AYER'S SARSAPARILLA,

A COMPOUND REMEDY, designed to be the most effectual alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:

Scrofula and Scrofulous Complaints, Eruptions and Eruptive Diseases, Ulcers, Pimples, Blotches, Tumors, Salt Rheum, Scald Head, Syphilis and Syphilitic Affections, Mercurial Disease, Dropsy, Neuralgia or Tic Douloureux, Debility, Dyspepsia and Indigestion, Erysipelas, Rose or St. Anthony's Fire, and indeed the whole class of complaints arising from Impurity of the Blood.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong and the great machinery of life is disordered and overthrown.

Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations pretending to be concentrated extracts of it contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large bottles pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.

PREPARED BY

DR. J. C. AYER & CO.,

LOWELL, MASS.

Price $1 per bottle; Six Bottles for $5.

AYER'S CHERRY PECTORAL

Has won for itself such a renown for the cure of every variety of Throat and Lung Complaint, that it is entirely unnecessary for us to recount the evidence of its virtues wherever it has been employed. As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.

Mme. ED. LOCQUET, assisted by her sister, Mme. FRANCOIS LOCQUET, will use her best endeavors to continue to merit the confidence reposed, for so many years, in her predecessors.

Richard's Pectoral Syrup.

THE above celebrated Syrup, well known in the city and in the country for the cure of Whooping Cough and the Spitting of Blood, is also the best remedy for Inflammation of the Throat and Chest, such as Coughs, Colds, Hoarseness, &c. It has been proved, in numerous cases, that by the use of a few spoonfuls when the first symptoms are manifested, the progress of the above mentioned evils is stayed, and a complete cure is brought about in from twelve to twenty-four hours.

The annoying and often fatal consequences of neglected bad colds ought to be a warning to every one and an inducement to buy RICHARD'S PECTORAL SYRUP, the sale of which has been considerably increasing for years, since experience has so clearly demonstrated its superiority over all other remedies of the kind. The moderate price of the same (75 cents) enables every one to procure it.

The best evidence of the popularity of

and their successful introduction everywhere, is the disposition frequently manifested by persons to counterfeit. This has occasioned the proprietors much trouble and inconvenience, and to protect themselves they have been compelled to employ a traveling agent, whose exclusive business it is to ferret out [illegible] and [illegible] the Bitters. An additional means of protection to the public, the proprietors have gone to the expense of procuring a fine steel engraved label, to which is appended a note of hand, in order to enable them to prosecute to a felony the parties who counterfeit it. The only remedy, with the old label, was to obtain an injunction, which in some instances proved ineffectual in preventing the counterfeiting of it; but with their new label they will doubtless be more successful in protecting the public as well as themselves. Both the old and new label are now used—the old in order that former customers may feel secure, and at the same time fully understand the object of the adoption of the new one.

Hostetter's Celebrated Stomach Bitters,

A specific for Dyspepsia, Diarrhea, Dysentery, General Debility, Chills and Fever, Liver Complaint, Bilious Remittent Fevers, and the pains and weaknesses which creep upon us in old age. For these ailments we quietly invited a trial and a verdict. The trial has come off, the verdict has been rendered, and the Bitters are to-day in existence, in this or any other country. It lives and continues to thrive and increase in popularity with marvelous rapidity, simply because the world wants it, will have it, cannot do without it. The dyspeptic demands it as his only help; the victim of diarrhea or dysentery believes in it; the bilious sufferer dare not let one bottle run out before he gets another. Both sexes, all ages, all classes regard it as the most wonderful invigorant ever compounded. Hence the enormous demand.

L. MILLER'S

HAIR INVIGORATOR,

AN EFFECTIVE, SAFE AND ECONOMICAL COMPOUND

FOR RESTORING GRAY HAIR to its original color, without dyeing, and preventing the Hair from turning gray.

FOR PREVENTING BALDNESS,

and curing it, when there is the least particle of vitality or recuperative energy remaining.

FOR REMOVING SCURF AND DANDRUFF, and all cutaneous affections of the Scalp.

FOR BEAUTIFYING THE HAIR,

imparting to it an unequaled gloss and brilliancy, making it soft and silky in its texture and causing it to curl readily.

The great celebrity and the increasing demand for this unequaled preparation convince the proprietor that one trial is only necessary to satisfy a discerning public of its superior qualities over any other preparation at present in use. It cleanses the head and scalp from dandruff and other cutaneous diseases. Causes the hair to grow luxuriantly, and gives it a rich, soft, glossy and flexible appearance, and also where the hair is loosening and thinning, it will give strength and vigor to the roots, and restore the growth to those parts which have become bald, causing it to yield a fresh covering of hair.

There are hundreds of ladies and gentlemen in New York who have had their hair restored by the use of this Invigorator, when all other preparations had failed. L. M. has in his possession letters innumerable testifying to the above facts, from persons of the highest respectability. It will effectually prevent the hair from turning gray until the latest period of life; and in cases where the hair has already changed its color, the use of the Invigorator will with certainty restore it to its original hue, giving it a dark, glossy appearance. As a perfume for the toilet and a Hair Restorative it is particularly recommended, having an agreeable fragrance, and the great facilities it affords in dressing the hair, which, when moist with the Invigorator can be dressed in any required form so as to preserve its place, whether plain or in curls—hence the great demand for it by the ladies as a standard toilet article which none ought to be without, as the price places it within the reach of all, being

ONLY TWENTY-FIVE CENTS

per bottle, to be had at all respectable druggists and perfumers.

L. MILLER would call the attention of Parents and Guardians to the use of his Invigorator, in cases where the children's Hair inclines to be weak. The use of it lays the foundation for a good head of hair, as it removes any impurities that may have become connected with the scalp, the removal of which is necessary both for the health of the child and the future appearance of its hair.

CAUTION.—None genuine without the fac simile LOUIS MILLER being on the outer wrapper; also, L. MILLER'S HAIR INVIGORATOR, N. Y., blown in the glass.
