# MEDICAL.

GOODRICH'S HYDROPIPER,
PAIN KILLER AND CURE-ALL.
Liver Complaint, Billious Diseases, Chills and Fever, Constipation, Indigestion, Costiveness, Piles, Dyspepsia, AND ALL DISEASES OF THE STOMACH, LIVER AND BOWELS.

Also, Scrofula and all Impurities of the Blood.

This is a great antidote of Digestion, and a perfect substitute for Mercury in Liver Complaint, and for Purgative Pills in Constipation. It also cures Chilled Fever, as quickly where Quinine has been used any time.

It is a fine Stimulant and Tonic for weak and debilitated constitutions.

Though pleasant to the taste, mild and harmless in its action, it is found to be equal to the most potent drug.

**Have you Scrofula?**

Then read the unsolicited postscript of a letter from a highly respectable lawyer of New Madrid, Mo.:

"P. S. Yes when in the use of your Hydropiper. Mr. Presty Phillips informs me that he and a negro boy in his employ were afflicted with scrofula and states that he used Goodrich's Hydropiper and placed the negro on light diet, and in six weeks he was sound and well. Yours respectfully,
F. W. ARMSTRONG."

**Further Testimony of the Beneficial Effects of Goodrich's Hydropiper.**

Dr. A. R. Goodrich—My wife was afflicted with Scrofula for a long time, and had been attended by all the best physicians in the country, but without any good effect. She had been unable to walk for more than a year, and part of the time was totally helpless, when I procured some of your Hydropiper. Since then she has recovered to health and can walk about as well as ever.

I have been requested to communicate the above facts purely out of a desire that others may know of its excellent qualities and profit thereby.

With respect, I am yours, truly,
P. G. GAMBLE.

Greenville, Miss, July 3, 1854.

SANDS' SARSAPARILLA,
IN QUART BOTTLES,
For Purifying the Blood, and for the Cure of *Scrofula, Rheumatism, Stubborn Ulcers, Dyspepsia, Salt-Rheum, Fever Sores, Erysipelas, Pimples, Boils, Mercurial Diseases, Obstinate Coughs, Liver Complaint, Bronchitis, Consumption, Female Complaints, Loss of Appetite, Gen-*

THE value of this Medicine is now widely known, and every day the fact of its usefulness is extended. It is approved and highly recommended by Physicians and admitted to be the most powerful and searching preparation from the root, that has ever been employed in medical practice. Its operation extends to the remotest parts of the system, and consists in removing diseased action in the absorbing and secreting organs. It has fewer odious effects, is unsurpassed in cure of any virulent disease, but requires the aid of a stimulant, alterative, or antiseptic medicine. In diseases of the skin and blood, it is combined with these three classes of medicinal agents in highly desirable. All these ingredients are combined in this preparation and instead of operating successively upon the system, as most medicines do, when taken in sets singly, they operate simultaneously, and in perfect harmony when administered in this form. Its tonic property stimulates the digestion, and improves the appetite—its alterative tendency carries off the accumulations of morbid matter, and its antiseptic influence arrests incipient putrefaction, which the disease is fostering. Its uniform tendency is to restore health, and various diseases for which it is recommended, are addressed by a multitude of testimonials.

**Astonishing Cure.**

*New Orleans, La., Nov. 3, 1852.*

Messrs A B & D. Sands: Gentlemen—Having received so much benefit from the use of your Sarsaparilla, I cannot refrain from my testimonial to those you have already received. For about six years I suffered much from a cough in the lungs, which at times was so severe that I was with difficulty that I could cough or expectorate. I was attended by one of the most skillful physicians of New Orleans, who at my declining my case hopeless and that I had only to wait the end, I was induced by my friends, who had used your valuable Sarsaparilla, advised me to try it. I did so, and after using three bottles I was relieved from my cough, which I took with decided benefit, and after using it for three months, I was relieved quite.

I remain yours, very truly,
EUGENE LEMOME.

Prepared and sold, wholesale and retail, by A. B. & D. SANDS, Druggists and Chemists, 100 Fulton st, corner of William st, New York. Sold by Druggists everywhere throughout the United States and Canadas—Price, quart bottles, $1 per bottle; half pints, $5 per dozen.

Sold in New Orleans by Druggists generally
