MEDICAL.

IT HAS been a [illegible] that Sarsaparilla, when pure, was the only true panacea for all diseases resulting from an impure state of the blood, the use of mercury, intoxicating drinks, evil habits in youth, barrenness, &c. We boldly assert that JOHN BULL'S FLUID EXTRACT OF SARSAPARILLA is the only preparation before the public that is prepared on strictly scientific principles, and of uniform strength. The Sarsaparilla is purchased without regard to price, and every pound, before being used, is subject to the strictest chemical tests, and its genuineness ascertained before being used.

Bull's Sarsaparilla also contains the virtues of several other valuable medical roots, together forming the best compound and producing the *greatest cures* ever known in the known world!

THIS MEDICINE, WHEN USED ACCORDING TO DIRECTIONS, Will Cure Without Fail!

Scrofula, or King's Evil, Cancers, Tumors, Eruptions of the Skin, Erysipelas, Chronic Sore Eyes, Ringworm, or Tetters, Rheumatism, Scald Head, Pains in the Bones or Joints, Old Sores and Ulcers, Swelling of the Gland, Syphilis, Dyspepsia, Salt Rheum, Diseases of the Kidneys, Diseases arising from the use of Mercury, Loss of Appetite, Pain in the Side and Shoulders, General Debility, Lumbago, Dropsy, Jaundice, Costiveness, Sore Throat, Bronchitis, Coughs, Colds, Weakness in the Chest, Pulmonary Affections, and all other diseases tending to produce CONSUMPTION, Liver Complaint, Female Irregularities and Complaints, Low Spirits, Sick and Nervous Headache, Night Sweats, Exposure or imprudence in life, Chronic Constitutional Diseases, and is a Spring and Summer drink and general Tonic for the system and a gentle and pleasant purgative; it is superior to Blue Lick or Congress Water, Salts, or Seidlitz Powders.

GOOD TESTIMONY.

The Ohio State Journal, (Columbus, Ohio,) thus speaks of Bull's Sarsaparilla:

IT HAS NO EQUAL!—The unprecedented sale of Bull's Compound Fluid Extract of Sarsaparilla in this city, where it has been introduced for the past two months only, with the very gratifying effects produced upon all who have tried it, warrant the assertion that as a purifier of the blood it has no equal. This is a bold assertion, but it can be substantiated by calling on the agent in this city.

Hear with us reader, a little longer, and be convinced that BULL'S SARSAPARILLA is the WONDER OF THE WORLD!

And that it will cure you no matter how long you have been suffering.

What Dr Owen, Druggist and Apothecary of several years standing, says about BULL'S SARSAPARILLA.

LOUISVILLE, May 31, 1848.

Mr. JOHN BULL—Dear Sir: I have been for a number of years afflicted with a Vertigo Head-ache, and a dull heavy pain in my liver. I used almost all the remedies of the day, especially the Sarsaparilla prepared by different persons, but all to little or no advantage, until I changed to meet with yours, three bottles of which gave me more relief than all the others combined.

I therefore take pleasure in recommending your sarsaparilla to the afflicted community as a superior article. Very respectfully, J. H. OWEN.

RHEUMATISM.

Let all those who are suffering under the agonizing tortures of Rheumatism, read the following and see what may also be done for them, if they will use the infallible remedy.

Mr. JOHN BULL—Dear Sir: For the last three years I have been afflicted with Rheumatism of the severest character. I was at times in the greatest agony of pain—I tried every remedy I could procure for the disease, but found no permanent relief until I was induced to use your preparation of Sarsaparilla, which has entirely cured me of Rheumatism, and greatly improved my general health, more than any medicine I have ever used.

I have been free of pain for several months, and have no doubt the cure is permanent. I could confidently recommend it as being the best medicine in use for rheumatism. WILLIAM BRIGGS, Uniontown, Union Co., Ky, May 12, 1848.

From Dr. Wm. T. Prentiss.

