Parisian Dyeing Establishment.
Conde street, Nos. 94 & 96, between St. Philippe and Ursuline, and No. 75 Royal street, between Bienville and Conti.

THE undersigned respectfully informs the Dry Goods merchants and the public in general, that feeling grateful for the patronage which he has been receiving so largely in Conde street, he has opened a new store, No. 75 Royal street, for the convenience of the residents of the Second Municipality and of the first District of the First, where he will receive all orders relative to his profession, being now enabled through his steam apparatus, the only one in the city, to dye all colors, as they are done in France. Competent persons and judges are invited to call and examine the whole apparel; they will be convinced that it is operating on the most approved principle. The pins formerly used in the process, are now dispensed with, thereby saving silks from being torn or creped. The great rapidity of working enables him to afford a reduction in prices, and Dry Goods Merchants will find it their advantage to send him damaged goods, as they can be made perfectly new at such low prices as no other house can afford to take.
Dyeing and cleaning in general, of all kinds of goods, in whole pieces; of furniture, calicoes and woollen goods; Carpets, Church ornaments, Ball and Theatre dresses, Costumes; Straw and Panama Hats; Parasols, Cashmere shawls, the designs and ornaments being kept in their primitive colors, all kinds of mournings at 24 hours notice, fast colors, Black dyed in any other color.

MEDICAL.

DR. TOWNSEND'S SARSAPARILLA
THE MOST EXTRAORDINARY MEDICINE IN THE WORLD.

THIS article is put up in quart bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures diseases without vomiting, purging sickening, or debilitating the patient.
Great Spring and Summer Medicine.
The great beauty and superiority of this Sarsaparilla over all other medicines is, while it eradicates disease, it invigorates the body. It is one of the very best spring and summer medicines ever known; it not only purifies the whole system and strengthens the person, but it creates new, pure and rich blood; a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the past two years, more than 35,000 cures of severe cases of disease; at least 5000 of these were considered incurable. More than
3,000 cases of Chronic Rheumatism;
2,000 cases of Dyspepsia;
400 cases of General Debility and want of Energy.
7,000 cases of the different Female Complaints;
2,000 cases of Scrofula;
1,500 cases of the Liver Complaint;
2,500 cases of disease of the Kidneys and Dropsy;
3,000 cases of Consumption.
And thousands of cases of diseases of the blood, Ulcers, Erysipelas, Salt Rheum, Pimples on the face &c., &c. Together with numerous cases of Sick Headache, Pain in the Side and Chest, Spinal Affections, &c., &c.
This, we are aware, must appear incredible, but we have letters from Physicians and our agents from all parts of the United States, informing us of extraordinary cures. R. Van Buskirk, Esq., one of the most respectable druggists in Newark, N. J., informs us that he can refer to more than 150 cases in that place alone. There are thousands of cases in the city of New York, which we will refer to with pleasure, and to men of character. It is the best medicine for the preventive of disease known. It undoubtedly saved the lives of more than 5,000 children the past season, as it removed the cause of disease, and prepared them for the summer season.
United States Officer, Capt. G. W. McLean, of the U. S. Navy, and Member of the New Jersey Legislature, has kindly sent us the following [illegible] [illegible] of [illegible] story.

Rahway, Jan. 21, 1847.
A year since I was taken with the influenza, and my whole system left in a debilitated state. I was induced to try Dr. Townsend's Sarsaparilla, and after taking two or three bottles, I was very much relieved, and attribute it entirely to the said Sarsaparilla. I have continued taking it, and find that I improve every day. I believe it saved my life, and would not be without it under any consideration.
G. W. McLEAN, late U. S. N.

John Jackson, Esq., Editor of the Rahway Republican, published the above certificate, and remarks in an editorial as follows:
☞ The success of Dr. Townsend's preparation of Sarsaparilla appears to be of the most extraordinary character. We published a few days since two certificates in its behalf, one from Capt. McLean, of this town, and one from the Rev. Mr. Wood, of Staten Island, a gentleman well known in Rahway. Capt. McLean believes the medicine to have saved his life, and Mr. White seems to entertain an equally strong confidence in its efficacy. Such good men, [illegible] would not give their names so strongly what they did not fully believe to deserve it.

Scrofula Cured.
This certificate conclusively proves that Dr. Townsend's Sarsaparilla has perfect control over the most obstinate diseases of the Blood. Three persons cured in one house, is unprecedented.

Three Children.
Dr. Townsend—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted very severely with bad sores; have taken only four bottles; it took them away, for which I feel myself under great obligation.
Yours, respectfully,
ISAAC W. CRAIN, 106 Wooster st.
New York, March 1, 1847.

Great Female Medicine.
Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for incipient Consumption, Barrenness, Leucorrhœa, or Whites, obstructed or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of inherent cause or causes, produced by irregularity, illness or accident.
☞ Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and lassitude, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the female frame, which is the great cause of barrenness.
It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted, that hundreds of cases have been reported to us. Thousands of cases where families have been without children, after using a few bottles of this invaluable medicine, have been blest with healthy offspring.
Dr. Townsend—My wife being greatly distressed by weakness and general debility, and suffering continually by pain and a sensation of bearing down, falling of the womb, and with other difficulties, and having known cases where your medicine has effected great cures; and also hearing it recommended for such cases as I have described, I obtained a bottle of your Extract of Sarsaparilla, and followed the directions you gave me. In a short period it removed her complaints and restored her health. Being grateful for the benefits she received, I take pleasure in thus acknowledging it, and recommending it to the public. M. D. MOORE,
Corner of Grand and Lydius sts.
Albany, August 17, 1844.

