Dr. Mott's CHALYBEATE RESTORATIVE PILLS OF IRON.

An agreeable and harmless preparation of IRON purified of Oxygen and Carbon by combustion in Hydrogen. Sanctioned by the highest medical authorities both in Europe and the United States, and prescribed in their practice.
The experience of thousands daily proves that no preparation of Iron can be compared with it. Impurities of the blood, depression of vital energy, pale and otherwise sickly complexions indicate its necessity in almost every conceivable case. Innocuous in all maladies in which it has been tried, it has proved absolutely curative in each of the following complaints, viz:
In Debility, Nervous Affections, Emaciation, Dyspepsia, Constipation, Diarrhea, Dysentery, Incipient Consumption, Scrofulous Tuberculosis, Salt Rheum, Mismenstruation, Whites, Chlorosis, Liver Complaints, Chronic Headaches, Rheumatism, Intermittent Fevers, Pimples on the Face, &c.
In cases of GENERAL DEBILITY, whether the result of acute disease or of the continued diminution of nervous and muscular energy from chronic complaints, one trial of this restorative has proved successful to an extent which no description nor written attestation would render credible. Invalids so long bed-ridden as to have become forgotten in their own neighborhoods, have suddenly reappeared in the busy world as if just returned from protracted travel in a distant land. Some very signal instances of this kind are attested of female sufferers, emaciated victims of apparent marasmus, sanguineous exhaustion, critical changes, and that complication of nervous and dyspeptic aversion to air and exercise for which the physician has no name.
In NERVOUS AFFECTIONS of all kinds, and for reasons familiar to medical men, the operation of this preparation of iron must necessarily be salutary, for, unlike the old oxides, it is vigorously tonic, without being exciting and overheating; and gently, regularly aperient even in the most obstinate cases of costiveness, without ever being a gastric purgative, or inflicting a disagreeable sensation.
It is this latter property, among others, which makes it so remarkably effectual and permanent a remedy for Piles, upon which it also appears to exert a distinct and specific action, by dispersing the local tendency which forms them.
In DYSPEPSIA, innumerable as are its causes, a single box of these Chalybeate Pills has often sufficed for the most habitual cases, including the attendant Costiveness.
In unchecked DIARRHŒA, even when advanced to DYSENTERY, confirmed, emaciating, and apparently malignant, the effects have been equally decisive and astonishing.
In the local pains, loss of flesh and strength, debilitating cough, and remittent hectic, which generally indicate INCIPIENT CONSUMPTION, this remedy has allayed the alarm of friends and physicians in several very gratifying and interesting instances.
In SCROFULOUS TUBERCULOSIS, this medicated iron has had far more than the good effect of the most cautiously balanced preparations of iodine, without any of their well known liabilities.
The attention of females cannot be too confidently invited to this remedy and restorative in the cases peculiarly affecting them.
In RHEUMATISM, both chronic and inflammatory—in the latter, however, more decidedly—it has been invariably well reported, both as alleviating pain and reducing the swellings and stiffness of the joints and muscles.
In INTERMITTENT FEVERS it must necessarily be a great remedy and energetic restorative, and its progress in the new settlements of the West, will probably be one of high renown and usefulness.
No remedy has ever been discovered in the whole history of medicine, which exerts such prompt, happy and fully restorative effects. Good appetite, complete digestion, rapid acquisition of strength, with an unusual disposition for active and cheerful exercise, immediately follow its use.
Put up in neat flat metal boxes containing fifty pills, price 50c. per box; for sale by druggists and dealers. Will be sent free to any address on receipt of the price. All letters, orders, etc., should be addressed to

SANITARY GRUEL.

I. X. L. NOURISHING REMEDY

INVENTED AND PREPARED BY P. MARMAY.

THE inventor of this new and invaluable remedy has taken patents in France, England, Scotland, Ireland, Belgium and the United States.
The most chronic constipation yields to the daily use of the Invigorating Gruel.
It is a precious discovery for sea travelers.
The astringent effects ordinarily resulting from Tonics, Bitters and Vermifuges, so valuable to many cases are modified by the use of the Invigorating Gruel, which can without fear be given to persons of the most delicate stomachs.
This Invigorating Gruel has been tried by distinguished physicians, and it has been used triumphantly in every disease of the stomach, such as Dyspepsia, Gastritis, Heartburn, Heartfire, Sick Headache, Pains in the Stomach, Costiveness, Vomiting, Chronic Diarrhea, &c., &c.
The Invigorating Gruel is taken in different ways; with a broth—with salt or sweetened milk—with or without the orange flower water. A spoonful of it is sufficient, and should be put in boiling milk and stirring 15 or 20 minutes.
To be taken morning and evening.
For further particulars, apply at the General Depot, No. 44 Conti street, between Chartres and Royal streets, New Orleans.
For sale, wholesale and retail, by A. RENAUD TRABER, principal agent in the United States. Depots in all the principal cities of the United States.
For sale by J. Rivet, 64 Customhouse street; James Syme, 154 Canal street, and J. Wright & Co., 21 and 151 Chartres street.

Important Notice.

Among all other good qualities of the SANITARY GRUEL, which are universally acknowledged, it has been found to be highly useful and beneficent to Women in the state of Pregnancy, and that it facilitates their delivery.
It also improves positively the quality and increases the quantity of Milk of Nurses.
No other kind of Food can be compared to it; it may be administered without fear to the youngest children; it refreshes and strengthens them, and preserves them against a great many diseases peculiar to their age.
We may therefore confidently recommend it to every family.
Every one-pound paper of the SANITARY GRUEL contains thirty-two portions for one person. They are all signed by P. MARMAY, Inventor and Patentee.
