MEDICAL.

PURE VEGETABLE EXTRACT
DR. MORSE'S
INVIGORATING CORDIAL.
[illegible]

AT FIRST the properties attributed to Professor Morse's Invigorating Elixir or Cordial [illegible] … not believe the simple and sublime truths announced by the discoverer. But facts, undeniable facts, attested by witnesses of the highest class and character, are now triumphing over all doubts. Incredulity is overthrown by a mass of testimony which is perfectly irresistible.

The Elixir remedies, in all cases, the deplorable evils arising from a pernicious abuse of the [illegible] organs, which make the [illegible] … It restores to full vigor every delicate function connected with that mysterious compound agency of matter and mind, necessary to the reproduction of human life. To persons of feeble muscular fibre, or deficient in vital power, it is recommended as the only means of communicating that energy which is necessary to the proper enjoyment of all the natural appetites, as well as the higher mental attributes. Its beneficial effects are not confined to either sex or to any age. The feeble girl, the ailing wife, the listless, enervated youth, the overworn man of business, the victim of nervous depression, the individual suffering from general debility, or from the weakness of a single organ, will find immediate and permanent relief from the use of this incomparable renovator. To those who have predisposition to paralysis, it will prove a complete and unfailing safeguard against that terrible malady. There are many, perhaps, who have so trifled with their constitutions, that they think themselves beyond the reach of medicine. Let not even these despair. The Elixir deals with diseases as it exists, without reference to causes, and will not only remove the disorder itself, but

REBUILD THE BROKEN CONSTITUTION.

The derangement of the system, leading to nervous diseases, and the forms of nervous disease itself, are so numerous, that it would require a column to enumerate the maladies for which this preparation is a specific. A few, however, may be enumerated, viz:—neuralgia, tic doloreaux, headache, incipient paralysis, hysteria, palpitation of the heart, spinal affections, muscular debility, tremors, flatulency, a pricking sensation in the flesh, numbness, mental depression, weakness of the will, indisposition to move, faintness after exercise, broken sleep and terrifying dreams, inability to remain in one place or position, weakness of the procreative organs, sexual incompetency, melancholy, monomania, fluor albus, sinking at the stomach, female irregularities, a chronic tendency to miscarriage, emaciation, and all complaints growing out of a free indulgence of the passions, and all barrenness that does not proceed from organic causes, beyond the reach of medicine.

Whenever the organs to be acted upon are free from malformation or strictural diseases, it is averred that

MORSE'S INVIGORATING ELIXIR

will replace weakness with strength, incapacity with efficiency, irregularity with uniform and natural activity, and this not only without hazard or reaction, but with a happy effect on the general organization. Bear in mind that all maladies, wherever they begin, finish with the nervous system, and that the paralization of the nerve of motion and sensation is physical death. Bear in mind, also, that for every kind of nervous disease the Elixir Cordial is the only reliable preparation known.

CURE OF NERVOUS DISEASES.

No language can convey an adequate idea of the immediate, and almost miraculous change which it occasions in the diseased, debilitated and shattered nervous system, whether broken down by excess, weak by nature, or impaired by sickness—the unstrung and relaxed organization is at once braced, revivified and built up. The mental and physical symptoms of nervous disease vanish together under its influence. Nor is the effect temporary, on the contrary the relief is permanent—for the Cordial properties of the medicine reach the constitution itself, and restore it to its normal condition.

LOSS OF MEMORY.

Confusion, giddiness, rush of blood to the head, melancholy, debility, hysteria, wretchedness, thoughts of self-destruction, fear of insanity, dyspepsia, general prostration, irritability, nervousness, inability to sleep, diseases incident to females, decay of the propagating functions, hysteria, monomania, vague terrors, palpitation of the heart, impotency, constipation, &c., from whatever cause arising, it is, if there is any reliance to be placed on human testimony, absolutely infallible.

A GREAT MEDICINE FOR FEMALES.

