COLDS, IRRITATIONS, INFLAMMATIONS,
BRIANT'S ANTI-PHLOGISTIC SYRUP

PATENTED—Regd. Trade Mark, No. 157, Briant's Drug Store.

This SYRUP, PREPARED SPECIALLY for the treatment and prompt CURE of the above-named disease, has been prescribed for upwards of thirty years, without most success, by the most distinguished Physicians of the Academy of Medicine and Professors of the Faculty in Paris, particularly by Messrs. FOUQUIER, DUBOIS, GUERSANT, and others. The illustrious VAUQUELIN gave it his unqualified approval.

A PATENT has been delivered to the discoverer, AFTER AN EXAMINATION by Messrs. THENARD, GAY LUSSAC and ARAGO, members of the Institute of France, and a GUARANTEE DEPOSIT executed by the Royal Academy of Medicine, to which it is acknowledged to possess all the properties of pectoral syrups. Quite recently, Messrs. CHEVALIER, O. HENRY and LASSAIGNE, well known chemists, called upon to make a report on BRIANT'S ANTI-PHLOGISTIC SYRUP before a court of justice, have declared: THAT THIS SYRUP IS PREPARED FROM PLANTS, THE PROPERTIES OF WHICH MAKE IT EMINENTLY FAVORABLE TO THE CURE OF DISEASES OF THE CHEST.

Briant's Syrup is also used with equal success in cases arising from all kinds of IRRITATIONS and INFLAMMATIONS, such as COLD, SPITTING OF BLOOD, CROUP, HOOPING-COUGH, DYSENTERY, &c., &c.

N. B.—Every bottle of this Syrup, if genuine, comes from the pharmacy of L. LAMOUROUX and PUJOL; the label bears the signature of BRIANT, their predecessor. The glass is green, and is stamped: VERBERIE DE MAGNIERES and BRIANT, Paris. Label printed by MALTESTE; metallic cap, made by DUPRE, bears the seal of BRIANT. Prices and Instructions, bearing same mark and seals, are sent with each bottle.

A prompt modification of the urine takes place, as a chemical analysis will prove, and the uric acid disappears and no longer is doubled in its proportion by the action of the ANTI-GOUTY WINE. Each bottle is contained in a box wrapped with a label, bearing the inventor's signature. Price, 1½ frames.
