BE WARE OF COUNTERFEITS!

WHEREAS I have lately understood that a certain individual is now preparing and now vending throughout the United States, an imitation of my celebrated *Catholicon,* purporting to possess the same virtues, and as it is presumed it will be for sale in the city of New Orleans, the public are particularly cautioned against purchasing it. It is supposed to be similar to the Rob of l'Affecteur, or Syrup de Cousinier, which contains *corrosive sublimate,* and calculated to do much mischief. I trust the unsuspecting will be on their guard against these frauds, and purchase of no other persons but F. P. DUCONGE and MORGAN & Co. who are my only authorized agents for New Orleans, and from whom the *Genuine Potter's Catholicon* can be had fresh from my factory at Philadelphia.
WM. POTTER,
Ninth street, Philadelphia.

POTTER'S CELEBRATED CATHOLICON,
Only $2 per Bottle.

☞ The component parts of this medicine are purely *Vegetable*—it is therefore one of the safest in the world! *A SOVEREIGN REMEDY*

In diseases of the Liver, Ulcerated sore Throat, Debility resulting from Intemperance and Dissipation, Scrofula and King's Evil, old and inveterate Ulcers, pains in the Bones, Rheumatism, Dyspepsia, or indigestion, diseases of the Lungs, Syphilis, blotches on the Face and Skin, white swelling of the Joints, Tetter, Mercurial diseases, Piles, &c.

The certificates of wonderful cures performed by the Catholicon, have become so numerous as to preclude their insertion in any news-paper.—The unrivalled and very extensive character which it has enjoyed, for the last six years, as a complete renovator, and *purifier* of the *blood* and *humors,* both in Hospitals and in private practice, is a substantial basis for its future support. It has obtained its present great distinction by the extraordinary success which has attended it in the healing art, while every avenue and track have been searched in vain for its parallel: its discovery is one of the most sacred boons that can be afforded to the unfortunate martyr of disease, and it is most sincerely hoped that the sympathy of the public will be aroused to the promulgation of its inestimable merits. Proofs of the value of Potter's genuine Catholicon:—its healing powers: its usefulness as a general restorer of health: the city of Philadelphia alone could furnish thousands of witnesses, to contradict the base and malicious fabrications which daily emanate from the jealous.

What, we would ask, can be a stronger proof of its utility, than its success in the Pennsylvania Hospital, Philadelphia Alms House, and the Philadelphia and New York Penitentiaries, and in other public institutions alike serviceable, where the eminent skill which presides over them had been exhausted in vain. *"These facts speak trumpet tongued"*—and *cannot be gainsaid.* It is much to be lamented that there are so many spurious mixtures manufactured in imitation of this invaluable medicine, some assuming to possess equal virtue, and vended under the same titles—some have gone to the daring extremity of refilling the old bottles with the labels on; whilst others, to fleece the public, have published for their benefit the very *certificates* which the proprietor of the *Genuine Catholicon* had obtained from those who were cured by his medicine, of various distressing diseases.

Thus has he been assailed in every form by Envy, Jealousy and Fraud; and thereby prevented extending the usefulness of this great and long wished for remedy.

Just received, direct from the manufactory of the proprietor, a fresh supply of the *Genuine Potter's Catholicon,* and for sale at the wholesale and retail Drug, Medical and Chemical Warehouses of M. MORGAN & Co.
