Agency Sun Mutual In. Co.,
NEW ORLEANS, November 7th, 1846.

THE fiscal year of this Institution terminated on the 4th day of last month, and the Trustees have declared a dividend of *thirty-two and one-half per cent.* on the amount of earned premiums ($860,[illegible]) during the year, and have further divided *six per cent.* in cash on the script. They have been in operation five years, and have made the following dividends, viz:

On the 4th of October	1842,	declared 32	per cent.
" " "	1843,	" 34	" "
" " "	1844,	" 35	" "
" " "	1845,	" 60	" "

(In consequence of the disastrous fire in New York on the 19th of July of that year.)

And on the 4th of October, 1846, declared 32½ per cent.

They do not insure against the risks of fire in New York or elsewhere, except at this Agency.

The board of Trustees also resolved, that no division of profits should be made until the accumulated earnings shall, at least, exceed one million of dollars.

The existing script and assets, available to meet losses, amounted to $686,855 63, on the 4th ultimo, to which may be added more than $200,000 for premiums taken since, which, in the opinion of the undersigned, affords the most ample protection for their policies.

This Agency continues to insure against fire, marine and river risks. L. MATTHEWS, Agent, corner of Camp and Common streets.

N. B.—Due notice will be given when the script certificates are ready for delivery.

The engagements they are under towards various institutions and the Convent of this city, to which they are attached, compel them to absent themselves daily, during the course of the month. The superiority of their work, and the care and promptitude [illegible] by them, induces them to hope for a continuance of the patronage of the public. [illegible]
