MEDICAL.

BULL'S SARSAPARILLA.

[illegible] put up in full quart bottles, and contains the strength of SIX TIMES as much pure Honduras Sarsaparilla as any similar preparation made in America.

☞ *Price $1 per bottle, or six bottles for $5.*

IT HAS been a well established fact for years past that Sarsaparilla, when pure and properly prepared, was the only true panacea for all diseases originating from an impure state of the blood, the use of mercury, intoxicating drinks, evil habits in youth, barrenness, &c. We boldly assert that JOHN BULL'S FLUID EXTRACT OF SARSAPARILLA is the only preparation before the public that is prepared on strictly scientific principles and of uniform strength. The Sarsaparilla is purchased without regard to price, and every pound before being used, is subjected to the strictest chemical test, and its genuineness ascertained before being used.

Bull's Sarsaparilla also contains the virtues of several other valuable medicinal roots, together forming the best compound and producing the greatest curative agent in the known world.

This medicine, when used according to directions,

Will Cure without Fail!

Scrofula, or King's Evil, Cancers, Tumors, Eruptions of the skin, Erysipelas, Chronic Sore Eyes, Ringworm, or Tetters, Rheumatism, Scald head, Pains in the Bones or Joints, Old Sores or Ulcers, Swelling of the Gland, Syphilis, Dyspepsia, Salt Rheum, Diseases of the Kidneys, Diseases arising from the use of Mercury, Loss of Appetite, Pain in the side and Shoulders, General Debility, Lumbago, Dropsy, Jaundice, Costiveness, Sore Throat, Bronchitis, Coughs, Colds, Weakness in the Chest, Pulmonary Affections, and all other Diseases tending to produce CONSUMPTION, Liver Complaint, Female Irregularities and Complaints, Low Spirits, Sick and Nervous headache, Night Sweats, Exposures or imprudence in life, Chronic Constitutional Diseases, and is a Spring and Summer drink and general Tonic for the system, and a gentle and pleasant purgative, far superior to Blue Lick or Congress Water, Salts, or Seidlitz Powders.

Good Testimony.

The Ohio State Journal, (Columbus, O.,) thus speaks of Bull's Sarsaparilla:

IT HAS NO EQUAL!—The unprecedented sale of Bull's Compound Fluid Extract of Sarsaparilla in this city, where it has been introduced for the past two months only, with the very gratifying effects produced upon all who have tried it, warrant the assertion that as a purifier of the blood it has no equal. This is a bold assertion, but it can be substantiated by calling on the agent in this city.

Bear with us reader, a little longer, and be convinced that BULL'S SARSAPARILLA is the WONDER OF THE WORLD;

And that it will cure you no matter how long you have been suffering.

What Dr. Owen, Druggist and Apothecary of several years standing, says about BULL'S SARSAPARILLA:

Louisville, May 31, 1848.

Mr. John Bull—Dear Sir: I have been for a number of years afflicted with a Mercurial headache, and a dull, heavy pain in my liver. I used almost all the remedies of the day, especially the Sarsaparilla prepared by different persons, but all to little or no advantage, until I chanced to meet with yours, three bottles of which gave me more relief than all the others combined.

I therefore take pleasure in recommending your Sarsaparilla to the afflicted community as a superior article.
Very respectfully, J. H. OWEN.

RHEUMATISM.

Let all those who are suffering under the agonizing tortures of Rheumatism read the following, and see what may also be done for them, if they will use the infallible remedy:

Mr. John Bull—Dear Sir: For the last three years I have been afflicted with Rheumatism of the severest character. I was at times in the greatest agony of pain—I tried every remedy I could procure for the disease, but found no permanent relief until I was induced to use your preparation of Sarsaparilla, which has entirely cured me of Rheumatism, and greatly improved my general health more than any medicine I have ever used.

I have been free of pain for several months and have no doubt the cure is permanent, and I confidently recommend it as being the best medicine in use for Rheumatism.
ISHAM BRIGGS,
Uniontown, Union co., Ky., May 12, 1848.

From Dr. Wm. T. Prentiss.

