THIS College, incorporated by the Legislature of the State of Missouri, in 1843, with University privileges, is situated in one of the most beautiful locations on the river Mississippi, forty miles above the mouth of the Ohio; it commands a beautiful view on each side of the river.—Forty acres adjoining the College have been provided for its use; and also, a mile and a half from the town, a country house where the pupils may spend their days of recreation.

THE SYSTEM OF EDUCATION EMBRACES:

Reading, Writing, Grammar, History, Rhetoric, Poetry, ... Geography, the use of the Globes, Book-keeping, ... Algebra, Geometry, plain and spherical ... Mensuration, Surveying, theoretical and practical Astronomy; the French, Spanish, German, Italian, Latin and Greek Languages; moral and natural Philosophy and Chemistry, Music and Drawing.

The College is supplied with a Philosophical apparatus. The Professors of the English, French, Spanish, German and Italian Languages, are gentlemen to whom the language which each teaches is his mother tongue.

The scholastic year commences on the second Monday in September, and finishes on the last Thursday in July, on which day the annual commencement is held, premiums are distributed and degrees conferred.

The terms for boarding, lodging, tuition, washing, mending and doctor's fee are $130 per annum, payable half yearly in advance. An extra charge of $10 per annum will be made for those who study Spanish, German, or Italian; the same extra charge for the study of Natural Philosophy and Chemistry, to pay for the breaking of apparatus. An extra charge of $25 will be made for the study of Music or Drawing.

If parents desire their children to be clothed at the Institution, it will be necessary to place a sufficient sum in the hands of the Treasurer.

Semi annual bulletins, informing of the health and progress of the pupils, will be forwarded to parents and guardians.

Those who may send from foreign countries, or remote districts, will please to appoint a responsible agent at New Orleans or St. Louis.

For further information, apply to

Now, therefore, know ye, and all persons interested herein are cited and admonished in the name of the State of Louisiana, and of the First Judicial District Court, who can set up any right, title or claim in and to the property hereinafter described, in consequence of any informality in the order, decree or judgment of the Court under which the sale was made, or any irregularity or illegality in the appraisements and advertisements, in time, or manner of sale, or for any other defect whatsoever; to show cause, within thirty days from the day this monition is first inserted in the public papers, why the sale so made should not be confirmed and homologated.

SANDS' SARSAPARILLA.
FOR THE REMOVAL AND PERMANENT CURE OF ALL DISEASES ARISING FROM AN IMPURE STATE OF THE BLOOD OR HABIT OF THE SYSTEM.

This valuable Medicine is now used and universally approved by the most distinguished of the Medical Profession throughout our country, and, by its intrinsic medicinal value, the public generally (but the afflicted particularly) have been made acquainted with its usefulness, in the removal and cure of diseases having their origin in an impure state of the blood. The Sarsaparilla is combined with other ingredients, all of which are held in the highest estimation by the most distinguished physicians.

As a mild aperient, antiseptic and tonic, it contains the three most useful properties of medicine. It purges, purifies and restores. Scrofula, Cancer, Leprosy, all Ulcers and Scrofulous Sores, all Diseases of the Skin, and all internal disorders not organic, but springing from a diseased circulation, give way before its hygeian influence.

The following interesting case is presented, and the reader invited to its careful perusal. Comment on such evidence is unnecessary.

MADISONVILLE, Ky., February 22, 1845.

Messrs. A. B. & D. SANDS—Having used your Sarsaparilla in my family, and witnessed its beneficial effects on one my children, I feel it to be a duty I owe the community to make the case public. About two years ago my little son was attacked with Scrofula or King's Evil, which broke in eight or nine places round the neck or jaw, and which finally affected his eye, rendering him entirely blind. During the first year from the time he was taken, he was attended by several physicians, but continued to get worse until I despaired of his ever getting well. Having seen your Sarsaparilla advertised with certificates of its cures, I concluded I would give it a trial, and accordingly sent to Cincinnati and procured a few bottles, and now, after having used in all nine bottles, I have the gratification of saying he is well. The sores are all entirely healed, and his sight nearly as good as ever it was, and I have no hesitation in saying that he was entirely cured by the use of your Sarsaparilla.
Yours, truly, E. BASSETT.

NEW YORK, April 22, 1845.

Messrs. A. B. & D. SANDS—Gentlemen:—I was troubled with a severe ulcer on my ancle, which extended half way up to the knee, discharging very offensive matter, itching, burning, and depriving me of my rest at night, and very painful.

I was recommended to use your Sarsaparilla by Mr. James McConnell, who had been cured by it, and after using five bottles I was completely cured.

I have delayed sending you this certificate for one year since the cure was effected, in order to ascertain with certainty whether it was a permanent cure, and it now gives me the greatest pleasure to add that I have neither seen nor felt the slightest reappearance of it, and that I am entirely well.
Yours, very truly, SARAH M'INTYRE,
240 Delancy street, New York.

