No. 200 Camp Street,

BETWEEN JULIA AND ST. JOSEPH STREETS.

THIS establishment, founded by Mr. and Mrs. Ed. Cooley, whose high reputation has never been questioned, will commence its sixteenth session on the 1st of September.

Mme. ED. LOCQUET, assisted by her sister, Mlle. FRANCOIS LOCQUET, with whom she has associated herself, will use her best endeavors to continue to merit the confidence reposed, for so many years, in her predecessors.

Professors of the highest talent are employed in all the branches, both useful and ornamental. Piano, Music, and the study of the Bible, will be taught exclusively by the Mmes. Young ladies will there find in their constant intercourse with these teachers every facility possible for perfecting themselves in this language.

This establishment is commodious and well ventilated, and has recently been entirely renovated, with due regard to the comfort and health of the pupils.

Under the direction of

MRS. CHARPAUX,

At the corner of BAYOU and CLAIBORNE streets.

THIS Seminary, whose existence dates some twelve years back, has met with a success that proves, beyond all cavil, the capacity of those who have charge of it.

Determined to merit the confidence of parents, Mrs. Charpaux will spare no pains to make her Seminary equal to the best institutions of the kind in New Orleans, and in order to do this, she has employed the ablest teachers.

Madame Charpaux has purchased a large and airy edifice on one of the highest pieces of ground in the city; and the better to conduct the health of her pupils, she has added spacious and elevated class-rooms built on purpose for school and sleeping rooms, through which there will be a constant circulation of air from many windows.

Great attention will be paid to the improvement of pupils in the French language. For this purpose, Madame Charpaux herself will give her undivided attention to this department of instruction.

The English and French languages, Geography, Arithmetic, and in short all the branches of a polite education, will be taught in the Seminary.

Music having become a most desirable branch of the education of young ladies, Mr. Charpaux, from the best musical school in Paris, and ex-artist of the Orleans Theatre, will devote all his time to the teaching music.

SANITARY GRUEL.

I. X. L. NOURISHING REMEDY

INVENTED AND PREPARED

BY P. MARMAY.

THE inventor of this new and invaluable remedy has taken patents in France, England, Scotland, Ireland, Belgium and the United States.

The most chronic constipation yields to the daily use of the Invigorating Gruel.

It is a precious discovery for sea travelers.

The astringent effects invariably resulting from Tonics, Bitters and Vermifuges, so valuable in many cases, are modified by the use of the Invigorating Gruel, which can also be used as a substitute for those remedies.

This Invigorating Gruel has been tried by distinguished physicians, and it has been used triumphantly in every disease of the stomach, such as Dyspepsia, Gastritis, Heartburn, Megrims, Sick Headache, Colic, Constipation, Costiveness, Vomiting, Chronic Diarrhea, &c., &c.

The Invigorating Gruel is taken in different ways; with a broth—with salt or sweetened milk—with or without the orange flower water. A spoonful of it is sufficient, and should be prepared in boiling milk and for ... 13 or 18 minutes.

To be taken morning and evening.

For further particulars, apply at the General Depot No. 44 Conti street, between Chartres and Royal streets New Orleans.

For sale, wholesale and retail, by A. RENAUD TRASSER, principal agent in the United States. Depots in all the principal cities of the United States.

For sale by J. Rivet, 64 Customhouse street; James Syme, 126 Canal street, and J. Wright & Co., 21 and 151 Chartres street. nov18 2m law ly
