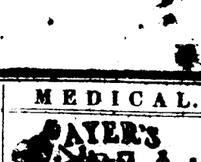
MEDICAL.



AYER'S CHERRY PECTORAL,

For the relief and Cure of

COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

TO ALL WHO WITNESS THE AGONIZING AND SUDDEN DEATHS THAT ARE DAILY CAUSED BY THE ... Cherry Pectoral, on your to be had, and wrap up warm, to prevent during the night.

FOR ACCOLD AND COUGH, take it morning, noon, and evening—according to directions on the bottle, and the difficulty will soon be removed. None will long suffer from this complaint, when they find a cure can be readily cured. For the relief when a seated cough, which breaks them. Their rest at night, will find, by taking the Cherry Pectoral, as one going to bed, they may be quiet of sound, undisturbed by coughing, and refreshed by the rest. Great relief from suffering, and an ultimate cure, is afforded to the thousands who are thus afflicted, by this invaluable remedy.

Long has unparalleled effect in these cases, many find themselves unwilling to forego its use when the necessity for it has ceased.

From two eminent Physicians in FAYETTEVILLE, Tenn., April 16th, 1851.

SIR—We have given your Cherry Pectoral an extensive trial in our practice, and find it to be superior to every other remedy we have had for the relief and cure of the pulmonary organs.

DR. DICKER & HAMPTON.

TO SINGERS AND PUBLIC SPEAKERS this remedy is invaluable, as by its action on the throat and lungs, when taken in small quantities, it removes all hoarseness in a few hours, and wonderfully increases the power and flexibility of the voice.

ASTHMA is generally made worse, and often wholly cured by Cherry Pectoral. But there are some cases ... to be perfectly cured by no medicine. Cherry Pectoral will give them, if they can be cured.

BRIGHT'S DISEASE of the Kidneys and upper portion of the lungs, may be cured by taking Cherry Pectoral, in small and frequent doses. The unconditable ... is a most welcome.

Rev. Dr. LANSING of Brooklyn, New York, states ... have seen the Cherry Pectoral cure such cases of Asthma and Bronchitis as leads me to believe it and ... fail to cure the disease.

FOR CROUP, from an emetic of antimony, to be followed by large and frequent doses of the Cherry Pectoral, will relieve the disease. If taken in season, it will not fail to cure.

WHOOPING COUGH may be broken up and soon cured, by the use of Cherry Pectoral.

The INFLUENZA is speedily removed by this remedy. Numerous instances have been seen, where whole families were protected from any serious consequences, while their neighbors, without the Cherry Pectoral, were suffering from the disease.

Salem, Ohio, 11th June, 1851.

Doctor J. C. Ayer—I was so unfortunate as to have the ... effects of your CHERRY PECTORAL in this place, and in my own family. One or my daughters was completely cured in three days of a dreadful Whooping Cough, by taking it. Dr. Martin, one of our very best physicians, freely states that he considers it ... Cough, and ... Cherry with it, they ... Dr. Martin, one of our very best physicians, freely states that he considers it the best remedy for the disease. Dr. Martin
