MEDICAL.

FOR THE CURE OF RHEUMATISM AND ALSO [illegible] COMPLAINTS.

CHRISTIE'S

Galvanic Rings, Belts, Bands, and Magnetic Fluid.

THE proofs of the wonderful power of these articles are very numerous, and are daily accumulating. It is believed that in the city of New York alone, upwards of EIGHT THOUSAND PERSONS, during a period of less than a year, have been entirely relieved of the most painful chronic disorders, some of which have completely baffled all former efforts of medical art. The following certificates from highly respectable persons are selected from a large number of a similar character:

EPILEPSY AND PALPITATION OF THE HEART.

☞ Rev. John Bristed, son-in-law of Mr. John Jacob Astor, of New York, Minister of the Episcopal Church at Bristol, R. I, residing in Main street, has long been subject to distressing attacks of Epilepsy, often falling down insensible. The disease has been accompanied with violent Palpitation of the Heart and a rush of blood to the head. For three years he has been unable to preach or attend to his other duties. Mr. Bristed has found the most valuable benefit from the Rings, Bands and Fluid, is better in every respect than he has been since his illness, and is now rapidly recovering his health. All symptoms of Epilepsy have left him.

RHEUMATIC GOUT.

To Dr. Christie.—Sir—After a fair trial of almost everything without any good effect, I think I must attribute a remarkable cure to the power of your Galvanic and Magnetic articles. If I am not mistaken in the cause, they have very seriously relieved me of Rheumatic Gout, of long standing, together with general nervous debility of the system. MRS. MARY JACKSON, 109 Bank st, New York.

☞ Mrs. Jackson is a relative of Major M. M. Noah, who certifies to the truth of the foregoing statement.

APOPLEXY AND PARALYSIS.

☞ Captain Andrew J. F. Tomes, residing at No. 70 Bridge street, Brooklyn, L. I., is in his 70th year. He has generally enjoyed robust health, but about 3 years since it began to fail. He was slowly recovering, under the prescriptions of Dr. John W. Francis, when he suddenly fell down insensible in the street, under a severe Apoplectic fit. On recovery he noticed that a portion of his side was apparently dead; and on further examination his physicians pronounced his case to be that of combined Apoplexy and Paralysis. The family of Capt. Tomes were induced to try the Galvanic Rings and Magnetic Fluid, and for this purpose procured a pair of the Rings for the hands, a pair of Bands for the limbs, and one bottle of the Fluid. In twenty four hours after using these articles feeling was perceptible in the parnlyzed parts, and perspiration broke out. *In five days he was enabled to raise his arm and use his hand, and in three weeks he was enabled to walk alone.* A period of nearly six months has now elapsed, during which time no symptom of Apoplexy has been apparent, he is enabled to take regular exercise and all his impaired faculties have been restored.

☞ The public are respectfully cautioned to beware of Spurious Imitations of these articles. Dr. Christie has but one authorized Agent in each city of the Union, GUION & Co., corner of St. Charles and Canal streets, are the sole Agents for New Orleans, of whom alone the genuine articles can be obtained. s1

FRANKLIN HIGH SCHOOL.

Corner of Royal and Hospital streets, New Orleans.

PARENTS and Guardians are respectfully informed that the classes are now fully organized in the new building at the corner of Royal and Hospital streets. It is hoped, with some confidence, that the commodious and extensive arrangements for the better accommodation of the pupils, will meet with the approbation of the patrons of the Institution, and of others who may have youths under their charge.

The great object to be attained in school education is the acquiring of habits of untiring industry and indomitable perseverance, the course of exercises, through which a young man must pass in order to reach this goal, if judiciously directed, leaving him of necessity in possession of every other desired attainment.

The principle here laid down forms the basis of the mode of instruction, pursued in the Franklin High School.

The course of studies comprises the English, French, Spanish, Latin and Greek languages; Arithmetic, Algebra, Geometry, Trigonometry, Surveying, Application of Algebra to Geometry and Differential and Integral calculus; Astronomy and Chemistry; History and Geography; Book-keeping; Drawing and painting; Vocal and Instrumental Music.

There are seven Professors attached to the School, who give daily lessons in their respective departments.

Parents and Guardians are respectfully informed that no interference whatsoever in the Regulations and internal discipline will be suffered.

The Institution receives boarders, half-boarders and day scholars. The boarding pupils reside in the family of Mr. Elkin, and will be under the immediate care of himself and the ladies attached to the household.

G. BOYER'S CLASSICAL AND COMMERCIAL INSTITUTION No. 146 Conti Street,

(between Dauphine and Burgundy streets.)

THIS Institution, the oldest scholastic establishment in New Orleans, is well known and highly distinguished for the success which has accompanied it ever since its foundation; a considerable number of pupils who have quitted it to enter on the great scene of life, having already acquired some distinction in the various avocations to which they have devoted themselves.

Boyer's Institution is conducted in one of the largest Mansions in the city, occupying a fine central position, being well ventilated and in other respects perfectly salubrious.

The range of studies which engage the attention of the pupils extends over all the branches of Learning which are necessary to a useful, polite and finished education; from primary instruction to the more abstruse subjects which are specially the province of a collegiate course. Discipline so necessary to quicken in the youthful mind a due perception of the duties incumbent on it in its future relations with society, is a conspicuous feature of the establishment, being at the same time severe and considerate, whilst the solicitude of the Principal regarding the moral training of the youths committed to his charge, is, though strict, yet paternal.

The English language, daily becoming more and more evident, as of the greatest possible importance to all living in this community, is, in Boyer's Institution, attended to with more than ordinary care, the Professors engaged in this branch being gentlemen of undoubted attainments and long accustomed to tuition.

BRANCHES OF TUITION.

The English, French, Spanish and Latin languages, History, Geography, Mathematics, Elements of Natural Philosophy, Astronomy, &c., &c.

SPRING PURIFIER OF THE BLOOD—*WINER'S ARCANUM EXTRACT vs. SARSAPARILLA.*—As a spring purifier of the blood, this medicine cannot be surpassed in working its way through the system with a silent and effective force, cleansing the blood; removing dyspeptic influences, soothing the nerves; removing internal obstructions and diseases that would otherwise cause injury to the liver and lungs.

Winer's Arcanum Extract is always a certain cure for all diseases arising from an impure state of the blood, such as Scrofula, or King's Evil, White Swellings, Diseases of the Skin, Pimples or Pustules on the face, Boils, Diseases; also for Affections of the Liver, Dyspepsia, Costiveness, Palpitation of the Heart, long standing Rheumatic Affections, Gout, and all Chronic and Nervous Complaints occurring in debilitated constitutions. It is confidently recommended to the use of all persons who are afflicted with any disease of the blood or skin, or whose constitutions have been injured by a lengthened illness, and the use of deleterious medicines, as it will effectually purify the blood and renovate the system, and where symptoms of Scrofula are in the least visible, this medicine, if properly administered, will most surely exterminate it.

This medicine is much cheaper, pleasanter, and warranted superior to any other sold.

Price $1 per bottle, six bottles for $5.