The unparalleled effects of this great restorative, in all complaints incident to females, mark a new era in the annals of medicine. Thousands of stimulants have been invented—thousand of invigorants concocted—all purporting to be specifics in the various diseases and derangements, to which the delicate formation of woman render her liable.

EVERY WOMAN OF SENSE

who suffers from weakness, derangement, nervousness, tremors, pains in the back, or any other disorder, whether peculiar to her sex, or common to both sexes, to give the Invigorating Cordial a trial.

MARRIED PERSONS

or others, will find this Cordial, after they have used a bottle or two, a thorough regenerator of the system. In all directions are to be found the happy parents of healthy offspring, who would not have been so but for this extraordinary preparation. And it is equally potent for the many diseases for which it is recommended. Thousands of young men have been restored by using it, and not in a single instance has it failed to benefit them.

PERSONS OF PALE COMPLEXION,

of consumptive habits, are restored by the use of a bottle or two to bloom and vigor, changing the skin from a pale, yellow, sickly color, to a beautiful florid complexion.

TO THE MISGUIDED

These are some of the sad and melancholy effects produced by early habits of youth, viz: weakness of the back and limbs, pains in the head, dimness of the sight, loss of muscular power, palpitation of the heart, dyspepsia, nervous irritability, derangement of the digestive functions, general debility, symptoms of consumption, &c.

Mentally, the fearful effects on the mind are much to be dreaded. Loss of memory, confusion of ideas, depression of spirits, evil forebodings, aversion to society, self-distrust, love of solitude, timidity, &c., are some of the evils produced. All thus afflicted

BEFORE CONTEMPLATING MARRIAGE

should reflect that a sound mind and body are the most necessary requisite to promote connubial happiness, indeed, without these, the journey through life becomes a weary pilgrimage—the prospect hourly darkens the view, the mind becomes shadowed with despair, and filled with melancholy reflection that the happiness of another becomes blighted with your own.

CAUTION.

Dr. Morse's Invigorating Cordial has been counterfeited by some unprincipled persons.

SANDS' SARSAPARILLA
IN QUART BOTTLES,
For Purifying the Blood, and for the Cure of
Scrofula, Rheumatism, Stubborn Ulcers, Dyspepsia, Salt Rheum, Fever Sores, Erysipelas, Pimples, Biles, Mercurial Diseases, Cutaneous Eruptions, Liver Complaint, Bronchitis, Consumption, Female Complaints, Loss of Appetite, General Debility, &c.

The value of this Medicine is now widely known and every day the field of its usefulness is extending. It is approved, and highly recommended by Physicians, and is admitted to be the most powerful and searching preparation from the root, that has ever been employed in medical practice. It operation is once to remove increasing diseased action in the absorbing and secreting organs. In most, Nature seldom effects, unassisted, the cure of any virulent diseases, but requires the aid of a stimulant, alterative, or antiseptic medicine. In diseases of the skin and flesh, a combination of these three classes of medicinal agents is highly desirable. All these properties are combined in this preparation, and instead of operating successively upon the system, as they must necessarily do when taken separately, they operate simultaneously, and in perfect harmony when administered in this form. Its tonic property strengthens the digestion, and improves the appetite. Its alterative tendency carries off the accumulations of morbid matter—and its antiseptic influence neutralizes the virus, by which the disease is fostered. Its uniform success in curing and relieving the various disorders for which it is recommended, is established by a multitude of attested facts.

From a Physician in Maryland.
CAMBRIDGE, Md., Oct. 5th, 1850.

Messrs. SANDS: Gentlemen—My little daughter was afflicted for a long time with sore head and eyes, and by using your Sarsaparilla was perfectly cured, other medicines and sarsaparillas having failed to relieve her. Having used it and tested its efficacy, I confidently recommend it in preference to any other, as it seems to possess properties not contained in any other preparation; and I find that purchasers, after they have used it, invariably want the same article again, whenever they require a medicine for which this is recommended.

