Jr. Notchez and Tchoupoulas st.

FOR SALE FOREIGN.

THE undersigned, agents for the manufacturers are receiving some of these Forges, and request the inspection of yachts and steamboat masters, to call and examine them.

These forges can be recommended for their solidity and durability, as they are entirely made of iron, consequently they are not liable to burn out, as is the case with those made of cast iron, which are only three-quarters of an inch in diameter.
