MEDICAL.

FOR THE CURE OF RHEUMATISM, AND ALSO [illegible] COMPLAINTS.

Galvanic Rings, Belts, Bands, and Magnetic Fluid.

THE proofs of the wonderful power of these articles are very numerous, and are daily accumulating. It is believed that in the city of New York alone, upwards of EIGHT THOUSAND PERSONS, during a period of less than a year, have been entirely relieved of the most painful chronic disorders, some of which have completely baffled all former efforts of medical art. The following certificates from highly respectable persons are selected from a large number of a similar character:

EPILEPSY AND PALPITATION OF THE HEART.

☞ Rev. John Bristed, son-in-law of Mr. John Jacob Astor, of New York, Minister of the Episcopal Church at Bristol, R. I., residing in Main street, has long been subject to distressing attacks of Epilepsy, often falling down insensible. The disease has been accompanied with violent Palpitation of the Heart and a rush of blood to the head. For three years he has been unable to preach or attend to his other duties. Mr. Bristed has found the most valuable benefit from the Rings, Bands and Fluid, is better in every respect than he has been since his illness, and is now rapidly recovering his health. All symptoms of Epilepsy have left him.

RHEUMATIC GOUT.

To Dr. Christie:—Sir—After a fair trial of almost everything without any good effect, I think I must attribute a remarkable cure to the power of your Galvanic and Magnetic articles. If I am not mistaken in the cause, they have very seriously relieved me of Rheumatic Gout, of long standing, together with general nervous debility of the system.
MRS. MARY JACKSON,
109 Bank st, New York.

☞ Mrs. Jackson is a relative of Major M. M. Noah, who certifies to the truth of the foregoing statement.

APOPLEXY AND PARALYSIS.

☞ Captain Andrew J. F. Tomes, residing at No. 70 Bridge street, Brooklyn, L. I., is in his 70th year. He has generally enjoyed robust health, but about 3 years since it began to fail. He was slowly recovering, under the prescriptions of Dr. John W. Francis, when he suddenly fell down insensible in the street, under a severe Apoplectic fit. On recovery he noticed that a portion of his side was apparently dead, and on further examination his physicians pronounced his case to be that of combined Apoplexy and Paralysis. The family of Capt. Tomes were induced to try the Galvanic Rings and Magnetic Fluid, and for this purpose procured a pair of the Rings for the hands, a pair of Bands for the limbs, and one bottle of the Fluid. In twenty four hours after using these articles feeling was perceptible in the paralyzed parts, and perspiration broke out. *In ten days he was able to raise his arm and use his hand, and in three weeks he was enabled to walk alone.* A period of nearly six months has now elapsed, during which time no symptom of Apoplexy has been apparent, he is enabled to take regular exercise and all his impaired faculties have been restored.

☞ The public are respectfully cautioned to beware of SPURIOUS IMITATIONS of these articles. Dr. CHRISTIE has but ONE authorized Agent in each city of the Union, GUYON & Co. corner of St. Charles and Canal streets, are the sole Agents for New Orleans, of whom alone the genuine articles can be obtained. s1

INSTITUTIONS.

MANDEVILLE COLLEGE.—This Institution [illegible] upon Lake Pontchartrain, some twenty [illegible] from New Orleans, presents many and great advantages to parents wishing to have their children well educated. The locality is perfectly healthy and the bathing excellent. Every branch of useful and polite instruction is attended to, among which may be mentioned the English, French, Spanish, Latin and Greek Languages, Mathematics, Logic, Rhetoric, History and Geography, (ancient and modern,) Natural Philosophy, Astronomy, &c., together with Music, Drawing and Fencing. The students have every opportunity of engaging in exercises conducive to health, promenades in the adjoining beautiful and picturesque country being permitted under the guidance of a Prefect, as often as is judged expedient. The discipline is mild, but firm, (no corporal punishment being allowed.) privation of certain privileges being the chief mode of restraint employed. This faculty consists of eight Professors, one of whom acts as a Prefect. There is also a Steward, who supplies the table, and the College domestics, and attends to the Lingerie. A Library for the Students has been recently commenced and is rapidly increasing through the aid of the patrons of the College. The French Professor (being in some respects unsatisfactory to the Direction) has been superseded by another, fully competent to the duties devolving upon him. Every thing promises well for the future, and the patronage of the public, interested in the cause of education is respectfully solicited.

ORLEANS HIGH SCHOOL.
(Lycee d'Orleans.)

THE Directors of the Institution, Messrs EVERETT WYNDHAM and MERVOYER, having unswervingly acted up to their original plan, as laid down in the Statutes, have succeeded in giving the High School a rank among the best educational establishments in the South.

The seat of the Institution is in a part of the city ever noted for its salubrity. The buildings and premises are admirably adapted to the purposes of a large School.

The system of Education embraces the Grammar and the Literature of the Greek, Latin, French and Spanish Languages, Rhetoric, Poetry and Mythology, History Geography, the use of the Globes, Book-keeping, Arithmetic, Algebra, Geometry, Plane and Spherical Trigonometry, Surveying, Natural Philosophy, Moral Philosophy, &c.

The various branches of knowledge are taught by the Directors, Messrs EVERETT, WYNDHAM and MERVOYER, and by Assistant Instructors, selected for their eminent skill in the business of Teaching.

The Directors also employ two gentlemen, who, enforce correctness of Deportment whenever the pupils are not in a recitation room under the eye of an Instructor.