Mr. BULL—In regard to your sarsaparilla, I will say that I have used it to some extent in Cutaneous Affections of long standing, as Tinea Capitis, Lepra, Prorigins, Rubies, Syphilitic, Cachexia, and in all diseases where the indication of cure seems to consist in a thorough change or modification of the fluids of the body, with considerable success, in conjunction with local treatment. I think I would prefer it to any preparation of Sarsaparilla in use, and any physician will admit its value upon learning the substances that enter into its composition. Respectfully yours, W. T. PRENTISS, M. D. Lewisport, Ky, Dec 4, 1847.

It is perhaps needless to produce any further testimony in favor of this great remedy. I have only to be tried and proved to convince the public of its superior efficacy. Let all who are laboring under chronic disease or general derangement, nervous debility, weakness, the effects of mercury, or any thing of the kind, give it a fair trial. There are thousands in the land who stand in need of it. Let them try it, and we assure them that they will not regret it.

NOTICE TO FEMALES.

John Bull's Sarsaparilla is one of the greatest Female Medicines now in existence. In those numerous cases where the constitution is debilitated, the nervous energy is lessened, when the efforts of nature are weak and deficient, or are profuse and over-wrought, when the face is pale and colorless, the strength feeble and yielding, the spirit troubled and depressed, the health broken, tuned shaken, and consequently the happiness destroyed—then Bull's Sarsaparilla is a sovereign remedy. It at once aids their duty, braces the whole system, renews permanently the natural energies, removes obstructions, checks excesses, creates pure and healthy blood, and imparts health and happiness. Reader, would it not be wise to adopt the use of this medicine?...

A BEAUTIFUL CLEAR SKIN.

How we all admire a clear beautiful white skin and a rosy colored cheek. How often do we see persons ... using of cosmetics, lotions, washes, paints and coloring materials to restore to them a semblance of that which disease has deprived them ... Bull's Sarsaparilla ... A word to the wise is sufficient, enough for the 1 dose.

BETTER TESTIMONY.

Than was ever offered—Mercinerydnaf From Dr James M Moore

Mr. JOHN BULL—I have no hesitation in saying that I believe your Sarsaparilla to be the best article ever manufactured for the cure of Scrofula, Syphilis and many other complaints, with entire success in a number of the above cases. JAS. M. MOORE, Louisville, Dec. 26, 1847.

Moore testimony from Dr. Moore.

Mr. JOHN BULL—I am using your Sarsaparilla in several new cases of Scrofula, and with happy effect. I am now confident it is one of the most efficacious medicines that can be made for the purpose. Yours, JAS. M. MOORE, M. D. Winchester, Ky, February 1, 1848.

Testimony like the following renders superfluous all further comments upon the efficacy of Bull's Sarsaparilla.

From Dr. L. P. Yandell, Professor of Chemistry in the Louisville Medical College.

"I have looked over the list of ingredients composing John Bull's Compound Extract of Sarsaparilla, and have no hesitation in saying that they form a safe compound, and one that promises well in Chronic diseases, to which it is applicable. L. P. YANDELL, M. D. Louisville, June 6, 1848.

What Dr. Pyles, Physician, by appointment, to the Louisville Marine Hospital, says of Bull's Sarsaparilla.

LOUISVILLE, March 30, 1849.

I have examined the prescription for the preparation of John Bull's Sarsaparilla, and believe the combination to be an excellent one, and well calculated to produce an alterative impression on the system. I have used it both in public and private practice, and think it the best article of Sarsaparilla in use. M. PYLES, M. D. Resident Physician, Louisville Marine Hospital.

[From the People's Journal, Quincy, Ill.] BULL'S SARSAPARILLA—We have used one bottle of this Sarsaparilla for general debility and lumbago, and believe we have experienced entire relief. We used in time gone by two bottles of S. P. Townsend's Sarsaparilla, for which we paid $2 50, and believe we received injury instead of benefit for its use.

