I. X. L. NOURISHING REMEDY

INVENTED AND PREPARED

BY P. MAKMAY.

THE inventor of this new and invaluable remedy has taken patents in France, England, Scotland, Ireland, Belgium and the United States.

The most chronic constipation yields to the daily use of the Invigorating Gruel.

It is a precious Discovery for old travelers.

The astringent effects ordinarily resulting from Tonics, Bitters and Vermifuges, so valuable in many cases, are modified by the use of the Invigorating Gruel, which can without fear be given to persons of the most delicate stomachs.

This Invigorating Gruel has been tried by distinguished physicians, and it has been used triumphantly in every disease of the stomach, such as Dyspepsia, Gastritis, Heartburn, Megrims, Sick Headache, Pains in the Stomach, Costiveness, Vomiting, Chronic Diarrhea, &c., &c.

The Invigorating Gruel is taken in different ways: with a broth—with salt or sweetened milk—with or without the orange flower water. A spoonful of it is sufficient, and should be put to boiling milk and remain 15 or 20 minutes.

☞ To be taken morning and evening.

☞ TO COTTON PLANTERS.

I TAKE pleasure in announcing that Messrs. MAN DEVILLE & McILHENNY are my authorized agents in this city to make contracts for the use of

MY INVENTION

OF THE SEED COTTON ON PLANTATIONS AND ALL BUSINESS IN RELATION TO IT.

I will only say here that I make the same superb the cotton in the seed, and at the same time I expose it, very easily that new gains, also and bales the cotton, to split it, that with the addition of machinery costing about one-half what the increased value of the yield of the first year will be, and which is attended by no gain of labor, the planter will realize an amount of money more than sufficient to pay all DOUBLE OR MORE THAN DOUBLE THE PLANTER'S NET INCOME.

We gain the best yarns in the world. The planter from the first year can be immensely benefited with many other advantages of great value. And what is of great importance, that all this is fully demonstrated by the practical working of it on the plantation of Gen. H. Tegerwa, near Yazoo City.

Planters desiring more full particulars are referred to my agents, as above.

Applicants for agencies will please address them, in closing testimonials.

AYA PANA BITTERS.

Manufactured by J. Chauvet.

THESE BITTERS which are confidently asserted to be a sure antidote against the usual attacks of cholera, fever and diarrhea, will be found an admirable beverage when taken moderately, before or after meals. It purifies the alimentary canal, and facilitates digestion.

These BITTERS are composed exclusively of the extract of aromatic plants, and possesses the most active properties to counteract indisposition to fever, and to the hepatic and gastric disturbances caused by a change of climate, and to be as a general and frequent being of indisposition. They are likewise a Febrifuge, and are prepared by experience to neutralize the effect of miasma on the system.

We might publish a host of certificates to substantiate our assertions, but this method is so commonly employed by charlatans that we deem it more advisable to refer to the numerous persons who daily make use of the AYA PANA BITTERS.

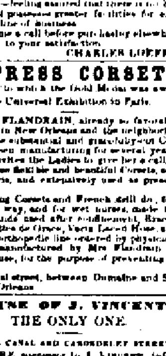
PECTORAL BALSAMIC SYRUP



It is now thirty years since this truly valuable Syrup was first offered to the public, and although it has never "puffed," yet even calculatedly advertised, it has, by its own merit, gained an imperishable reputation, and is daily increasing in popularity. Under most of the celebrated medicines of the day it will not cure "all the ills that flesh is heir to," but it is invaluable in all diseases of the breast, chest and lungs, such as colds, coughs, catarrhs, bronchitis, inflammation of the throat, spitting of blood, whooping cough, influenza, &c.

In all affections of the lungs, verging on

CONSUMPTION,

it has been found to prevent that dreadful scourge, wherever timely resorted to.

It has also been found beneficial in many cases of rheumatism, diarrhea, dysentery, summer complaints, and especially in those cases of "Grippe," which for want of proper names, so often degenerate into confirmed Consumption.

The proprietor could publish hundreds of certificates establishing the efficacy of the PECTORAL BALSAMIC SYRUP, but this mode of recommendation has been so much abused that the remaining public attach little or no faith in these certificates. The proprietor is, therefore, willing to let his Syrup stand upon its own merits.

It is not only the BEST, but the most pleasant preparation ever offered to the public, indeed it is so palatable that even children take it without the least difficulty, and it requires no particular diet.

IT IS ALSO THE CHEAPEST,

because the bottles not only hold more Syrup than any other, but, owing to its peculiar composition, this Syrup will keep for years without fermenting, and can be used in families as required, by simply keeping the bottle corked.
