CHOLERA.

A SURE REMEDY! A PREVENTIVE!

A CURE!!!

THE following Letter is from Mr. WOODWARD, of St. Louis, to J. N. HARRIS, Esq., New London, Conn., General Wholesale Agent for our PAIN KILLER.

Mr. Woodward is a resident of St. Louis, a gentleman of high respectability, and during the prevalence of the cholera in that city, has watched the disease, and his testimony can be relied upon with the utmost confidence:

ST. LOUIS, May 31, 1849.

J. N. Harris, Esq.—Dear Sir: You will recollect when I saw you in New London, in January last, my expressing to you my fears and my anticipations that DAVIS' PAIN KILLER would have a tremendous sale in the West this season, and my anticipations have been more than realized, and the testimony of thousands who have used it has been that they would not be willing to go to bed at night without it in the house.

On the appearance of the cholera in this city, such was the confidence in the Pain Killer as a remedy, that many who purchased it remarked to me that they had no fears or dread of the cholera as long as they had the Pain Killer by them, and hundreds took it daily as a preventive, for no person can have a derangement of the bowels or diarrhoea without being in danger of the cholera, and thousands have taken it and have not had been required to certify the above fact, if it was thought necessary.

The cholera appeared from 8 o'clock A. M. till 4 o'clock P. M. Prices moderate. je13

DOCTOR FRANCOIS CANTON, a pupil of the Hospitals of France and Italy, ex Surgeon Major of Sardinia, Knight of the Middle Guard, ex Physician Inspector of the prisons of the Thermal Waters of the Province of Turin, late, corresponding member of the Anatomical and Medical Society of Paris, etc., etc., operating Surgeon and Accoucher, has taken up his residence at No. 175 ST. PETER STREET, between Burgundy and Rampart sts. He attends particularly to the diseases of women and children.

GENEVA ANTHELMINTIC POWDER, an infallible remedy for every species of intestine worms, inodorous and palatable, its peculiar properties render it inoffensive and even useful in inflamatory diseases.

AUCTION SALES.

THIS DAY.

B. H. FIELDING, No. 6 Carondelet st.

WILL commence publishing at the opening of navigation, by Orleans passengers will be taken between

Chicago and Buffalo,

in from 30 to 45 hours, and to New York in from 28 to 70 hours, shortening the line between Chicago and Buffalo to less than one third that of any other route.

A steamboat will leave Milwaukie every morning and Chicago every morning and evening for New Buffalo, (the western terminus of the Rail Road,) which with the Cars to Detroit and Steamboats in Buffalo, will form

Two Daily Lines

from Chicago to Buffalo, connecting directly with the Cars from Buffalo to Albany, and Steamboats to New York or Cars to Boston.

Going West, a Steamboat will leave Buffalo

EVERY MORNING AND EVENING,

running from the Cars of the Albany and Buffalo Rail Road, for Detroit, thence by Rail Road to New Buffalo, and by Steamboat from Chicago direct to New Buffalo to Milwaukie and other points, and from both trains to Chicago, connecting with the line of large Packets on the Illinois and Michigan Canal to Lasalle, thence by the Express Line on

FIRST CLASS RIVER STEAMBOATS

to St. Louis, and by the Lower River Steamboats to towns on the Mississippi and New Orleans.

This Rail Road, with the Steamers in its connection from Chicago to Buffalo, for regularity, safety, speed, general equipment and accommodation, forms in every respect a

SUPERB, AND FIRST CLASS ROUTE,

and altogether the cheapest from the Mississippi Valley and the towns on Lake Michigan to the east.

The following Steamboats will run in connection with the Michigan Central Rail Road:

Detroit, Pacific, and Sam. Ward—the Pacific and Sam. Ward running to Milwaukie via Little Fort, Southport and Racine.

Between Detroit and Buffalo, DAILY, leaving both places in the morning—through without landing—Steamers

May Flower and Atlantic.

Between Detroit and Buffalo via Cleveland, DAILY, leaving both places in the evening—Steamers

Hendrick Hudson, Baltic, Empire, Oregon and Saratoga.

The Lake Steamers of the above line, for strength, speed, finish, and unrivalled furniture, are believed to excel any like number of steamers that have ever been run in connection on fresh water; offering a reasonable rates accommodations not any where surpassed. Among them are many entirely new, and of the most expensive character.

Every effort will be made to render most desirable the superior accommodations of this route.
