Sulphur and Vapor Baths.

THE undersigned respectfully informs the public that he continues to prepare and administer these Baths at his Perfumery Establishment, No. 283, St. Louis street, between Viliere and Robertson.

The excellence of these Baths is universally known in a great number of chronic diseases of the skin, such as itch, prurigo, tetters, scalled head, &c. They have been employed with remarkable success in other maladies, which frequently resist the resources of the medical art, such as chronic rheumatism, atonic gout, palsy, scrofula, engorgements of the glands, of the breasts, the lymphatic ganglions and joints. Eminent practitioners have bestowed the highest praises on the remedy, and are in the habit of prescribing it for inveterate diseases that require powerful sudorific agents. The success obtained by this mode of treatment is confirmed by the time that has elapsed since the cures were effected.

The undersigned hopes that his efforts to give satisfaction to those who have honored his establishment with their patronage, will ensure the confidence of patients whose cases require the employment of medicated sulphur or Vapor Baths.

To Henry Kopman, Esq., and all persons whom it may concern

N. B. That, acting under an order of provisional seizure, to me directed by the above entitled Court, in the above entitled and numbered case, I did, on the 18th day of May, 1848, seize a certain tract of Land, situated in said parish of Lafourche Interior, on the right bank of Bayou Lafourche, about twenty-three miles below the town of Thibodeaux, bounded above by the lands of John Kellar, and below by the lands of Louis Ogeron.

You are, therefore, hereby notified to show cause, if any you have, within thirty days from the 17th day of May, 1848, to the said District Court, sitting in and for said parish of Lafourche Interior, why the property above described should not be sold according to the prayer of the petitioners, to satisfy the sum of two hundred and forty five dollars, being the amount at which the repairs to be made to the levee on said land was adjudged to the said plaintiffs, as they being the last and lowest bidders, by the Inspector of roads, levees, &c., in and for the Fifth and Tenth Wards of this Parish, with legal interest from Judicial demand and costs of suit, in accordance with the 30th section of an act of the Legislature of this State, entitled "an act relative to roads and levees," approved 7th February, 1829. Proposals for a Loan.

TREASURY DEPARTMENT, }
April 17, 1848. }

SEALED PROPOSALS will be received, under the act of 31st March last, until 3 P. M., on Saturday, the 17th of June, 1848, for sixteen millions of dollars of United States stock, reimbursable twenty years from and after the 1st day of July, 1848, bearing six per cent interest per annum, payable semi annually, on the first days of January and July of each year. No bid will be received below par, nor will any bid be considered unless one per cent thereof is deposited in some depository of the United States, at or before the date fixed for opening the proposals. The bids, in all cases, must be unconditional, and without any reference to the bids of others, and should state distinctly the premium offered. The proposals should be sealed, and endorsed "Proposals for Loan of 1848," and addressed to the Secretary of the Treasury, Washington City, D. C. The sums which may be accepted will be required to be paid to the depositary of the United States nearest the places of residence of the persons respectively, whose offers may be successful, but the amount of accepted bids from bidders not residing in the United States, must be deposited with the Assistant Treasurers at New York, Boston Philadelphia or New Orleans.

To give an opportunity to all persons to participate in the investment of funds in this stock, bids will be received for the lowest denomination of certificates authorised by law—being for fifty dollars—as well as for higher sums.

All certificates under one thousand dollars will be transferable on the books of the treasury; but all certificates for that sum and upwards, will be transferable on the books of the treasury, or by delivery with coupons attached, at the option of the bidder. To avoid expense, confusion, and multiplication of accounts, all certificates with coupons attached will be for the sum of one thousand dollars.

The successful bidders will be required to deposite the amount awarded in five equal instalments in each of the months of July, August, September, October and November, of the present year, except for sums not exceeding twenty thousand dollars, when the bidder may be desirous of making immediate payment, in which case the whole amount may be at once deposited. The stock will bear interest in all cases from the date of deposite.

The bids will be opened at the Treasury Department at 3 P. M. on Saturday, the 17th of June, 1848, in the presence of all persons who may desire to attend, but, under a provision introduced into the act of 31st of March last, no bidder will be permitted to withdraw his bid. On all bids not accepted, the amount deposited in advance will be immediately returned. The whole premium on the amount awarded must be deposited as part of the first payment required in July next. ap20 [illegible] Secretary of the Treasury.
