Galvanic Rings and Magnetic Fluid.

THIS remarkable discovery which has attracted so much attention in Europe and recently in the Northern States is now introduced for the first time to the citizens of New Orleans. It comprises an entirely safe and simple application of the Mysterious Power of Galvanism as a remedial agent. The Galvanic Rings in connection with the Magnetic Fluid have been used with the most perfect success in all cases of RHEUMATISM acute or chronic, applying to the head, face or limbs; *Gout, Tic Doloreux, Tooth Ache, Bronchitis, Vertigo, Nervous or Sick Headache, Indigestion, Paralysis, Palsy, Epilepsy, Fits, Cramp, Palpitation of the Heart, Apoplexy, Stiffness of Joints, Spinal Complaints, Lumbago, Neuralgia, Nervous Tremors, Dizziness of the Head, Pain in the Chest and Side, General Debility, Deficiency of Nervous and Physical Energy, and all Nervous Disorders.* In cases of Dyspepsia, which is simply a nervous derangement of the digestive organs, they have been found equally successful. The Rings are of different prices being made of all sizes, and of various ornamental patterns, and can be worn by the most delicate female without the slightest inconvenience.

The Galvanic Belts, Bands, Bracelets,

Are modifications of the invention, and are recommended in more chronic cases of disease, where the Rings do not possess sufficient intensity or power. They are adapted to the waist, arms, wrists, ancles, chest, or any part of the body with perfect ease. Any Galvanic power that is required may thus be obtained, and no complaint which the mysterious agent of Galvanism can effect, will fail to be permanently relieved.

Christie's Magnetic Fluid.

Is used in connection with the Rings and their modifications. This composition has been pronounced by the French Chemists to be one of the most valuable discoveries of modern science. It is believed to possess the remarkable power of *rendering the nerves sensitive to Galvanic action,* by this means causing a concentration of the influence at the seat of disease, and thus giving rapid and permanent relief.

Christie's Galvanic Strengthening Plaster.

These articles form an important addition to the Galvanic Rings, acting upon the same principle, but having the advantage of more local application. *As an effectual means for Strengthening the system when debilitated by disease or other causes, as a certain aid in constitutional weakness, as a preventive for colds, and in all affections of the chest generally,* the GALVANIC STRENGTHENING PLASTER will be found of great and permanent advantage.

None but certificates and testimonials from many distinguished physicians and others of the North have been received by the Proprietor. These are all from persons of the highest respectability and may be seen on application to the Agent.

The public are respectfully warned against SPURIOUS IMITATIONS of these articles. Dr. CHRISTIE has but one authorized Agent in each city of the Union. GUION & Co., corner of St Charles and Canal streets, are the sole Agents for New Orleans, of whom alone the genuine articles can be obtained. j20—1m

SANDS' SARSAPARILLA.

FOR THE REMOVAL AND PERMANENT CURE OF ALL DISEASES ARISING FROM AN IMPURE STATE OF THE BLOOD, OR HABIT OF THE SYSTEM.

THE functions of circulation, nutrition and excretion are manifested when life is reduced, as in the plant, to its simplest condition; and these must, therefore, be its essential action. Between the apparatus by which these necessary physical processes are carried on, there is a reciprocal action, and if one portion of the animal machine is out of order, the harmony of the whole system is deranged. The great desideratum in medicine, therefore, is a preparation which shall act with equal certainty and force upon each one of this triad of functions—which shall, as the case may require, restore health and vigor to the circulation, give tone to the stomach, or remove obstructions from the bowels. If is confidently averred that SANDS' SARSAPARILLA possesses this three fold power, and that by thus acting on the primary causes of disease, it eradicates thoroughly and permanently the various painful, dangerous, and disgusting manifestations. From a simple eruption of the skin, to hereditary scrofula, and from dyspepsia to gout and inflammatory rheumatism, it will be found equally efficacious.

The following certificate exemplifies, in a most remarkable manner, the great medical value of the Sarsaparilla in a severe case of Scrofulous affection.

NEW YORK, July 4th, 1845.

Messrs. A. B. & D. SANDS

Gentlemen,—It is impossible for me to describe the value and benefit your Sarsaparilla has been to me. I have been afflicted with violent ulcers more or less, for the last seven years, especially in the summer season. At first they appeared in small bunches on various parts of my body, and then increased in size, attended with acute pain, until they would at last break and discharge large quantities of matter, forming ulcers, which soon ate small holes down to the very bone. My sufferings were intense. I consulted the most eminent physicians in the city, and but little benefit. During the winter I would get some better, but when spring came they returned as bad as ever, and I felt convinced in my own mind that it would be impossible for me to live another summer after suffering as much as I did the last, but the Lord has spared me from one year to another until at last heard of your Sarsaparilla. For about four months previous to my taking your Sarsaparilla, I could not sleep, but a little while at a time either day or night, and at times it seemed as though I should die with pain and for the want of sleep. I dreaded the return of night, being obliged to sit up most of the time, and frequently on retiring to rest, I thought my children would find me dead in the morning. After I commenced using the Sarsaparilla, and before I had quite taken the third bottle, I awoke one night, and feeling no pain, I thought I was dying, and resolved in mind to rise up to see if I had any strength. Finding no difficulty in doing so, and after sitting up a short time, I found that I felt much better and I continued to improve until there is now not a pain about me, while before it seemed as if my joints would part with pain. My appetite and strength increased and I was soon able to attend to my domestic duties, and now my ulcers are all healed, and my general health and strength is fully restored, all of which I ascribe to the use of your Sarsaparilla. Your obliged friend, SARAH ELLISON.

The following letter, received from Capt. Garrow, a gentleman well known and of the highest respectability, residing at Mobile, shows conclusively the value and efficacy of Sand's Sarsaparilla in cases of chronic rheumatism.

MOBILE, (Ala.) July 3d, 1844.

Messrs. SANDS—*Gents.*—I was afflicted for more than ten years with rheumatism, and it is with pleasure I avail myself of this opportunity to express to you the salutary effect your Sarsaparilla had on me. In January, 1842, I purchased of your agents, Messrs. Mosley & Tucker, five bottles, which I took agreeably to the printed directions, which entirely removed the complaint, and I have now every reason to believe my health is permanently recovered.

Yours, very respectfully, S. H. GARROW.

For further particulars and conclusive evidence of the superior value and efficacy, see pamphlets, which may be obtained of agents gratis.

The public are respectfully requested to remember that it is Sands' Sarsaparilla that has and is constantly achieving such remarkable cures of the most difficult class of diseases to which the human frame is subject; therefore ask for Sands' Sarsaparilla [illegible]
