DAY AND BOARDING SCHOOL FOR YOUNG LADIES,
UNDER THE DIRECTION OF
MADAM CHARPAUX,
At the corner of Bayou and Claiborne streets.

THIS SEMINARY, whose existence dates some six years back, has met with a success that proves, beyond all cavil, the capacity of those who have charge of it.
Determined to merit the confidence of parents, Mad. Charpaux will spare no pains to make her seminary equal to the best institutions of the kind in New Orleans, and in order to do this, she has employed the ablest teachers.
Madam Charpaux has purchased a large and airy edifice on one of the highest pieces of ground in the city and the better to consult the health of her pupils she has had spacious and elevated apartments built on purpose for school and sleeping rooms, through which there will be a constant circulation of air from many windows.
Great attention will be paid to the improvement of scholars in the English language. For this purpose, American ladies of acknowledged capacity, as teachers, will constantly reside in the Seminary.
The English, French and Spanish languages, geography, arithmetic, and in short all the branches of a polite education, will be taught in the Seminary.
As religion should be the foundation of all sound education, it will be carefully attended to by Madam Charpaux, who will conduct to church and preliminary catechisms all her young ladies who may have their first communion to make.
Music having become a most desirable branch of the education of young ladies, Mr. Charpaux, from the best musical school in Paris, and ex-artist of the Orleans Theatre, will devote all his time to teaching music. All the Scholars, besides their regular lessons, will practice daily under the eyes of the professor. The study of the notes will precede the performances, when Mr. Charpaux will put the pupils through the execution of the regular keys and notes, and this will be attended with no extra charge.
In order to kindle emulation among the pupils, and improve their singing, on the morning of the last Saturday in every month there will be a musical examination and a distribution of rewards.
Madam Charpaux, in order to complete the education of her scholars, has opened a class where will be taught all the useful and ornamental branches of needle-work.

TO PERSONS WEARING SPECTACLES

THIS is not a personal matter, but merely a friendly advice to my customers and all those who wish to preserve their sight unimpaired. The visual organs are of sufficient importance to require the greatest care in the selection of glasses when one is compelled to resort to spectacles. We must consequently guard against high-sounding advertisements published by charlatans, who care very little for the eyes of purchasers, and whose only object is to sell as many spectacles as they can at extravagant prices.
Purchasers must not suffer themselves to be deceived by a pair of spectacles which make things look larger beyond measure. Our sight is almost always injured, sooner or later, by our seeing too clearly. The glasses must be sufficiently strong, and others ought not to be taken unless the change can not possibly be avoided.
I am of opinion that every one has a perfect right to dispose of his goods as he chooses, but I also deem it my duty to caution those whose confidence I have enjoyed for many years, against people who, with the greatest effrontery, offer for sale under different names, such as "Brazilian Pebbles," "Arkansas Pebbles," &c. These names are only given for the purpose of attracting public attention, and there is not a word of truth in what is said. There is but one kind of good spectacle glasses, whether made of ordinary or pebble glasses, and it is those which are well finished, and pure, and suit the eyes without fatiguing them.
I am satisfied that physicians, and competent persons generally, concur in the above expressed opinions. C. DUHAMEL, Optician,

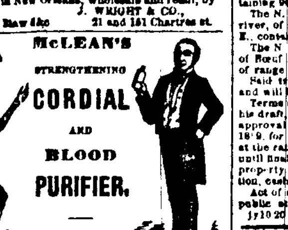
McLEAN'S
STRENGTHENING
CORDIAL
AND
BLOOD
PURIFIER.



21 and 151 CHARTRES ST
Before taking. After taking.

THE greatest remedy in the world. This Cordial is distilled from a Berry known only to myself, and scientifically combined with some of the most valuable medicinal roots, herbs and barks known to the world of man, viz: blood root, wild cherry bark, yellow dock, dandelions, sarsaparilla, elder flowers, with others, producing the most infallible remedy for the restoration of health ever known.

IT IS NATURE'S OWN REMEDY.

Curing diseases by natural laws. When taken, its healing influences are felt coursing through every vein of the body, purifying and accelerating the circulation of the blood. It neutralizes any bilious matter in the stomach, and strengthens the whole organization.
McLEAN'S STRENGTHENING CORDIAL will effectually cure Liver Complaints, Dyspepsia, Jaundice,
Chronic or Nervous Debility, Diseases of the Kidneys, and all Diseases arising from a Disordered Liver or Stomach.
Dyspepsia, Heartburn, Inward Piles, Acidity or Sickness of the Stomach, Fullness of Blood to the Head, Dull Pain or Swimming in the Head, Palpitation of the Heart, Fullness or Weight in the Stomach, Sour Eructations, Choking or Suffocating Feeling when lying down, Dryness or Yellowness of the Skin and Eyes, Night Sweats, Inward Fevers, Pain in the Small of the Back, Chest or Side, Sudden Flushes of Heat, Depression of Spirits, Frightful Dreams, Languor, Despondency or any Nervous Disease, Sores or Blotches on the Skin, and Fever and Ague (or Chills and Fever). It will also cure diseases of the Bladder and Womb, such as Seminal Weakness, Incontinence of Urine, Strangury, Inflammation or Weakness of the Womb or Bladder, Whites &c.