Respectfully yours, J. FLINT, M. D.

MEDICAL.

AYER'S CHERRY PECTORAL,
For the rapid Cure of
COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

☞ We invite the attention of the Public to the Certificates appended below, and beseech for them that candid consideration which their honest frankness deserves.

Men in such stations as many who voluntarily bear witness to the efficacy and value of CHERRY PECTORAL, do not wantonly trifle with, or distort facts, to overstate their convictions. Judge then, whether this is not the medicine to trust when you must have relief for the throat or lungs; judge too, whether every family ought not to have it by them as a safeguard against the everywhere prevailing enemy which steals with fatal frequency upon almost every flock and carries off the lamb from many a home!

Jackson, C. H., Jackson City, O., 20th Nov., 1852.

Dr. J. C. AYER—
Sir—The CHERRY PECTORAL is much inquired after. Several of our best Physicians have used it, three of them in their own cases, and always with the happiest effects. The numerous patent medicines always before them, lead to incredulity in regard to every new remedy; and it is only after undoubted evidence of value in any article, that anything like a general confidence can be excited.

The unrivalled excellence of this combination of agents, (in the CHERRY PECTORAL,) proved beyond cavil by repeated trial under their own observation, has compelled medical men to proclaim abroad its usefulness. It is beyond all doubt the best general remedy we have for the Pulmonary Affections of this climate, at the same time safe in use and expectorant—a rare combination of properties.

In the hope that it will prove its own reward, I subscribe myself,
Respectfully your ob't serv't,
JAS. H. C. MILLER, M. D.

Allegan, Mich., 10th January, 1853.

Dear Sir—No one, no not one—man, woman, or child—can be found to deny that the CHERRY PECTORAL is all that it claims to be. There is much used in this vicinity although not known until recently. The community should know its virtues.
Yours truly,
JOHN R. KELLOGG, M. D.

PROFESSOR O. J. WOOD'S
UNEQUALLED HAIR RESTORATIVE!
Old Ladies and Gentlemen Made Young!
The Greatest Event of 1854!

NOTHING has occurred since the introduction of this city that has caused so great a sensation as the opening of PROFESSOR O. J. WOOD'S HAIR RESTORATIVE DEPOT at J. WRIGHT & CO'S, where all can be supplied at short notice. Call one, call all, before it is too late. Any information required can be had.

It will give the bald-headed youthful looks, turn gray hair to its natural color, and removes all dandruff and disagreeable matter from the scalp. It also invigorates the Hair, and makes it soft and glossy, as the ingredients act upon the roots of the same. It has been tested by scientific, as well as by men who stand high in the public esteem, and has been found satisfactory.

Over 5000 Bottles have been Sold
within the last three months, ☞ in the city of St. Louis and vicinity, alone, ☞ and over TWICE THAT NUMBER in the States of Ohio, Kentucky, Indiana, and Illinois. Of the immense number of letters and certificates which are voluntarily sent every day to the Proprietor, he would select a few, and present them here to the public's attention.

ST. LOUIS, Sept. 20, 1853.

DR. O. J. WOOD—Sir: I have used nearly two bottles of your Hair Restorative, and find its effects very satisfactory. It has entirely destroyed all dandruff from my head, and restored my hair to its original color, and which had become quite gray.
WILLIAM TRUESDALE.

SAINT LOUIS, Oct. 24, 1853.

PROF. O. J. WOOD—Dear Sir: At your request, I willingly give you a statement of the effects of your Hair Restorative upon my hair. I commenced its use when my hair was quite gray, and I soon began to see its effect in restoring the natural fluid to it; it immediately began to change to its native color, until it is entirely restored; and from carefully watching its effects I am satisfied that it is not only entirely healthy in its effects, but that if faithfully applied according to directions, no lady will be disappointed. I therefore cheerfully recommend it to all my friends and all who have use for such an article.
Respectfully, Yours, MRS. E. BEARDSLEY.

