MEDICAL.

Dr. Ed. Martin's Vermifuge Syrup.
Without any disagreeable Taste or Smell.
THE MELIA AZEDARACH, (Melia Bipinnati, Linnaeus' Class X Decand; Monogyn:—Jussieu, Class XIII, order II, Meliacae;—Tournefort, Class XXI, Arbres rosacees,) one of the most beautiful ornaments of the tropics, the root of which, for some time past, has been, by a few persons, justly reputed the best vermifuge known, supplies us with the principal agent in the above named remedy.
Having sought with the greatest care in the bark of the root of this tree, the active principle which produces such excellent results in verminous affections of children, we have succeeded in extracting it in its purest state and by combining it with other tonic plants which are nearly all indigenous to Louisiana, have arrived at composing the above VERMIFUGE SYRUP, the efficacity of which is now beyond the shadow of a doubt.
This Syrup, of an agreeable flavor, can be administered without the slightest apprehension to the most delicate children. Its use continued during three days, the doses being given at shorter intervals as the child may be older and stronger, will infallibly expulse all those intestinal worms which are the source of so many diseases, dangerous and often fatal to children.
Some mothers, rendered timorous by the frightful results of the various vermifuges hitherto employed, have given it to their children, but in doses extremely small; this has, in such cases, rendered the effect incomplete, and might have injured the standing of this remedy, had not several of our most experienced practitioners, by judiciously prescribing it and regulating the doses adapted to the different ages tested and established its excellent virtues.
To avoid debilitating the little patients by too severe a diet, we have modified the doses originally prescribed, in the following manner:
Children 2 to 5 years old, three tea spoonfulls a day, at an interval of from 1 to 2 hours. Above five years old, three table spoonfulls at the same intervals. No nourishment to be given between the first and third dose, nor within an hour after the third.
The SYRUP must be administered during three consecutive days. Composed entirely of vegetable extracts, this Vermifuge does not produce any of the pernicious effects which have often followed the use of those hitherto in use.

GRECIAN FANCHEMONIAN DROPS

I Σ Φ

A SURE AND SAFE REMEDY FOR SICK HEADACHE, CHILLS AND FEVER, JAUNDICE, Dyspepsia, Chronic Diarrhoea, Sea-Sickness, Cholera, and Cholera Infantum, and restore a healthy action to the Liver, without a particle of Calomel, Mercury, Quinine or Morphine entering into their compound. They do not purport to be a remedy for all manner of diseases that flesh is heir to, but experience warrants us in saying the above they will positively cure. They will also correct all derangements of the Stomach, and relieve from those aches and pains throughout the system commonly called Rheumatic. It is an excellent remedy for the GRAVEL, and as a VERMIFUGE or WORM Medicine there is none better.
Prepared only by Dr. J. S. Fancher, 140 Fulton street, New York, a few doors from Broadway.

GOURAUD'S ITALIAN MEDICATED SOAP.
LANGUAGE is powerless to set forth one tithe of its wonderful properties, but the high meed of public approbation has so decidedly and unchangeably stamped the superiority of this remarkable Soap, that to doubt its efficacy in the cure of tan, freckles, sunburn, sallowness, pimples, ringworm, obstinate old sores, salt rheum, worms in the skin, and other cutaneous disfigurements, is to imply a doubt of the existence of truth itself. It is, besides, the very best shaving Compound ever used.
Equally famous is Gouraud's Poudre Subtile, for eradicating superfluous hair from any part of the body.
Gouraud's Hair Restorative, or Circassian Gloss, is a beautiful preparation for the hair, preventing its falling out, increasing its growth, and making wiry, harsh hair, soft, silky and glossy. Trial bottles, 25 cents each.
Gouraud's Liquid Hair Dye will instantly change red or gray hair to a beautiful brown or black.
Gouraud's Liquid Rouge is a superb article for giving a rose stain to pale lips and cheeks, defying detection by rubbing.
Gouraud's Lily White is an unrivaled production for rough, flushed, sluggish complexions.
Dr. Felix Gouraud's preparations can only be had genuine at his sole agent,

"CONSUMPTION."
RUSHTON, CLARK & CO'S CELEBRATED GENUINE MEDICINAL COD LIVER OIL.
THIS valuable remedy, introduced by us to the notice of the Medical Profession, but little more than two years since, has, during that short period, advanced more rapidly in the public estimation than any remedy yet discovered for this dread destroyer of the human race. It has been used with the most signal and gratifying success, even in cases considered hopeless, and in the late reports of the New York and Pennsylvania Hospitals, on its use, it is spoken of as being more valuable than any remedy yet discovered for Consumption and Pulmonary Affections, and it has the great advantage over all other remedies, that instead of reducing, it increases the strength and flesh of the patient, thus enabling Nature to co-operate with the remedy, and overcome the disease.
Owing to the purity and superior quality of the Oil of our manufacture having given it a popularity over all others, several persons have copied the shape and style of our bottle in order to palm off inferior quality and adulterated Oil, and as the article, unless pure, is, in most cases, worse than useless, we would call particular attention to our Signature, which is over the cork of each bottle, without which it is not genuine. Be particular and enquire for Rushton, Clark & Co's Cod Liver Oil, and see that the Signature is over the cork.
For sale by N Jarvis & Co, J Wright & Co, Sickles & Co, Randolph & Pope, and by Druggists generally, where pamphlets may be had gratis, giving the history and use of the oil. o26

PROCLAMATION.
By Joseph Walker, Governor of the State of Louisiana.
THE uninterrupted blessings of peace, health and prosperity, which we as a people have enjoyed during another year, demand from us a lively expression of gratitude and thankfulness to the Giver of all Good, for the continued favors thus conferred upon us. Wherefore, as the Governor of the State of Louisiana, and in conformity to the request of the several Executives of the different States composing our sacred Union, I deem it meet and proper, to suggest, that THURSDAY, the 27th of November, be set apart and observed as a day of "Thanksgiving, and prayer to Almighty God," and that the good people of this State suspend on that day, their ordinary business avocations, and together with their fellow citizens from other States, assemble in their usual places of Worship, for the united expression of their homage, and thankfulness to Him who is the author of all temporal and spiritual blessings, and that civil and religious liberty may be continued to us, and to our posterity unimpaired, and in due time be extended to all the nations of the earth.
L. S. In testimony whereof, I have hereunto set my hand, and the seal of the State, at the town of Baton Rouge, this 27th of October, A. D. 1851, and of the Independence of the United States the seventy-sixth.
By the Governor, JOSEPH WALKER.
