CORNS!...............................CORNS!!
TO THE AFFLICTED.

MR. R. SIMMONS, who has successfully practised as a chiropodist, in the principal cities of Great Britain for the last ten years, offers to those citizens and the public generally who are afflicted with corns and other excrescences on the feet, a speedy, effectual and certain relief from all their sufferings. After devoting much time and attention to the subject, he has succeeded in inventing a small chemically prepared rasp, by the sole use of which, he can, without the slightest pain, easily reduce to powder, the most obdurate callosity, thereby avoiding all dangerous cutting and the use of caustic and other injurious preparations, ordinarily used by humbugging impostors. Mr. S. feels well assured that a single trial will suffice to convince the most skeptical that *this* is not to be classed with the many humbugs of the day. Numerous testimonials from persons of the first respectability in England, can, if required, be furnished, proving the entire success of this new invention. These small instruments may be sold by every person with perfect safety—they are for sale singly or by the quantity. Persons desirous of his services will, by communicating their address to Mr. S. through the post office, care box B. No. [illegible], be promptly waited on at their own dwellings. oct15-1m

IN virtue of an order of sale under date the 25th October, 1847, and to me directed by the Hon. the Second Judicial District Court for the Parish of St. Bernard, in the said [illegible] I will publicly sell at the St. Louis Exchange in the City of New Orleans, on the [illegible] day of December, 1847 [illegible] noon, for the account of said successions—

A Sugar Estate, situated in the Parish of St. Bernard, at a distance of two miles from the [illegible] river, measuring [illegible] front on the [illegible] of the River, bounded by [illegible] [illegible] the said estate having one sugar house [illegible].

[illegible]

The whole to be sold in one lot, on the following terms and conditions viz:

1. The purchaser to assume the payment of a sum of $[illegible] due to the Union Bank of Louisiana, on a stock loan, which debt secured by the mortgage of said property, matures on the 1st June, 1850, and is payable at the office of said bank.

2. Seven thousand dollars, which the purchaser may either pay in cash or by giving his notes payable from year to year until the 1st June, 1852, on the yearly payment of an interest at the rate of 8 per cent per annum, from the date of the adjudication.

3. Seven thousand dollars due to Pierre d'Argent, on an hypothecary obligation consented by an act passed before Octave Rousseau, the parish Judge of the Parish of St. Bernard, on the 20th June, 1845, which obligation though due on the 12th June, 1846, was prolonged up to the 12th June, 1852, on the annual payment of an interest at the rate of 8 per cent per annum, from 12th June, 1847, up to which time the said interest has been paid. The payment of this debt is to be assumed by the purchaser.

Six thousand dollars in ready money, and the balance in four equal instalments at one, two, three and four years, in satisfactory endorsed notes to the satisfaction of the administrators of said successions, to be made by a person having mortgage on the property until said payment; and should any of said notes be not punctually paid at their respective maturity, then the same to bear an interest at the rate of 8 per cent per annum until paid.
