ADVERTISEMENTS.

Varieties Theatre.—Mr. Barrett's benefit, last night, was graced by a large, brilliant and fashionable audience. His *Benedick* was a capital piece of acting, as was also Mr. Chanfrau's *Dogberry*; and merely on any stage in good *Dogberry* of more benefits and mention than that of Mr. Fisher last night. Mr. Barrett will repeat his impersonation of Benedick on Saturday, and as Rip Van Winkle, and as Pedro.

St. Charles Theatre.—The gorgeous spectacle of the "Fountain of Beauty, in the Lake of Gold" will be repeated this evening. The lovers of the Supernatural should not fail to see it.

Academy of Music.—A great programme has been provided for the special delight of the little ones at the matinée, to-day. The entertainment is prepared for them and always great; but the present one promises to be particularly attractive.

We are glad to be able to assure the numerous and anxious young friends of Master Blue Beard that this dreadfulness and bloodless boy grimness was in no way injured by the prodigious method of his descent from the stage right before him. It was an extemporaneous performance, and for that reason was not put down in the bill. Here is some about it: The Fairy Queen, in her magnificent apartment in the pit, looked up at Blue Beard's Castle on the tableau with such a comical expression of chagrin, accompanied by corresponding interjections, that the boy became all nerve, beamed at the performer in black tights with the grimness of an artistical humor from the proper point, and he edged the lower repeat of the trapeze for which he sprang. It is hoped that no spectator will finish finnier amusement, for Master Blue Beard is emotionally strained.

Opelousas in General.—Mr. Charles Pope, one of the best educated and most earnest and cultivated actors of our stage, is to appear on Monday at the New Opera House on Gravier in the character of Othello. His support will be from the German dramatic company at that theatre.

Cotton in Liverpool.—Messrs. Wm. Hunter & Co., of this city, have furnished us with the following: Sales of Cotton, English & Brandon, of Liverpool, whom they represent, of January 26th, when—Cotton was steady in the early part of the week but has since been dull and declining. The market is freely supplied and there is about 1d per pound decline from last week's prices. The sales for the week amount to 55,240 bales, of which the Trade take 30,760 bales, Speculators 13,580, and Speculators 4,790 bales. The stock is increased this week by 6,700 bales, being estimated at 684,400 bales (192,000 American) against 590,200 bales (34,970 American) same time last year. The sales and stock are about one per cent. Middling Orleans 19 1-2d; Middling Mobile 19 1-2d; and Fair Dholleras 27d per pound. To-day the sales are 7,000 bales at former prices.

Having a Common Scold.—We are invited to attend the interesting and solemn occasion of publishing the laying of the corner stone of the new Synagogue of the Immediate Congregation Dispersed, on Lafayette street, between Prytania and Lafayette streets, on Tuesday, the 27th instant, at 3 P. M. The programme of the occasion includes music, sacred reading, prayer and oration.

Military Performance.—General Order from Headquarters of the Department, signed by Chief of Staff, Colonel John Carter, and Private Wm. Ch. Wren, Richard Light, and Wm. F Henderson, Company D, nineteenth Pennsylvania Cavalry, have been found guilty by Court Martial of highway robbery, and sentenced to perform hard labor for one year, with ball attached to the left leg, in the Penitentiary at Fort Jefferson, Dry Tortugas, Florida, on the same Company, for desertion, is commuted to the same island for five years, with twenty-four pounds ball and chain to the left ankle.
