CAUTION TO THE PUBLIC. FRAUDULENT IMITATIONS OF HOSTETTER'S STOMACH BITTERS.

AS a measure of self-defense, and in order to warn and protect our customers in all parts of the Union, we deem it our duty to expose a deep laid and wide-spread conspiracy now existing in the South and West, for the counterfeiting of our CELEBRATED STOMACH BITTERS. We have been for some time past engaged in ferreting out and prosecuting the parties concerned in this nefarious and despicable business, and expect to visit upon them the just penalty of the violated law. Villains, low, devils, "moves a shining mark" and the harpies who inhabit by pirating proprietary preparations have exhibited a cunning almost equal to their rascality, in selecting for fraudulent imitation the most popular stomachic and alterative manufactured in this or any other country. Large quantities have, we understand, been thrown upon the market in our Southern and Western cities, and in several cases... [illegible] ... the profits of the villany. ... HOSTETTER'S STOMACH BITTERS may be said to stand on the same moral level. We have already commenced suit against [illegible], of Mobile, Alabama; T. Cook & Co., James Clark and C. H. [illegible] & Co., of Chicago; Wm. B. Lawrence, Tice & Co., [illegible]. ... The only genuine HOSTETTER'S STOMACH BITTERS, with our TRADE MARK ... [illegible]. The best evidence of the merit of an article is the disposition to produce counterfeits, and WE REGARD IT as the sincerest compliment to the value of HOSTETTER'S CELEBRATED STOMACH BITTERS. ... It is hoped that this precaution will secure the public from being further imposed upon by base imitations of our valuable and popular medicine. ... HOSTETTER & SMITH.