This medicine is daily grappling with disease, through the Western country, restoring to blooming health and youthful vigor, the sick and afflicted—nay, those that are grievously tormented. Certificates are teeming from all directions, from men of truth and high moral standing, placing it, from its intrinsic worth, the very best of all remedies before the public.

Sold wholesale and retail by JOHN BULL, at his principal office, 81 Fourth street, Louisville, Ky., and by the Druggists generally in the city and country.

THE plan of this Institution comprises a general and extensive system of education. Pupils are admitted at six or seven years of age, and can continue till their education is complete, or till they are prepared for their future pursuits in life.

They are distributed into classes according to their talents and advancement.

The premises are perhaps the best to be found in the city, with ample space for exercise and recreation, every necessary convenience is combined for an institution of learning on a large scale.

The Professors are gentlemen of talents, chosen with care. Good order reigns in the establishment, and strict attention is paid to the moral conduct and improvement of the pupils.

Day and Boarding School for Young Ladies.

Founded in 1838, by Madame Lorie, and conducted since 1840, by MADAME DESRAYAUX, Burgundy street, between Customhouse and Bienville streets, New Orleans.

MR. and MRS. DESRAYAUX, formerly in Rampart street, having removed their institution upwards of a year ago, to more extensive accommodations, assure parents and guardians of youth, that their new building in Burgundy st. has met their expectations, and supplies one great and almost indispensable requisite—viz. ample accommodations, adapted to the object they had in view. It is scarcely necessary to state that the building which they erected is supplied with all the modern improvements for the comfort and convenience of domestic life, and for educational purposes. The apartments are spacious, airy, well lighted, and properly furnished. The large and well shaded garden in the rear of the building, purchased for the accommodation of the pupils, is found to be attended with many advantages, as regards health, exercise and amusement—in short, every arrangement has been made, at no small expense, to increase the facilities of education; to guard the health of the pupils, and to procure their comfort and happiness.

The Institution provides thorough and substantial instruction in every stage and department of education. It possesses great facilities for the acquirement of the French language, and for the cultivation of Music; and it is sufficient to say, that no efforts will be wanting to sustain the reputation which the School has already acquired in these departments.

DR MACAULAY, who has taught in the Institution for upwards of five years, and who divides his time equally between it and Mrs. Macaulay's, takes the entire charge of the department of English Literature, including Natural and Moral Philosophy, and teaches not only the outlines, but enough of Mathematics, Chemistry, Geology and Astronomy, as to enable young ladies to understand all the ordinary phenomena which are constantly presenting themselves to their observation.

For further information, the prospectus of the Institution respectfully refer parents to their prospectus, published in pamphlet form, to be found at the book store and at the Institution. s9—ly

INSURANCE.

Southern Mutual Life Insurance Company of Louisiana.

Life Insurance Exclusively.

EXTRA GUARANTEE FUND $50,000.
ACCUMULATIVE CAPITAL $500,000.

PARENT OFFICE, NO. 43 CAMP ST., *New Orleans.*

THIS COMPANY is now ready to make Insurance on White Persons and Slaves at their established rates of premium. This being the only company incorporated in the State confined exclusively to Life Insurance, with an extra Guarantee Fund, the Directors feel confident that it affords unusual and much greater inducements to those desirous of effecting an insurance on their lives than any other.

It is also upon the Mutual principle, each person assured becoming a member thereof and enjoying a portion of its profits, being entirely exempt from any liability beyond the amount of premium accrued.

Insurance companies organized upon the mutual principle are generally successful, more especially those exclusively confined to Life, as they are based upon calculations warranted correct by long experience and close scrutiny, but the stability and success of this Company is placed beyond a contingency, by the advantageous arrangement that has made for an undoubted guarantee fund of 50,000 dollars, not to be used or lessened, as subscriptions to mutual insurance companies always are, by insurance.

This extra guarantee fund of 50,000 dollars remains permanent until the Company has accumulated a similar amount to take its place.

California permits granted, and extensive travelling privileges allowed.
