SANDS' SARSAPARILLA.

FOR THE REMOVAL AND PERMANENT CURE OF ALL DISEASES ARISING FROM AN IMPURE STATE OF THE BLOOD OR HABIT OF THE SYSTEM, VIZ:

Scrofula, or King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Pimples or Pustules on the Face, Blotches, Biles, Chronic Sore Eyes, Ring Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stubborn Ulcers, Syphilitic Symptoms, Sciatica or Lumbago, and Diseases arising from an injudicious use of Mercury, Ascites or Dropsy, Exposure or Imprudence in Life. Also, Chronic Constitutional Disorders, &c.

THIS preparation is a combination hitherto unknown in the history of Medicine, differing entirely in its character and operations from the various preparations of Sarsaparilla which have been at different times offered to the public. It acts specifically upon the whole system, thereby bringing it under its direct and immediate influence. Although possessed of powerful healing effects, yet it is entirely harmless, so that it cannot injure the most delicate constitution. When in perfect health, no effect is produced by its use except an increase of appetite, but when disease is seated in the frame, and carrying fast its victim along the path of life, then its mysterious influence is felt and seen, it enkindles new life and vigor, and brings health and strength to the suffering and diseased.

"TRUTH IS STRANGER THAN FICTION."—LET THE FACTS SPEAK FOR THEMSELVES.—The following certificate is only another link in the great chain of testimony to its merits. Let the afflicted read and be convinced. What it has done once it will do again.

New York, April 22, 1845.

Messrs. A. B & D. Sands—Gentlemen—Feeling it a duty due to you and the community at large, I send you this certificate of the all healing virtues of your Sarsaparilla, that others who are now suffering may have their confidence established and use your medicine without delay.

I was troubled with a severe ulcer on my ankle, which extended half way up to the knee, discharging very offensive matter, itching, burning, and depriving me often of my rest at night, and very painful to bear.

I was recommended to use your Sarsaparilla by Mr. James McConnell, who had been cured by it, and after using five bottles, I was completely cured.

I have delayed sending you this certificate for one year since the cure was effected, in order to ascertain with certainty whether it was a permanent cure, and it now gives me the greatest pleasure to add that I have neither seen nor felt the slightest re-appearance of it, and that I am entirely well.

Yours very truly,

SARAH M'INTYRE, 306 Delancey st.

Madisonville, Ky., Feb. 22, 1845.

Messrs. A. B. & D. Sands—Having used your Sarsaparilla in my family, and witnessed its beneficial effects on one of my children, I feel it to be a duty I owe the community to make the case public. About two years ago, my little son was attacked with Scrofula or King's Evil, which broke out in eight or nine places round the neck and jaw, which finally affected his eyes, rendering him entirely blind. During the first year from the time he was taken, he was attended by several physicians, but continued to get worse until I despaired of his ever getting well. Having seen your Sarsaparilla advertised with certificates of its cure, I concluded I would give it a trial, and accordingly sent to Cincinnati and procured a few bottles, and now, after having used nine bottles, I have the gratification of saying he is well. The sores are all entirely healed, and his sight nearly as good as it ever was; and I have no hesitation in saying that he was entirely cured by the use of your Sarsaparilla.

Yours truly, E. BASSETT.
