ANTI-GOUTY AND ANTI-RHEUMATIC WINE

BY A. D'ANDURAN,

DOCTOR AND PHARMACIAN, LA ROCHELLE, FRANCE.

It is after numerous experiments that Dr. D'Anduran succeeded in composing this remedy, as mild as it is efficacious in its operation, and the action of which is as safe and perhaps more so than the sulfate of quinine in intermittent fevers. A tea-spoonful taken, morning and night, for two or three days, is certain to dispel the most intense pains from the gout. For rheumatism, the remedy must be applied during a longer period.—Price of the bottle, with a treatise annexed, 10 francs.

CONSULATE OF THE UNITED STATES.

This 21st day of November, 1855, I, the undersigned, EDWARD B. BUCHANAN, Consul for the United States of America, for the port and county of La Rochelle, (France) certify by these presents that ALEXIS D'ANDURAN, a physician of this city, has exhibited to me certificates recommending his method for the cure of GOUT and RHEUMATISM. These certificates emanate from persons well known to me and whom I consider worthy of all confidence. The Doctor has also exhibited to me an official publication by the French government, attesting that his curative method and remedy are applied for these diseases in the hospitals.

I must also add, at Dr. D'Anduran's request, that I have heard trustworthy persons mention numerous cases of remarkable cures obtained by the use of his ANTI-GOUTY WINE.

Given under my hand, and sealed with my seal of office, at La Rochelle, the day and year above stated, and the 80th year of the independence of the United States.

TO PERSONS WEARING SPECTACLES

THIS is not a personal matter, but merely a friendly advice to my customers and all those who wish to preserve their sight unimpaired. The visual organs are of sufficient importance to require the greatest care in the selection of glasses when one is compelled to resort to spectacles. We must consequently guard against high-sounding advertisements published by charlatans, who care very little for the eyes of purchasers, and whose only object is to sell as many spectacles as they can at extravagant prices.

Purchasers must not suffer themselves to be deceived by a pair of spectacles which make things look larger beyond measure. Our sight is almost always injured, sooner or later, by our seeing too clearly. The glasses must be sufficiently strong, and others ought not to be taken unless the change cannot possibly be avoided.

I am of opinion that every one has a perfect right to dispose of his goods as he chooses, but I also deem it my duty to caution those whose confidence I have enjoyed for many years, against pompous articles about new discoveries, such as "Brazilian Pebbles," "Arkansas Pebbles," &c., &c. Those names are only given for the purpose of attracting public attention, and there is not a word of truth in what is said. There is but one kind of good spectacle glasses, whether made of ordinary or pebble glasses, it is those which are well finished, and pure, and suit the eyes without fatiguing them.

I am satisfied that physicians, and competent persons generally, concur in the above expressed opinions. C. DUHAMEL, Optician,

THE greatest remedy in the world. This Cordial is distilled from a Berry known only to myself and chemically combined with some of the most valuable medicinal roots, herbs and barks known to the mind of man, viz: blood root, black root, wild cherry bark, yellow dock, dandelions, sarsaparilla, elder flowers, with others, producing the most infallible remedy for the restoration of health ever known.

IT IS NATURE'S OWN REMEDY.

Curing diseases by natural laws. When taken, its healing influences are felt coursing through every vein of the body, purifying and accelerating the circulation of the blood. It neutralizes any bilious matter in the stomach, and strengthens the whole organization.

McLEAN'S STRENGTHENING CORDIAL will effectually cure Liver Complaints, Dyspepsia, Jaundice,

Chronic or Nervous Debility, Diseases of the Kidneys, and all Diseases arising from a Disordered Liver or Stomach.

Dyspepsia, Heartburn, Inward Piles, Acidity or Sickness of the Stomach, Fullness of Blood to the Head, Dull Pain or Swimming in the Head, Palpitation of the Heart, Fullness or Weight in the Stomach, Sour Eructations, Choking or Suffocating Feeling when lying down, Dryness or Yellowness of the Skin and Eyes, Night Sweats, Inward Fevers, Pain in the Small of the Back, Chest or Side, Sudden Flushes of Heat, Depression of Spirits, Frightful Dreams, Langor, Despondency or any Nervous Disease, Sores or Blotches on the Skin, and Fever and Ague (or Chills and Fever). It also cures diseases of the Bladder and Womb, such as Seminal Weakness, Incontinence of Urine, Strangury, Inflammation or Weakness of the Womb or Bladder, Whites, &c.

THERE IS NO MISTAKE ABOUT IT.

This Cordial will never fail to cure any of the above diseases, if taken as per directions on each bottle, in German, English and French.

IT IS DELICIOUS TO TAKE.

EVERY COUNTRY MERCHANT

Should not leave the city until he had procured a supply of McLean's Strengthening Cordial. It sells rapidly, because it always cures. A liberal discount will be made to those who buy to sell again.

DAY AND BOARDING SCHOOL FOR YOUNG LADIES,

UNDER THE DIRECTION OF

MADAM CHARPAUX,

At the corner of Bayou and Claiborne streets.

THIS SEMINARY, whose existence dates some six years back, has met with a success that proves, beyond all cavil, the capacity of those who have charge of it.

Determined to merit the confidence of parents, Mad. Charpaux will spare no pains to make her seminary equal to the best institutions of the kind in New Orleans, and in order to do this, she has employed the ablest teachers.

Madam Charpaux has purchased a large and airy edifice on one of the highest pieces of ground in the city, and the better to consult the health of her pupils she has had spacious and elevated apartments built on purpose for school and sleeping rooms, through which there will be a constant circulation of air from many windows.

Great attention will be paid to the improvement of scholars in the English language. For this purpose, American ladies of acknowledged capacity, as teachers, will constantly reside in the Seminary.

The English, French and Spanish languages, geography, arithmetic, and in short all the branches of a polite education, will be taught in the Seminary.

As religion should be the foundation of all sound education, it will be carefully attended to by Madam Charpaux, who will conduct to church and prepare in ry catechisms all her young ladies who may have their first communion to make.

Music having become a most desirable branch of the education of young ladies, Mr. Charpaux from the best musical school in Paris, and an artist of the Orleans Theatre, will devote all his time teaching music. All the Scholars, besides their regular lessons, will practice daily under the eyes of the professor. The study of the notes will precede the performances, when Mr. Charpaux will put the pupils through the execution of the regular keys and notes, and this will be attended with no extra charge.

In order to kindle emulation among the pupils, and improve their singing, on the morning of the last Saturday in every month there will be a musical examination and a distribution of rewards.

Madam Charpaux, in order to complete the education of her scholars, has opened a class where will be taught all the useful and ornamental branches of needle work.

During the summer the classes will open at 8 o'clock, and close at 3. Re open at 4 and close at 6 o'clock, P. M. In winter, they will open at 8½, and close at 3. Re-open at 4½ and close at 6 o'clock, P. M.
