in the hands of the present proprietor. The prevalence of disease to which the German Bitters are adapted, is so great, that none can fail to be almost universally afflicted [illegible] throughout the whole extent of our country, in which there cannot be found among its members those peculiar YELLOW AND JAUNDICE APPEARANCES denoting a diseased Liver, or an obstructed and suffering Dyspepsia. [illegible] Hoofland's German Bitters. Thousands of dollars have been expended [illegible] of all parts [illegible] the proprietor feels the greatest [illegible] that there is no State, county or even village where the Medicine has been introduced, that there cannot be found numbers, willing to testify to its virtues.
It is used constantly in the practice of a large number of the most prominent Physicians in the country, who have also added their written testimony, in evidence of its great virtues. In connection with them we would respectfully ask of all those afflicted with any of the above diseases to give the Bitters a trial, and rest assured it will never be regretted. In proof of the statements above made, all are invited to read attentively the "Memorabilia," or "Practical Receipt Book," for Farmers and Families, containing a great number of useful receipts, in addition to the testimony, in favor of the Bitters, from the most prominent and well known individuals, in all parts of the Union. All Agents for the Bitters are authorized to distribute the "Receipt Book" gratuitously.

THIS SYRUP, which is the particular study of its author, and in the preparation whereof he devoted all his time, is an indigenous Balm.
Repeated experiments have already demonstrated that its medicinal powers are inferior to none of the compounds of this kind heretofore known and recommended with success in the affections of the lungs. It eases cough, expel readily asthmatic oppressions, oppression arising from the strangulation of the bronchial vessels in cases of acute or chronic catarrhs. Colds, which have resisted the action of numberless remedies, have yielded on its application. It is most beneficial in cases of Hooping Cough. It has the advantage of being pleasant to the taste and scent, and of thus uniting the useful to the agreeable.
The dose for grown persons must not exceed 3 large spoonfuls in 24 hours, and for children 3 to 4 tea spoonfuls a day at most. For children under 12 months, one-half tea spoonful is sufficient, three or four times a day. It may be taken without mixture, or in an infusion of pectoral flowers.

ST. LOUIS INSTITUTE FOR YOUNG LADIES Boarding and Day School, under the direction of Madam Doren, Dauphine, street, No. 313, and Hospital streets No. 110.

THE Directress of this Establishment, being fully sensible of the importance of the English language, has introduced new modifications in the course of studying.
The number of English Professors has been increased. Besides two distinguished Professors who are charged with the instruction of the three higher classes, *two American ladies*, who attend to the elementary classes and the general superintendence, speak English only. The pupils are therefore compelled, in their general conversations, to express themselves in English alone. With a view to this result, Madam Doren has established strict regulations which she will personally see enforced, for she wishes families to be convinced of the fact that an easy and constant practice of the principal language of the country, is required at the institute.
Moral and religious education and good manners, which can be acquired only by example, are looked upon as highly important by Madam Doren, and she will use her best exertions to create patience and mild discipline on the one side, and patience and affection on the other, among the pupils and the teachers.
The musical classes, still under the management of Mrs. Lavilleboeuvre, are constantly and carefully attended to.
The annual examination begins in October.

Summer Residence.

From the month of June, a branch of the St. Louis Institute is opened at Mandeville, a delightful village free from epidemic disorders. Madam Doren's object in opening it, is to afford to unacclimated young ladies or those wishing to spend a few months in the country, the facility of continuing their studies as in the city. Both Establishments are opened during the entire summer.
A carriage is attached to the establishment, which conveys young ladies residing above Canal street, to and from the Institute. sep4
