MISCELLANEOUS.

A CARD.

C. DUHAMEL,

OPTICIAN and MANUFACTURER, No. 86 Chartres street, a resident of this city for upwards of sixteen years, well known in this and the neighboring States for the quality of his Spectacle Glasses, Optical Instruments and others, an extensive assortment of which he has constantly on hand, begs he has deserved, by a long experience in the line, the confidence of his customers and of the public. The testimony of almost all the distinguished families and most widely known savants in the country would be given in his favor, if called for, but he prefers stating merely the following facts:

Mr. C. DUHAMEL offers to persons in want of Spectacles, Rock Crystal, Periscopic Glasses, (Wolaston pebbles) the best that can be manufactured, at $4 a pair, without the frame. The quality of these Glasses, called, by some, SCOTCH PEBBLES, BRAZILIAN PEBBLES, ARKANSAS PEBBLES, &c., does not vary according to the country whence they come, but according to the purity and clearness of the stone whence they are drawn—to the regularity of the curve and the finish imparted to them by a skillful artist. In this respect, Duhamel's glasses are inferior to no other glasses.

The prices are invariably as follows:
A pair of rock crystal glasses, with frame
Gold frame, $12 to $2.
Steel frame, $4 to 5.
Silver frame, $6 to 10.
The glasses only, $4.
Fine ordinary spectacle glasses, $1 a pair.
Fine Periscopic glasses, concave and convex, $1 50 a pair.
A pair of steel spectacles, with fine ordinary glasses, $1 50 to 3 50 a pair, according to the quality of the frame.
A pair of gold spectacles, with fine ordinary glasses, $7 to 18.
All fancy spectacle frames are offered on very moderate terms.

Mr. D. begs leave to remark that, in his opinion, and in the opinion of many competent and experienced persons in the line, rock crystal glasses are superior in one respect only to fine glasses properly manufactured; They are harder, and their surface remains smooth much longer, but are not better than others as far as the preservation of the sight is concerned.

Mr. D. is agent for Desbordes' Steam gaugers. Owners of steam workshops and others are invited to try them, they are perfect in every respect, and are offered on reasonable terms.

Also on hand, the following, and many other instruments:

Theodolites; Surveyors' Compasses; Levels; Pocket Compasses; Graphometers; Transits and other Mathematical Instruments; Telescopes; Barometers; Thermometers; Liquor Gaugers; Saulphite Gaugers; Hygrometers; Weights and Scales; Microscopes; Polyoramas; Dioramas; Stereoscopes; Views, &c. for Magic Lanterns; Pneumatic; Electric and Electro-magnetic Instruments; Phantasmagorias, and a large assortment of double Opera Glasses. dec18

MAGNETISM.

M'ME ALLUARD,
FRENCH SOMNAMBULIST,
No. 331, Bourbon Street, Between Ursulines and Hospital.

TREATMENT of all kinds of chronic diseases which ordinary remedies have failed to cure, and especially of desperate cases of nervous affections.

M'me Alluard, for many years under the direction of Dr. Poupard, in France, may be consulted at her residence and calls on patients wherever her services are required.

The direct application of magnetism by Mr. Alluard, assisted by M'me Alluard, has been followed by numerous cures; the fact is unquestionable. Out of a thousand cases of nervous diseases, eight hundred at least are almost instantly cured by this extraordinary SOMNAMBULISM; sufferers should hasten therefore to avail themselves of M'me Alluard's services.

The New Orleans Press have often recorded the radical cure of cases of seventeen years' standing. The "Louisiana Courier," the "Daily Crescent," the "Delta," "True Delta," "National" and "Bee," published in 1855 and 1856, letters from well known and highly respectable persons, whose testimony cannot be doubted, tendering their heartfelt thanks to M'me Alluard, and fully acknowledging her wonderful success.

The same papers also spoke very highly of the surprising magnetic experiments by M'me Alluard, under the direction of her husband. See the Courier of December 17th 1853 the Bee of November 27th, 1854, and the Crescent of May 29th, 1855.

It is to be regretted that all the cures effected by M'me Alluard cannot here be stated, but the nature of certain diseases renders this course necessary. The fact, however, is now acknowledged that patients can be permanently cured by M'me Alluard.

