MEDICAL INSTITUTIONS.

Galvanic Rings, Belts, Bands, and Magnetic Fluid.

THE power of the wonderful power of these articles are very numerous, and are daily accumulating. It is believed that in the city of New York alone, thousands of persons, who have been suffering for a period of less than a year, have been entirely relieved of the most painful chronic disorders, some of which have completely baffled all former efforts of medical art. The following testimonials from highly respectable persons are selected from a large number of a similar character:

EPILEPSY AND PALPITATION OF THE HEART.

☞ Rev. John Jackson, son-in-law of Mr. John Jacob Astor, of New York, Minister of the Episcopal Church at Bristol, R. I., residing in this city, has long been subject to alarming attacks of Epilepsy, often falling down insensible. This disease has been accompanied with violent Palpitation of the Heart and a rush of blood to the head. For three years he has been unable to preach or attend to his other duties. Mr. Richard has found the most valuable benefit from the Galvanic Rings, Bands and Fluid, is better in every respect than he has been since the illness, and is now rapidly recovering his health. All symptoms of Epilepsy have not him.

RHEUMATIC GOUT.

To Dr. Chevalier—Sir—After a fair trial of almost everything without any good effect, I think I must attribute a remarkable cure to the power of your Galvanic and Magnetic articles. If I am not mistaken in the cause, they have completely relieved me of Rheumatic Gout, of long standing, together with general nervous debility of the system. MARY JACKSON.

109 Bank st, New York.

☞ Mrs. Jackson is a relative of Singer M. M. Noah, who certifies to the truth of the foregoing statement.

APOPLEXY AND PARALYSIS.

☞ Captain Andrew J. F. Tones, residing at No. 70 Bridge street, Brooklyn, L. I., is in his 76th year. He has generally enjoyed robust health, but about 3 years since it began to fail. The vital slowly recovering, under the prescriptions of Dr. John W. Francis, when he suddenly fell down insensible in the street, under a severe Apoplectic fit. On recovery he noticed that a portion of his side was numbed, and on his arrival at his residence he was paralytic, pronounced by the case to be that of combined Apoplexy and Paralysis. The family of Capt. Tones were induced to try the Galvanic Rings and Magnetic Fluid, and for this purpose procured a set of the Rings for the Ankles, one Bands for the Arms, and one bottle of the Fluid. In twenty-four hours after using these articles feeling was perceptible in the paralyzed parts, and perspiration broke out. *In five days he was able to raise his arm and use his hand, and in three weeks he was enabled to walk alone.* A period of nearly six months has now elapsed, during which time no symptom of Apoplexy has been apparent. He is enabled to take regular exercise and all his impaired faculties have been restored.

☞ The public are respectfully cautioned to beware of spurious imitations of these articles. Dr. Chevalier has but one authorized Agent in each city of the Union, GUION & Co., corner of St. Charles and Canal streets, is the sole Agent for New Orleans, of whom alone the genuine articles can be obtained.