ST. LOUIS, Sept. 29, 1853.

PROF. WOOD—Dear Sir: By the advice of a friend of mine, who had been using your Hair Restorative, I was induced to try it—discovering, to my great astonishment, that my friend's hair, which, when I last saw him before, was very gray, had become completely restored to its original color, having as fine and glossy an appearance as it had when I knew him twenty years ago.

I commenced using the Restorative about five weeks ago, and am perfectly convinced that it will produce the desired effect, in having restored the color of my hair, more than half of which was white, to precisely the same it was when I was twenty years old, with the same healthy and glossy appearance. I have no hesitation in recommending it to my friends and the public generally, believing that, if used according to directions, they will not be disappointed.
Yours, very respectfully, N. B. HOLMAN.

"It gives me pleasure in being able to recommend Jacob's Cordial—my own personal experience, and the experience of my neighbors and friends around me, is a sufficient guarantee for me to believe it to be all that it purports to be, viz: a Sovereign Remedy." WM. H. UNDERWOOD, Formerly Judge of Superior Court, Cherokee Circ't.

"I take great pleasure in recommending this invaluable medicine to all afflicted with bowel diseases, for which I believe it to be a sovereign remedy—decidedly superior to anything else ever tried by me."
A. A. GAULDING,
Deputy G. M. of the Grand Lodge of Georgia.

"I have used Jacob's Cordial in my family, and this, with all I hear about it as a remedy by those who have tried it, induces me to believe that it stands at the head of every preparation of the kind, and I would recommend its use in the diseases for which it is recommended." MILES G. DOBBINS, Cashier of the Bank of the State of Georgia, Griffin.

"If there is any credibility in human testimony, Jacob's Cordial must stand pre-eminent above all other preparations for the cure of Bowel Diseases. From the mass of testimony in its favor coming in from all quarters, it must be very far in advance, as a curative agent, of most if not all other 'patent' preparations." A. FLEMING, Cashier Marine and Fire Insurance Bank, Griffin.

"This efficient remedy is travelling into celebrity as fast as Bonaparte pushed his columns into Russia, and gaining commendation wherever used."—*Georgia Jeffersonian, May 19th, 1853.*

EDUCATION

BOURSIER'S INSTITUTION,
148 St. Louis street,
Between Dauphine and Burgundy.
[illegible]

THE rapid [illegible] … secured to Mr. BOURSIER to lease, for a term of years, the large, central and commodious house formerly occupied by Madame Deron. This house, so favorably known, [illegible] … being finished.

Mr. and Madame BOURSIER are glad to have this opportunity of expressing to the parents of their numerous pupils the gratitude they feel for the liberal patronage extended to them.

The choice of intelligent, conscientious and skilful Teachers will give a vigorous impulse to the studies, and parents may depend upon their being conducted with those intellectual and practical advantages proved by experience, and sanctioned by religious and solid doctrines, which must always be the basis of good education.

Mr. and Madame BOURSIER will use any stipulation proposed for their system of education, but the brilliant results obtained in a short time, have so increased their numbers, which is the most flattering test of popular opinion.

There will be exercises in Music and Elocution every quarter, viz:—the first Monday in July, October and January, and a general examination, on the distribution of prizes, will take place on the first Monday of April, the end of the scholastic year.

Mr. and Madame BOURSIER have incurred great expense to found a durable and suitable establishment; therefore, parents and children are invited to pay a visit at its opening on Monday, the 15th of next month.

The prospectus, giving the course of instructions, can be obtained at the Institution, or at every Stationery Store in the city.

N. B.—Parents residing out of the town will find comfortable rooms at Mr. and Madame BOURSIER'S, during their stay in New Orleans. jal7

COLLEGE.
St. Ann Street, facing the Place d'Armes, Old "Congo" Square, under the direction of **MR. JEGOU,**
Master of Arts and Mathematical Sciences.