To Mothers and Married Ladies.
This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "The turn of life," should neglect to take it, as it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delayed for several years by using this medicine. Nor is it less valuable for those who are approaching womanhood, as it is calculated to assist nature by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all of the delicate diseases to which women are subject.
It braces the whole system, renews permanently the natural energies—by removing the impurities of the body—not so far stimulating the system as to produce a subsequent relaxation, which is the case of most medicines taken for female weakness and disease.

Opinions of Physicians.
Dr. Townsend is almost daily receiving orders from physicians in different parts of the Union.
This is to certify that we, the undersigned Physicians of the City of Albany, have in numerous cases prescribed Dr. Townsend's Sarsaparilla, and believe it to be one of the most valuable preparations of the Sarsaparilla in the market.
H. P. PULING, M. D.
J. WILSON, M. D.
R. B. BRIGGS, M. D.
P. E. ELMENDORF, M. D.
Albany, April 1, 1845.

The following, written by one of the most eminent physicians of Long Island:
Greenport, July 1845.
Dr. Townsend—Dear Sir:—I with pleasure state that my attention was called to your Extract of Sarsaparilla by the severe cases, the most [illegible], and one of your Extract of Sarsaparilla, [illegible] in the practice of medicine, I have prescribed it in several cases, and, being well satisfied [illegible] [illegible] removal of diseases arising from [illegible] the stomach, bowels, liver and kidneys [illegible] any thing of the kind ever before offered to the public. You will please send me [illegible] Respectfully yours, S. C. PRESTON, M. D.

Dyspepsia.
No fluid or medicine has ever been discovered which so nearly resembles the gastric juice or saliva, in decomposing food and strengthening the organs of digestion, as this preparation of Sarsaparilla. It positively cures every case of dyspepsia, however severe or chronic. It is agreed that [illegible] stomach, we invite those to read the following [illegible] [illegible] Having been afflicted with dyspepsia, [illegible] we would be happy to give either reference to [illegible] of the first families in the city, who have [illegible] with perfect success in the most aggravated cases of dyspepsia.

Bank Department, Albany, May 10, 1845.
Dr. Townsend—Sir: I have been afflicted for several years with dyspepsia in its worst forms, attended with soreness of stomach, loss of appetite, extreme heartburn, and a great aversion to all kinds of food, and for weeks (what I could eat,) I have been unable to retain but a small portion on my stomach. I tried the usual remedies, but they had but little or no effect in removing the complaint. I was induced, about two months since, to try your Extract of Sarsaparilla, and I must say with little confidence; but after using nearly two bottles, I found my appetite restored, and the heartburn entirely removed; and I would earnestly recommend the use of it to those who have been afflicted as I have been. Yours, &c. W. W. VAN ZANDT.

Piles, Piles, Piles.
Dr. Townsend's Sarsaparilla is the best corrective in curing this distressing complaint, that being a disease of the Blood, Dyspepsia, Rheumatism, and Nervous Debility. Read the following:
Dr. Townsend—Dear Sir—The effects of your Sarsaparilla are truly wonderful. For the last six or eight years past, I have been subject to severe attacks of the piles, during which I have suffered all the tortures of that complaint, and had no hope of ever finding relief except in death. I have tried many remedies; but never, in the severest [illegible]. [illegible] bottles of your Sarsaparilla, and [illegible] my old complaint. I feel grateful for [illegible] and any person you may refer to [illegible] [illegible] to inform of the benefit I have received [illegible] your hands. Yours truly,
July 6, 1846. JOHN HALL, 163 Water st.

Rheumatism.
This Sarsaparilla is used with the most perfect success in Rheumatic complaints, however severe or chronic. The astonishing cures it has performed are indeed wonderful. Other remedies sometimes give temporary relief; this entirely eradicates it from the system, even when the limbs and bones are dreadfully swollen.
Dr. Townsend—I was attacked with a distressing pain in my hip joint, so bad that I could not walk without my crutches; and much of the time I was obliged to keep my bed. After spending much, but they did not relieve me, I then called on one of our first physicians, but he did not help me. I heard of your Sarsaparilla, and obtained a bottle, and in a few days it enabled me to [illegible], and I can now walk as [illegible]. ASHBELL W. WALKER.
Albany, Jan. 8, 1845. 22 Division st.

☞ Hear Mr. Seth Terry, one of the oldest and most respectable lawyers in Hartford, Conn. The following is an extract of a letter received from him:
Dr. Townsend:—I have used one bottle of your Sarsaparilla, and find it is excellent in its effects on a chronic rheumatic pain to which I am subject, from an injury sustained several years ago in a public stage. Please send me two bottles to the care of Mr. [illegible]. I have conversed with two of our principal physicians, and recommend your Sarsaparilla. SETH TERRY.