MOBILE, Ala., Nov. 29, 1842.

Messrs. SANDS—I deem it an act of justice to myself and the community at large, to relate the following facts which occurred in our neighborhood in the latter part of July last. June C——, a young girl aged fourteen years, was afflicted with an immense sore on the middle of her back, which defied all the treatment of medical skill. At last some person mentioned to me your Sarsaparilla, and I immediately procured two bottles of Messrs. Mosely & Tucker, your Agents in this city, which I gave to her. I called to see her the next day, and she told me she had taken two doses, and felt very much relieved. I laughed immoderately at this, but she said it was really so, and girlish men, in a week, or two weeks from the time she commenced using it, there was neither sign nor appearance of where the sore had been.
Yours, respectfully,
J. G. HOUSEMAN, 93 Dauphin st.

For further particulars and conclusive evidence of its superior value and efficacy, see pamphlets which may be obtained of Agents gratis.

Prepared and sold, wholesale and retail, by A B & D SANDS, Wholesale Druggists, 100 Fulton street, New York.

☞ The public are respectfully requested to remember that it is Sands's Sarsaparilla that has and is constantly achieving such remarkable cures of the most difficult class of diseases to which the human frame is subject, therefore ask for Sands's Sarsaparilla, and take no other.

THE undersigned has the honor to inform the Planters and Merchants of Louisiana and neighboring states, that in consequence of the death of Mr Jean Mager, he has chosen as his sole agents and representatives at New Orleans, and for all the Southern States, Messrs Hte. de Goer and Riffard, who are and will be in future, the ONLY SUCCESSORS of Mr Mager. His depot which is definitively established in this house, will be constantly supplied with FRESH GOODS of the first quality, and he trusts that by their cheapness, durability, and the care taken in their fabrication, to justify and extend the patronage with which he has so long been honored in the United States.

Having learned that some merchants and manufacturers have imitated his mark, and are selling inferior blankets under his name; he embraces this opportunity to inform the public, that HIS ONLY DEPOT is at Hpte. de Goer & Riffard, No. 21 Magazine street, and that he will pursue before the Courts of Justice all persons who counterfeit his goods or who sell such counterfeits.

The undersigned once more thanks the public for the confidence heretofore reposed in him, and will endeavor to continue meriting it.

Galvanic Rings and Magnetic Fluid.

THIS remarkable discovery which has attracted so much attention in Europe and recently in the Northern cities, is now introduced for the first time to the citizens of New Orleans. It comprises an entirely safe and simple application of the Mysterious Power of Galvanism as a remedial agent. The Galvanic Rings in connection with the MAGNETIC FLUID have been used with the most perfect success in all cases of RHEUMATISM, acute or chronic, applying to the head, face or limbs; *Gout, Tic Doloreux, ... Bronchitis, Vertigo, Nervous or Sick Headache, Indigestion, Paralysis, Palsy, Epilepsy, Fits, Cramp, Palpitation of the Heart, Apoplexy, Stiffness of Joints, Spinal Complaints, Lumbago, Neuralgia, Nervous Tremors, ... the Head, Pains in the Chest and Side, General Debility, Deficiency of Nervous and Physical Energy*, and all *Nervous Disorders*. In cases of *Dyspepsia* which is simply a nervous derangement of the digestive organs, they have been found equally successful. The Rings are of different prices, being made of all sizes and of various ornamental patterns, and can be worn by the most delicate female without the slightest inconvenience.

The Galvanic Belts, Bands, Bracelets,
Are modifications of the invention, and are recommended in more chronic cases of disease, where the Rings do not possess sufficient intensity of power. They are adapted to the waist, arms, ancles, chest, or any part of the body with perfect ease. Any Galvanic power that is required may thus be obtained, and so compliant with the mysterious agent of Galvanism can effect, will fail to permanently relieved.

Christie's Magnetic Fluid.
Is used in connection with the Rings and their modifications. This composition has been pronounced by the French Chemists, to be one of the most valuable discoveries of modern science. It is believed ... the remarkable power of *rendering the nerves sensitive* to the Galvanic action, by this means causing a concentration of the influence at the seat of disease, and thus giving rapid and permanent relief.

Christie's Galvanic Strengthening Plaster.
These articles form an important addition to the Galvanic Rings, acting upon the same principle, but having the advantage of more local application. As an efficient means for *Strengthening the system*, when debilitated by disease or other causes; as a certain aid in constitutional weakness; as a preventive for colds, and in all affections of the chest, generally, the GALVANIC STRENGTHENING PLASTER will be found of great and permanent advantage.

☞ Numerous certificates ... from many distinguished physicians and others ... have been received by the Proprietor ... may be seen ... in the Agent.

The public are respectfully ... INVITATIONS of these articles. The ... authorized Agent ... CHRISTIE ... for New Orleans ... can be obtained.