Encouraged by the kindness and patronage of several families of standing, I have determined to open a College, securing to parents for their children the same advantages as those offered by Colleges in New Orleans, where a thorough education is considered the surest way of obtaining the object for which this College is founded, I have secured the co-operation of the most competent Professors, who will superintend the course of instruction, some in English and others in French; these two languages being indispensable. A good education should comprise the training of the heart as well as that of the mind; the Professors will, therefore, have a proper regard for both in their teachings, and such will be the constant object of their care.

Religion, the most essential part of education, will receive from them and myself special attention.

The College, fronting the Public Square, (old "Congo" Square) possesses all the advantages of a healthy location, and parents are solicited to visit and examine it.

With a view to foster the cultivation of the students, the first day of each month will be devoted to a Literary Soiree, at which recitations in the several branches will take place, and the distribution of the several prizes for good conduct during the month, will be made to the students of deserving merit.

In order to class, as much as possible, children of the same age, a Primary School is attached to the College, in a separate portion of the establishment.

PRIMARY SCHOOL.—Branches of Instruction.—Reading, Writing, Arithmetic, English, French, Geography and History of the United States.

Price of Tuition—Four Dollars.

COLLEGE.—Branches of Instruction.—Writing, Book-keeping, English, French, Greek, Latin, History, Geography, Physical and Natural Science and Mathematics, and also Music, Drawing, Fencing, and Dancing will be charged separately.

EVENING CLASS—This class will be open from 7 to 9 o'clock. Young men will there be taught English, French, Writing, Arithmetic and Book-keeping, by the best masters.

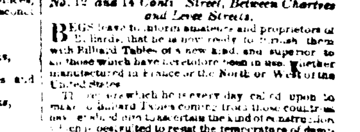
E. ANTOGNINI,
Manufacturer of Billiard Tables, &c.,



No. 12 and 14 Conti Street, Between Chartres and Levee Streets.

BEGS leave to inform amateurs and proprietors of Billiards, that he is now ready to furnish them with Billiard Tables of a new kind, and superior to all those which have heretofore been in use, either manufactured in France or the North or West of the United States.

The care with which he is every day called upon to re-cloth Billiard Tables coming from those countries, [illegible] … the kind of construction [illegible] … to resist the temperature of damp climates.

The table and bands of a Billiard being generally the parts which are most liable to deteriorate, particular attention has been paid to the construction of those parts.

Every Billiard built by him has a Mahogany table, combined with Oak, Cherry and Hickory, thus warranting them from warping in any direction.

The cushions are made of Patent India Rubber, [illegible] by him, and far superior to the French cushions used in different manufactories. These India Rubber ones were brought by him since 1849, and have always given great satisfaction.

Gentlemen wishing to convince themselves of the above by visiting his establishment, where they will always find mounted Billiard Tables ready for playing, and they will be convinced that the tables are cheap.

EVERY BILLIARD TABLE BOUGHT FROM HIM IS WARRANTED FOR A NUMBER OF YEARS LIMITED BY THE PURCHASER.

He has constantly on hand a great variety of
New and Second-Hand Billiard Tables,
Also, BALLS and PINS, for Ten pin Alleys, complete Loto Sets, &c. &c. Also,
EIGHT LEG BILLIARDS.

☞ Persons unable to come to New Orleans, and who may desire to procure any of the above named articles have only to communicate their orders to A. ANTOGNINI, who will execute them satisfactorily.

E. Antognini has also the honor to inform his friends and the public in general, that in consequence of an arrangement with one of the largest manufacturers of [illegible] Cloth, he has received a large quantity of cloth for Billiard Tables, which he is prepared to sell at an exceedingly low price.

The extension of his house, and the relations which he has established and continues to establish, with the best manufactories of France and the United States, allows him to sell all articles of his line at prices below the current rates. my18 [illegible]