THERE IS NO MISTAKE ABOUT IT.

This Cordial will never fail to cure any of the above diseases, if taken as per directions on each bottle, in German, English and French.

OVER HALF A MILLION OF BOTTLES

Have been sold during the past six months and in no instance has it failed in giving entire satisfaction. Who, then, will suffer from weakness or debility when McLEAN'S STRENGTHENING CORDIAL will cure you.

TO THE LADIES

Do you wish to be healthy and strong? Then go at once and get some of McLean's Cordial. It will strengthen and invigorate your blood to flow through every vein, and the rich, rosy bloom of health to mount to your cheek again. Every bottle warranted to give satisfaction.

FOR CHILDREN

We say to parents, if your children are sickly, puny, or afflicted with complaints prevalent among children, give them a small quantity of McLean's Cordial, and it will make them healthy, fat and robust. Delay not a moment, try it and you will be convinced.

IT IS DELICIOUS TO TAKE.

EVERY COUNTRY MERCHANT

Should not leave the city until he had procured a supply of McLean's Strengthening Cordial. It is rapidly becoming a favorite. A liberal discount will be made to those who buy to sell again.
CAUTION.—Beware of druggists or dealers who may try to palm upon you some Bitter or Sarsaparilla trash which they can buy cheap by saying it is just as good. Avoid such men. Ask for McLEAN'S STRENGTHENING CORDIAL, and take nothing else. It is the only remedy that will purify the blood thoroughly and at the same time strengthen the system.
One tablespoonful taken every morning fasting is a certain preventive for Cholera, Chills and Fever, Yellow Fever, or any prevalent disease.
Price only $1 per bottle, or six bottles for $5.

McLEAN'S VOLCANIC OIL LINIMENT.

The best Liniment in the world for man or beast.

ANOTHER REMARKABLE CURE

Performed by McLean's Volcanic Oil Liniment. Read for yourselves.
Thomas Ford, a blacksmith living near Cass avenue, on Tenth street, had a horrible running sore on his foot. He tried various Liniments, Salves &c., but could do it no good. He despaired of ever being able to work at his trade again, because he could not bear any weight on his foot. He bought one small bottle of McLean's Volcanic Oil Liniment, is now perfectly cured.
Rheumatism, paralysis, neuralgia, bruises, sprains, stiffness in the joints or muscles, swellings, sore throat, earache or toothache, wounds, fresh cuts, sores, burns, ulcers, old sores, fistulas, and various other diseases which are liable to from injuries or accidents, will yield to the "magic" influence of this wonderful Liniment.
For Horses and Cattle it is an infallible remedy for bruises, galls, scratches, cracked heels, lameness, sprains, swellings, founders, fistula, ring bone, spavins, windgalls, poll evil, &c.
Every Country Merchant should obtain a supply of McLean's Volcanic Oil Liniment. It sells rapidly, because it always cures.
A liberal discount will be made to merchants who buy to sell again.

TONI-AROMATIC BITTERS.

A Cordial for Ladies and Aged Persons.

THIS highly agreeable cordial is taken pure, and was prepared by me at the request of a number of families who had represented to me the inconvenience resulting from mixing those varieties of bitters which cannot be imbibed undiluted, the loss of time which they occasion, and the mistakes made from ignorance of the mode of administering them.
These well founded objections enabled me to understand the true causes which deter many persons from making use of their excellent and beneficial preparations. The very name of medicine, not to be taken pure, is an obstacle to its use. It is highly efficacious in cases of general weakness, and in nervous affections generally, and is a preservative from gastritis—that fatal disease so peculiar to warm and humid climates. It re-establishes the appetite, invigorates the general system, and is thus a healthy color to persons who have acquired a lymphatic temperament.
This cordial possesses not only the property of stimulating the appetite, but of aiding digestion. If tempted by a sumptuous repast to indulge beyond the bounds of prudence, we suffer from a slow and impeded digestion, a small glass of this admirable liqueur occasions speedy relief and facilitates the work of nature.
Persons in good health may use it as a preservative and pleasant beverage. Its delicious aroma and taste render it such. Those who are in the habit of taking lunch, and particularly ladies, will find it an invaluable addition to this repast, not merely on account of its exquisite flavor, but from its digestive qualities.
The most delicate constitutions, from infancy to old age, of both sexes, may employ it without the slightest inconvenience.
Directions will be given to persons using it for the first time.