A Somnambulist offering such guarantee as these, and who has constantly been successful, is certainly entitled to the confidence of those whom ordinary remedies have failed to cure. Those remedies are powerless in cases of nervous diseases, which are cured by magnetism as are also in cases of epilepsy, hysteria, fever and ague, bilious and brain fevers, typhoid and malignant fevers, yellow fever, headaches, heartburn, cramp in the stomach, gastritis, gastralgy, palpitation of the heart, fainting, asthma, complaint, spleen, jaundice, colics, diarrhœa, costiveness, hemorrhoids, hemorrhage, spitting of blood, giddiness, failing of the womb, suppression of the menses, humors in the breast, consumption, pulmonary catarrha, cutaneous diseases, tetters, itch, wounds, sores, rheumatism, deafness, ophthalmy, inflammation of the eyelids, dislocations, sprains, tapeworm and other worms, &c.

The above diseases are daily cured with the greatest ease by M'me Alluard, and the public is informed that she is the ONLY SOMNAMBULIST who can see, notwithstanding the complete exclusion of light.

Persons desirous of witnessing this phenomenon are invited to call at the residence of M'me A., and agree on the time for magnetic experiments. No ones will be deceived.

Admittance 50 cents.

M'me Alluard may be consulted daily.

LIVER COMPLAINT, DYSPEPSIA,
Jaundice, Chronic or Nervous Debility, Diseases of the Kidneys, and all diseases arising from a disordered Liver or Stomach.

Such as Constipation, Inward Piles, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and difficult Breathing, Fluttering at the Heart, Choking or suffocating sensations when in a lying posture, Dimness of Vision, Dot of webs before the Sight Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil and great Depression of Spirits.

The proprietor, in calling the attention of the public to this preparation, does so with a feeling of the utmost confidence in its virtues and adaptation to the diseases for which it is recommended.

It is no new and untried article, but one that has stood the test of a ten years' trial before the American people, and its reputation and sale is unrivalled by any similar preparations extant. The testimony in its favor, given by the most prominent and well known Physicians and individuals in all parts of the country, is immense, and a careful perusal of the Almanac, published annually by the proprietor, and to be had gratis of any of his agents, cannot but satisfy the most skeptical that this remedy is really deserving the great celebrity it has obtained.

Principal office and manufactory No. 96 ARCH Street, Philadelphia, Pa.

Testimony from Louisiana.

HOOFLAND'S BITTERS SUPERIOR TO ALL PREPARATIONS NOW IN USE.

JACKSON, La., August 15, 1854.

DEAR SIR—"I feel bound to express my gratification to you for the incalculable benefit I have derived from the use of two bottles of your German Bitters. I have found them to be all you recommend them to be, and cheerfully recommend them to the public as a safe and sure remedy for the diseases they are intended for, and superior to all other preparations now in use." Very respectfully yours,
H. OPPENHEIMER

THE BITTERS ALL THEY ARE REPRESENTED TO BE.

JACKSON, La., August 20, 1854.

DEAR SIR—"I have used your German Bitters and find them all they are represented to be, and cheerfully recommend them to the public as an excellent medicine." Respectfully yours,
W. P. FAULKNER.

I. MAYER says:

HARRISONBURG, La., May 23, 1853.

"Your German Bitters are a very valuable medicine; I have disposed of all I received from you, and wish new supply immediately.

DR. RAYBOLD QUAIL says:

TRINITY La., June 20, 1853.

"I have for the last year used the German Bitters, prepared by you, in my practice extensively. It will shortly be the only medicine of the kind that can be readily sold here, and I believe that in less than one year there will be more sold in this vicinity than in any other part of the country."

DR. RABA says:

FRANKLIN, La., June 24, 1852.

"Your German Bitters have become very popular here, and I wish a fresh supply immediately."

A. E. ADAMS & CO. say:

RICHMOND, La., June 2, 1853.

"Your Bitters give universal satisfaction to all who have used them."

You should bear in mind that these Bitters are ENTIRELY VEGETABLE, thereby possessing advantages over most of the preparations recommended for similar diseases.

AYER'S
CHERRY PECTORAL,
FOR THE RAPID CURE OF
Coughs, Colds, Hoarseness, Bronchitis, Whooping-Cough, Croup, Asthma and Consumption.

"Wisdom shall tear down to it, and the great of the earth shall kneel before it."

Never could this be said with more truth than it now applies to this remedy, for affections of the Throat and Lungs. The exalted in learning and power acknowledge its supremacy, while both the little and the great can feel its benefits. The liberal minded among those skilled to cure are free to own its mastery over distempers which have baffled their art. Those of exalted stations are not ashamed to testify to its virtues, but deem it a duty and a pleasure to thus hold out the lamp of their experience to their suffering fellow men.

Witness the following translation:

VERSAILLESVILLE, La., April, 1853.

Monsieur Dr. J. C. AYER—Dear Sir: ... of late made frequent use of your Cherry Pectoral in my practice and am happy to inform you that it ... I have ... and have completely cured ... and Bronchitis which had withstood every other ... treatment.
