FIRE PROOF IRON SAFES—There can be no greater evidence of the high estimation by the public of Wilder's Patent Salamander Safe than the fact, that since the invention of these Safes and their subsequent trials and tests, almost every thing made for the purpose of holding books and papers are called by their makers and vendors by the name of Salamander Safes.

The following gentlemen composed a Committee of Merchants at the trial of safes in a blast furnace near the foot of Wall street, and decided in favor of Wilder's Patent Safe which was the only one that stood the test, viz:
Messrs. WADSWORTH & SMITH,
BALDWIN & CO,
MINTURN & CO,
CHAS. H. MARSHALL, Esq.
Wilder's Salamander Safes, which have never failed to preserve their contents in case of fire, are to be had only of
