MEDICAL.

BULL'S SARSAPARILLA.

Is put up in full quart bottles, and contains the strength of SIX TIMES as much pure Honduras Sarsaparilla as any similar preparation made in America.

☞ Price $1 per bottle, or six bottles for $5.

IT HAS been a well established fact for years past that Sarsaparilla, when pure and properly prepared, was the only true panacea for all diseases originating from an impure state of the blood, the use of mercury, intoxicating drinks, evil habits in youth, barrenness, &c. We boldly assert that JOHN BULL'S FLUID EXTRACT OF SARSAPARILLA is the only preparation before the public that is prepared on strictly scientific principles and of uniform strength. The Sarsaparilla is purchased without regard to price, and every pound, before being used, is subject to the strictest chemical tests, and its genuineness ascertained before being used.

Bull's Sarsaparilla contains the virtues of several other valuable medical roots, together forming the best compound and producing the *greatest cures ever in the known world.*

THIS MEDICINE

WHEN USED ACCORDING TO DIRECTIONS

Will Cure Without Fail

Scrofula, or King's Evil, Cancers, Tumors, Eruptions of the Skin, Erysipelas, Chronic Sore Eyes, Ringworm, or Tetter, Rheumatism, Scald Head, Pains in the Bones or Joints, Old Sores and Ulcers, Swelling of the Gland, Syphilis, Dyspepsia, Salt Rheum, Diseases of the Kidneys, Diseases arising from the use of Mercury, Loss of Appetite, Pain in the side and Shoulders, General Debility, Lumbago, Dropsy, Jaundice, Costiveness, Sore Throat, Bronchitis, Coughs, Colds, Weakness in the Chest, Pulmonary Affections, and all other diseases tending to produce CONSUMPTION, Liver Complaint, Female Irregularities and Complaints, Low Spirits, Sick and Nervous Headache, Night Sweats, Exposures and Imprudence in life, Chronic Constitutional Diseases, and is a Spring and Summer drink and general Tonic for the system, and a gentle and pleasant purgative. It is superior to Blue Lick or Congress Water, Saltz, or Seidlitz Powders.

GOOD TESTIMONY.

The Ohio State Journal, (Columbus, thus Ohio,) speaks of Bull's Sarsaparilla:

"It has an Equal." The unprecedented sale of Bull's Compound Fluid Extract of Sarsaparilla in this city, where it has been introduced for the past two months only, with the very gratifying effects produced upon all who have tried it, warrant the assertion that as a purifier of the blood it has no equal." This is a bold assertion, but it can be substantiated by calling on the agent in this city.

☞ Bear with the reader, a little longer, and be convinced that BULL'S SARSAPARILLA is the "WONDER OF THE WORLD!"

And that it will cure you no matter how long you have been suffering.

What Dr. Owen, Druggist and Apothecary of new oral years standing, says about BULL'S SARSAPARILLA:

LOUISVILLE, May 31, 1849.

Mr. Jones Bull—Dear Sir: I have been for a number of years afflicted with a Mercurial Headache, and a dull heavy pain in my liver. I used almost all the remedies of the day, especially the Sarsaparilla, prepared by different persons, but all to little or no advantage, until I chanced to meet with yours, three bottles of which gave me more relief than all the others combined.

I therefore take pleasure in recommending your sarsaparilla to the afflicted community as a superior article. Very respectfully,

J. H. OWEN.

RHEUMATISM

Let all those who are suffering under the agonizing tortures of Rhumatism, read the following, and see what may also be done for them, if they will use the infallible remedy.

Mr. Jones Bull—Dear Sir: For the last three years I have been afflicted with Rhumatism of the worst kind, so much so as to be in the greatest agony of pain—I tried every remedy I could procure for the disease, but found no permanent relief until I was induced to use your preparation of Sarsaparilla, which has entirely cured me of Rhumatism, and greatly improved my general health, more than any medicine I have ever used.

I have been free of pain for several months, and have no doubt the cure is permanent, and I confidently recommend it as being the best medicine in use for rhumatism. ISHAM BRIGGS,

Uniontown, Union Co., Ky. May 12, 1849.

From Dr. Wm. T. Fenius

Mr. Bull.—In regard to your sarsaparilla, I will say that I have used it in some cases in Cutaneous Affections of long standing, as Tinea Capitis, Lepra, Prurigo, Scabies, Syphilitic, Cachexia, and in all diseases where the indication of cure seems to consist in a change of the morbid or impure fluids of the body, with considerable success, in conjunction with local treatment. I think I would prefer it to any preparation of the kind in use, and any physician will admit its value upon learning the substances entering into its composition.

Respectfully yours W. T. FRENTISS, M. D.

Lewisport, Ky. Dec. 4, 1847.

