SALE AT AUCTION:

BY HEWLETT & BRIGHT.

Summer residence on the Bay of Biloxi for sale.

WILL be sold, on Thursday, 26th Feb. 1835, at Hewlett's Exchange, at 12 o'clock, a tract of land, fast out in 18 lots of one arpent front, running back 12 or 13 arpents, or thereabout, to the sectional line of the United States land in the rear, the whole is said to be the very best kind of hummock land; it is covered with a splendid growth of timber, consisting of live oak, magnolia, grande laurea, sweet bay, hickory, white and red oak, and various other ornamental and useful trees and shrubs. The wood on it is calculated for building, making fences, &c. of which there is the greatest abundance, besides sufficient cord wood will be found on clearing out for building and improvement, to pay for more than double what the land will cost; in the front there is a small tract of from 100 to 200 wide, of alluvial soil, rich as it is possible for land to be, calculated to grow all kinds of vegetables, through this tract small canals or drains may be made admitting the salt water for bathing and fishing, into the gardens and shutting it out at pleasure by means of two trunks placed in the mouth of two little drains which are marked on the plan forming two ponds, which may be easily filled up, and the bulls substituted in place of them, for the double purpose of letting off rain water, and admitting the salt water and fish from the sea in front. The land each side is flat plain till it reaches its highest point, about one hundred arpents from the meadow in front, and is considered by the surveyor [see certificate] 4 or 5 feet higher than any on the Bay; it is entirely open to the sea, protected, however, by two long and high sand banks, viz: Ship and Cat Island on the outside, and another that runs East from the Pass of Christian, to Deer Island; leaving, however, several small entrances of from 4 to 8 feet water; there is an oyster bank close at hand, and fish in the greatest abundance. These lots are offered for sale as being the most desirable for summer residences in this southern country; and this part of the sea coast is considered among the most healthy situations in America, as there are now living on Deer Island and on the Bay, persons over 100 years of age.

The terms are 6, 12, 18 and 24 months credit, with satisfactory endorsers and mortgage until final payment.

The acts of sale to be passed before H. Pedesclaux, not. pub. at the expense of the purchaser.

P. S. There is a steam saw mill erected at Bayou Old Fort, about 5 miles off, from whence all kind of building timber can be had ready sawed, without the least difficulty, and at very low rates.

See plan at the Exchange, on which are projected bathing houses, canal, &c. feb 10
