DR. LEIDY'S MEDICATED EXTRACT OF SARSAPARILLA—It is positively the strongest preparation in existence; one bottle of it (which costs but one dollar) being equal to one gallon of the syrup, as it is usually prepared in the shops, and equal to two bottles of any other extract. Dr. Leidy begs leave to state, that he himself prepares it, and can consequently vouch for its strength.—Numerous physicians throughout the United States give it the preference over all other preparations of sarsaparilla both from the fact of its superior strength (consequently efficacy) when employed and from the circumstance of its being prepared by a regular apothecary and physician, attested by Drs Physic, Chapman, Jackson, &c. &c.