Mr. Bull:—In regard to your Sarsaparilla, I will say, that I have used it to some extent in Cutaneous Affections of long standing, as Tinea Capitis, Lepra, Psoriasis, Scabies, Syphilitic, Cachexia, and in all diseases where the indication of cure seems to consist in a thorough change or modification of the fluids of the body, with considerable success, in conjunction with local treatment. I think I would prefer it to any preparation of Sarsaparilla in use, and any physician will admit its value upon learning the substances that enter into its composition.
Respectfully yours, W. T. PRENTISS, M. D.
Lewisport, Ky., Dec. 4, 1847.

It is perhaps needless to procure any further testimony in favor of this great remedy. It has only to be tried and proved to convince the public of its superior efficacy. Let all who are laboring under chronic disease, general derangement, nervous debility, weaknesses, the effects of mercury, or anything of the kind, give it a fair trial. There are thousands throughout the land who stand in need of it. Let them try it, and we assure them that they will not regret it.

NOTICE TO FEMALES.

John Bull's Sarsaparilla is one of the greatest Female Medicines known in existence. In those numerous cases where the constitution is debilitated, the nervous energy is lessened, when the cheerful nature are weak and deficient, or are profuse and overwrought, when the face is pale and colorless, the strength feeble and yielding, the spirits troubled and depressed, the health broken, mind shaken and consequently the happiness destroyed—then Bull's Sarsaparilla is a sovereign remedy. It assists nature in the performance of her duty; braces the whole system, renews permanently the natural energies, removes obstructions, checks excesses, creates pure and healthy blood, and imparts health and happiness. Were ladies generally to adopt the use of this medicine, we would see far less suffering and unhappiness among them than now exists. Health would take the place of disease, the rosy check would succeed the pallid face; we should have smiles instead of tears, and perhaps a happy long life, instead of suffering and affliction. At that critical period termed the "Turn of Life," which is often attended with so much danger, Bull's Sarsaparilla is found to exert a most beneficial effect. All ladies approaching this crisis should be supplied of this fact, and avail themselves of this valuable medicine.

A BEAUTIFUL CLEAR SKIN.

How we all admire a clear, beautiful white skin, and a rosy colored cheek. How often do we see persons not possessing this desideratum to so great a degree as to be wished, resorting to cosmetics, lotions, washes, paints, and coloring materials to restore to them a substance of that which disease has deprived them of, and that too often times, to the manifest injury to the skin. The fact is, Bull's Sarsaparilla is the best known. It makes the skin clear upon the surface, and as possessing all the ingredients which serve to clear the pores and check a perspiration, but by renewing and purifying the blood, ... to refresh the [illegible] freshness of youth. It is the medicine to be used to be prized and cultivated at this fact, they would abandon the use of paints, mixtures and lotions, and use this article of Sarsaparilla. "A word to the wise is sufficient," and a hint enough to the ladies.

BETTER TESTIMONY.

From Dr. James M. Moore.

Mr. John Bull—I have no hesitation in saying that I believe your Sarsaparilla to be the best article ever manufactured for the cure of Scrofula, Syphilis and many other Cutaneous and Glandular Affections, having used it with entire success in a number of the above.
JAS M. MOORE.

Louisville, Dec 25, 1847.

More Testimony from Dr. Moore.

Mr. John Bull—I am using your Sarsaparilla in several new cases of Scrofula, and with happy effect. I am now confident it is one of the most efficacious medicines that can be made for that disease.
Yours,
JAS. M. MOORE, M. D.

Winchester, Ky., Feb 1, 1848.

Testimony like the following renders superfluous all further comments on the efficacy of Bull's Sarsaparilla.

From Dr. L. P. Yandell, Professor of Chemistry in the Louisville Medical College.

"I have looked over the list of ingredients composing John Bull's Compound Extract of Sarsaparilla, and have no hesitation in saying that they form a safe compound, and one that promises well in chronic diseases to which it is applicable.
L. P. YANDELL, M. D.
Louisville, June 6, 1848.

What Dr. Pyles, Physician, by appointment to the Louisville Marine Hospital, says of Bull's Sarsaparilla.
Louisville, May 30, 1849.

I have examined the prescription for the preparation of John Bull's Sarsaparilla, and believe the combination to be an excellent one, and well calculated to produce an alterative impression on the system. I have used it both in public and private practice, and think it the best article of Sarsaparilla now in use.
M. PYLES, M. D.,
Resident Physician, Louisville Marine Hospital.

From the People's Journal, Quincy, Ill.

