WILLIAM W. THOMPSON'S PATENT IMPROVED *LEADEN PIPES.*

THE manufacturer, residing in St. Louis, Missouri, invites the attention to the excellence of his leaden pipes made by a new and patent process, (to which he has the exclusive right to the entire district of country west and south-west of the Allegheny Mountains,) of a better quality than can be produced by any other known method.

The patent pipe is remarkable for its uniformity of thickness, the accuracy of the bore, the perfect polish of the interior surfaces, the absence of seams and flaws, and the very long length in which the pipe is made, without a joint, for in several cases sixty feet or more. These advantages will be evident to any body upon examination.

Besides his usual sizes from one-eighth to five inch in bore, he manufactures also, for the use of farmers and others, very light leaden pipes for conducting water from spring at long distances under slight pressure or head of water, and for other purposes.

STATE OF LOUISIANA—Commercial Court of New Orleans—The State of Louisiana, to all whom these presents shall come, greeting:

Whereas, William Amédée Gasquet and George Morgan having purchased at a sale made by the sheriff of the Commercial Court of New Orleans the property hereinafter described, has applied to the clerk of this court, in whose office the deed of sale was recorded on the 26th day of July, A. D. 1843, for a monition or advertisement in conformity to an act of the Legislature of the State of Louisiana, entitled: "An act for the further assurance of titles to purchasers at judicial sales;" approved the tenth day of March, 1834.

Now, therefore, know ye, and all persons interested herein, are hereby cited and admonished in the name of the State of Louisiana, and of the Commercial Court of New Orleans, who can set up any right, title or claim in and to the property hereinafter described, in consequence of any informality in the order, decree or judgment of the court under which the sale was made, or any irregularity or illegality in the appraisements and advertisements, in time or manner of sale, or for any other defect whatsoever, to show cause, within thirty days from the day this monition is first inserted in the public papers, why the sale so made should not be confirmed and homologated.

The said property was sold by the sheriff of the Commercial Court of New Orleans on the 3d day of July, A D 1843, by virtue of four decrees of this court, rendered on the 12th day of June, A. ODONTALGIC EXTRACT

B. F. SMITH, No 110 St. Charles street,

CONTINUES to relieve the most violent Toothache in a few moments, and at the same time entirely destroy the nerve in less than 24 hours positively without pain. The public should be aware, however, that this remedy is not offered as a Universal Panacea, it being only successful when the pain proceeds from an exposure of the internal membrane or nerve.

For the truth of the above statement, the sceptical are referred to the following highly respectable gentlemen most of whom can speak from their own experience.

Rev. W. A. Scott,	Dr. W. H. Tengarden
J. W. Stanton,	J. E. Orerelly,
C. P. Young,	G. W. Tobin,
E. Morton Quirk,	W. H. Wheaton,
H. Williams,	W. G. Latham,
E. B. Orsborne,	D. Flaunery,
H. Page,	L. Morehead,
	W. Sigerson.

By first destroying the nerve with this remedy the excruciating pain frequently caused by inserting pivot teeth upon the old method, is entirely avoided.

All other operations carefully performed. m3

INVALUABLE REMEDY FOR DISEASES OF THE CHEST.—Pectoral Syrup and paste of Calve's lights, by Degenetais, Druggist and Chemist at Paris.

Of all the preparations intended to cure diseases of the chest, none has obtained so brilliant a success as the Pectoral Paste above indicated.

This Paste immediately removes all irritations of the breast, facilitates expectoration, instantaneously assuages paroxysms of coughing, and a hooping cough. Catarrhs and inveterate cold yield immediately under its influence, in a word it is a most prompt and efficient remedy for a acute and chronic affections of the chest and air passages.

Be cautious not to confound Degenetais' Paste with that of Iceland Moss.

The Paste and Syrup of Calves Lights may be found in all the Druggists in New Orleans. General depot for whole sale at J Tardos, No 329 Royal street, whose signature is affixed to every box.

FIRE PROOF IRON SAFES—There can be no greater evidence of the high estimation by the public of Wilder's Patent Salamander Safe than the fact, that since the invention of these Safes and their subsequent trials and tests, almost every thing made for the purpose of holding books and papers are called by the makers and venders by the name of Salamander Safes.

The following gentlemen composed a Committee of Merchants at the trial of safes in a blast furnace near the foot of Wall street, and decided in favor of Wilder's Patent Safe which was the only one that stood the test, viz:

Messrs. WADSWORTH & SMITH, BALDWIN & CO, MINTURN & CO, CHAS. H. MARSHALL, Esq.

Wilder's Salamander Safes, which have never failed to preserve their contents in case of fire, are to be had only of SILAS C. HERRING, General Agent, No. 139 Water st, N. Y,