It seems to be a waste of time to produce any further testimony in favor of this great remedy. It has only to be tried and proved to convince the public of its superior efficacy. Let all who are labouring under chronic diseases, or a general derangement of nervous debility, weakness, the effects of mercury, or any thing else, give Bull's Sarsaparilla a trial. There are thousands throughout the land who stand in need of it. Let them try it, and we assure them that they will not regret it.

NOTICE TO FEMALES.

John Bull's sarsaparilla is one of the greatest Female Medicines now in existence. In those numerous cases where the functions are obstructed, the nervous energy is lessened, when the efforts of nature are weak and deficient, or are profuse and overwrought, when the face is pale and colorless, the strength feeble and spirits the spirit troubled and depressed, the health broken, mind shaken, and consequently the happiness destroyed—then Bull's Sarsaparilla is a sovereign remedy. It is into nature in the performance of her duty, hence the whole system, impart and preserve in the natural exercise, its wise, elastic effects, clears away, creates pure and healthy blood, and in a word, brings back happiness. We feel confident that if the sufferer will use the medicine we now have the full assurance of success, and we will be well pleased if it will have made a cheerful convert, and perhaps a happy household instead of a gloomy one, and prevent much unnecessary misery and suffering and affliction. At the tender age of 16 years, the period when the Female Life which is often blighted with so much danger, Bull's Sarsaparilla is the most beneficial extract. All ladies approaching this crisis should be apprised of this fact, and well they should, for it is a valuable medicine.

A BEAUTIFUL CLEAR SKIN.

How we admire a clear healthy white skin, and a rosy colored cheek. How often do we see persons not possessing this indescribable delicacy to be wishing, praying, trying cosmetics, lotions, washes, paints, and coloring materials to restore to them a semblance of that which does or has deprived them of, and that, too, often times, with misdirected injury to the skin. The fact is, Bull's Sarsaparilla is the best lotion. It makes the skin fair, not from the effect of a paint, but by purifying, making the system and consequently the blood healthy, which serves to counteract the causes which prevent a fair complexion, and which, when removed, the skin will become fair, and the blood, instead of being thick, and sluggish, giving scurvy to every part of the system, will become healthy, and the skin will assume a healthy appearance. Ladies, if you wish to be fair, healthy and beautiful, try Bull's Sarsaparilla, and you will be delighted with the result. Ladies, if you wish to be fair, healthy and beautiful, try Bull's Sarsaparilla, and you will be delighted with the result. Ladies, if you wish to be fair, healthy and beautiful, try Bull's Sarsaparilla, and you will be delighted with the result.

LETTER TESTIMONY

Then to ye—Good Morrow good!
Poor Tom—Sweet Mr. Moore.

Mr. JOHN BULL—I have no hesitation in saying that I believe your Sarsaparilla to be the best article ever manufactured for the cure of Scrofula, Syphilis, and many other cutaneous and Glandular Affections, having used it with entire success in a number of cases. JAS. M. MOORE.

Louisville, Dec. 26, 1847.

More testimony from Dr. Moore.

Mr. Jones Bull—I am using your Sarsaparilla in several new cases of Scrofula, and with happy effect. I am now confident it is one of the most efficacious medicines that can be made for that disease.

Yours, JAS. M. MOORE, M. D.

Winchester, Ky., February 1, 1849.

Twiddling like the following rather superfluous all further comments upon the efficacy of Bull's Sarsaparilla.

From Dr. L. P. Yandell, Professor of Chemistry in the Louisville Medical College.

"I have looked over the list of ingredients composing of John Bull's Compound Extract of Sarsaparilla, and have no hesitation in saying that they form a safe compound, and one that promises well in Chronic diseases, to which it is applicable.

L. P. YANDELL, M. D.

Louisville, June 6, 1849.

What is Dr. Yandell's opinion, by appointment, to the Louisville Marine Hospital, says of Bull's Sarsaparilla:

LOUISVILLE, March 20, 1849.

I have examined the prescription for the preparation of John Bull's Sarsaparilla, and believe the combination to be well adapted to the purpose intended to produce an alterative impression on the system. I have used it both in public and private practice, and think it the best article of Sarsaparilla in use. M. PYLES, M. D.,

Resident Physician, Louisville Marine Hospital.

(From the People's Journal, Quincy, Ill.)

BULL'S SARSAPARILLA.—We have used one bottle of this Sarsaparilla, and have been delighted with it, and believe we have experienced entire relief. We used it time gone by two bottles of R. P. Townsend's Sarsaparilla, for which we paid $2 50, and believe we received injury instead of benefit for its use.

This medicine is daily grappling with disease, through the Western country, restoring to blooming health and youthful vigor, the sick and afflicted—day, three hundred testimonials of its merits, and cures are teeming from all directions, from men of truth and high moral standing, placing it, from its intrinsic worth, the very head of all remedies before the public.

Sold wholesale and retail by JOHN BULL, at his principal office, 81 Fourth street, Louisville, Ky., and by the druggists generally in the city and country.