BULL'S SARSAPARILLA.—We have used one bottle of this Sarsaparilla for general debility and lumbago, and believe we have experienced entire relief. We used in time gone by, two bottles of S. P. Townsend's Sarsaparilla, for which we paid $2 50, and believe we received injury instead of benefit from its use.

This medicine is daily grappling with disease, through the western country, restoring to blooming health and youthful vigor, the sick and afflicted—nay, those that are grievously tormented. Certificates are teeming from all directions, from men of truth and high moral standing, placing it, from its intrinsic worth, the very best of all remedies before the public.

Sold wholesale and retail by JOHN BULL, at his principal office, 81 Fourth st., Louisville, Ky., and by the Druggists generally in the city and country.

INSTITUTIONS.

ST. LOUIS INSTITUTION.

DIRECTED BY
MADAME E. DERON,

No. 143 St. Louis street, between Dauphine and Burgundy streets—New Orleans.
SCHOLASTIC YEAR 1851—'52.

THIS Institution which for the last twelve years, has followed a constant career of progress and prosperity, has resumed its usual course of studies since the 1st September.

Madame DERON, formerly a pupil and professor of the "Maison Royale de St. Denis" and a graduate of the University of France, has endeavored to profit by the experience which she has acquired in the United States, to place her Institution in the first rank of educational establishments in America.

Madame DERON, exclusively devoted to her pupils, applies herself not only to the elevation of the mind, but also to the formation of the heart. She strongly desires that the young ladies confided to her care may be remarked for all those valuable qualities which constitute a really good education, such as the spirit of order and decorum, amiability of temper and solidity of judgment, mildness of manners and a sympathising disposition, and finally easy grace and reserved propriety of manners. In order to obtain these results, Madame Deron has always employed as auxiliaries both firmness and mildness, the constant use of emulation, and especially rewards for application and regularity in study. She is seconded by her sister-in-law, Mademoiselle DERON, who, like herself, has always followed the career of instruction; these two ladies watch with the greatest zeal over the daily progress of the pupils.

The locality of the institution well known and appreciated in New Orleans, as one of the most suitable and salubrious in the city is perfectly well arranged; the class and study rooms and dormitories are spacious and airy, looking over several gardens, and there are besides a handsome yard and a terrace sheltered from the sun and intended for the recreation of the pupils.

The general instruction is given both in French and English; it embraces all the branches which constitute a finished education for young ladies. The English language is the object of especial care, the creole pupils are required in their communications with each other, and with their professors, to speak the English language exclusively.

Mr. Orton who has been attached to the Academy from its foundation, devotes a great part of his time to impart to the pupils of the higher classes a thorough knowledge of the English language and literature, the other classes are instructed by well qualified American governesses.

Madame Deron has reserved to herself the direction of the French classes. She has besides secured the assistance of an excellent Professor of the higher sciences, Monsieur H. Jogon who divides with Madame H. Deron and Mademoiselle Deron, the care of the French department.

The Spanish language forms a part of the system of study.

With respect to religious instructions M. l'Abbe Tholomeer, whose zeal is so justly appreciated, continues to prepare the pupils for their first communion in the chapel of the institution.

MUSIC:

The study of Music is the object of particular care. Madame Laviliebeuvre, an artist of the highest order is attached to the institution as Professor of the Piano and Harp. A course of Vocal Music by one of the best Professors of the city.

As a means of emulation the institution has adopted monthly musical examinations at which parents are invited to be present.

A Professor of Dancing is attached to the establishment. s26

Young Ladies' Academy.

MME. PARENT has removed her institution to Customhouse street, between Royal and Bourbon, No. 86, the house heretofore occupied by M'me. Granet, and is ready to receive boarders, half boarders, and day scholars. There is a very large yard together with a garden for the young ladies to amuse themselves. The apartments are vast and well-aired. There is every advantage and inducement offered to parents, as to the moral and intellectual cultivation of the minds of their daughters. The best Professors are employed. Every branch of a solid and refined education, is taught in both languages, and accomplishments such as Drawing, Painting, Embroidery, &c.

Professor Auchmuty one of the principals of the Franklin High School, has charge of the higher English classes and Professor Gilbert of the Mathematical branches.

Mr. Gembrel has been engaged as a Teacher of Vocal Music.

For terms, apply at the institution. Parents are permitted to visit this institution on Sundays.
