What more adorns the human face divine, than a good set of teeth; place before me the handsomest woman in nature's harem, and—

Her lips may mock the scarlet gem,
In old Abraham's Diadem——

Yet if they disclose not a set of teeth, as fair as pearls, smiles may cluster about them like bees, and persuasion drop from them sweeter than the honey of hymettus, yet they have no charm for me. A good set of teeth, as was said by Queen Bess of a handsome face, is a letter of recommendation—ay, it is a letter patent, and the world may read it. Ladies cultivate your teeth. SALES AT AUCTION.

ON Monday the 20th instant, at 12 o'clock, at Hewlett's Exchange Coffee-House, will be sold,

Two Hundred Lots of Ground,

situated in the Faubourg Religieuses, and adjoining Faubourg Annunciation, situated on Nayads, or St. Charles-street extended; Apollo, or Carondelet-street extended; Bacchus, Dryades, Hercules, Felicity Avenue, Liberty and Green streets; and bounded by Felicity, St. Andrew and St. Mary's streets; and a portion fronting on the new Basin Gordaley, and the projected canal leading thereto; the greater part of which is already dug, and can be united with the new canal now excavating by the Canal and Banking Company with very little labor and expense. The brick yard, sheds, brick-kilns, stables, barrass, negro cabbins, etc., will be offered in block, with the privilege of working up all the clay now lying upon the Basin Gurnaley, and of digging out the remaining portion of said basin and using the earth thereof. The ground now offered for sale is about six feet higher than the level of Canal-street, and has never been overflowed by the waters of the lake, thereby affording an opportunity to those who may purchase lots and erect buildings thereon, of making cellars under them in the same manner as is done in the northern cities. A more desirable situation for the erection of private dwellings, and the residence of mechanics, merchants and others, could not be procured, being only about fifteen minutes walk back from Canal street, and uniting with it all the advantages that will arise from the immediate extension of the business streets of the city through the greater part of it; the not opening of which until this time has greatly retarded the improvements of said property & all adjoining it.