The Institution receives Boarders, Half-Boarders, and Day-Scholars. The price of Board, (washing included,) and Tuition in all or any of the branches is twenty dollars per month. The price of Half-Board is $15 per month.—The price paid by Day-Scholars is six, nine, or twelve dollars, according to the knowledge previously acquired.

No interference whatsoever in the internal discipline of the School will be suffered.

The STATUTES, containing all information respecting the School, may be had in the English or in the French language at the principal Book-stores in the City. m19

REMOVAL.
DAY & BOARDING SCHOOL FOR YOUNG LADIES,
Conducted by Madame Granet.

MADAME GRANET has the honor to inform the Parents of her Pupils and the public that her institution will be removed on the 15th of November next, from No 20 Bourbon street to No 86 Customhouse street, between Royal and Bourbon streets.

The new residence is better adapted for an institution for Young Ladies than the one she is leaving. The apartments are spacious and airy and well suited for dormitories, class rooms, &c.

The yard for recreation is also large and entirely enclosed from all exterior communication.

MADAME GRANET is seconded in her arduous duties by her ELDEST DAUGHTER, and the pupils receive the same parental care, attention and vigilance as her own family.

The branches of instruction are the ENGLISH and FRENCH LANGUAGES, WRITING, ARITHMETIC, GEOGRAPHY, MYTHOLOGY, ASTRONOMY, LITERATURE, DRAWING, &c., and are taught by Messrs TELHIARD, NOBES and LORD.

Particular attention is paid to MUSIC and SINGING. The Harp and Piano are taught by MADAME ELIZA GRANET, and singing by Mr. BROCARD.

Dancing by Mr. DAVOTI. o31—ly law

FRANKLIN HIGH SCHOOL.
Corner of Royal and Hospital streets, New Orleans.

PARENTS and Guardians are respectfully informed that the classes are now fully organized in the new building at the corner of Royal and Hospital streets. It is hoped, with some confidence, that the commodious and extensive arrangements for the better accommodation of the pupils, will meet with the approbation of the patrons of the Institution, and of others who may have youths under their charge.

The great object to be attained in school education is the acquiring of habits of untiring industry and indomitable perseverance, the course of exercises, through which a young man must pass in order to reach this goal, if judiciously directed, leaving him of necessity in possession of every other desired attainment.

The principle here laid down forms the basis of the mode of instruction, pursued in the Franklin High School.

The course of studies comprises the English, French, Spanish, Latin and Greek languages, Arithmetic, Algebra, Geometry, Trigonometry, Surveying, Application of Algebra to Geometry and Differential and Integral calculus; Astronomy and Chemistry; History and Geography; Book keeping, Drawing and painting, Vocal and Instrumental Music.

There are seven Professors attached to the School, who give daily lessons in their respective departments.

Parents and Guardians are respectfully informed that no interference whatever in the Regulations and internal discipline will be suffered.

The Institution receives boarders, half boarders and day scholars. The boarding pupils reside in the family of Mr. Elkin, and will be under the immediate care of himself and the ladies attached to the house hold.

G. BOYER'S
CLASSICAL AND COMMERCIAL INSTITUTION
No. 148 Conti Street,
between Dauphine and Burgundy streets.

THIS Institution, the oldest scholastic establishment in New Orleans, is well known and highly distinguished for the success which has accompanied it ever since its foundation, a considerable number of pupils who have quitted it to enter into the great scenes of life, having already acquired some distinction in the various avocations to which they have devoted themselves.

Boyer's Institution is conducted in one of the largest Mansions in the City, enjoying a fine central position, being well ventilated, and in other respects perfectly salubrious.

The range of studies which engage the attention of the pupils extends over all the branches of Learning which are necessary to a useful, polite and finished education, from primary instruction to the more abstruse sciences, which are specially the province of a collegiate course. Discipline so necessary to quicken in the youthful mind the perception of the duties incumbent on it in its future relations with society, is a conspicuous feature of the establishment, being at the same time severe and considerate whilst the solicitude of the Principal regarding the moral training of the youths committed to his charge, is, though strict, yet paternal.

The English language, daily becoming more and more evident, as of the greatest possible importance to acquire in this community, is in Boyer's Institution, attended to with more than ordinary care, the Professors engaged in this branch being gentlemen of undoubted attainments and long accustomed to tuition.

BRANCHES OF TUITION.

The English, French, Spanish and Latin languages, History, Geography, Mathematics, Elements of Natural Philosophy, Astronomy, &c. &c.

TERMS.

Boarders	$30 per month.
Half Boarders	15 "
Day Scholars	5 and 10 per month.

No deduction is made for absence. A month once commenced must be paid in full. Books, paper, &c form separate charges. d10—y

SPRING PURIFIER OF THE BLOOD— *WINER'S ARCANUM EXTRACT vs SARSAPARILLA.*—As a spring purifier of the blood, this medicine cannot be surpassed in working its way through the system with a silent and effective force, cleansing the blood; removing dyspeptic influences; soothing the nerves; removing internal obstructions and diseases that would otherwise cause injury to the liver and lungs.

Winer's Arcanum Extract is always a certain cure for all diseases arising from an impure state of the blood, such as Scrofula, or King's Evil, White Swellings, Diseases of the Skin, Pimples or Pustules on the face, Boils, Diseases; also for Affections of the Liver, Dispepsia, Costiveness, Palpitation of the Heart, long standing Rheumatic Affections, Gout, and all Chonic and Nervous Complaints occurring in debilitated constitutions. Its simplicity recommends the use of it to parents whose children are afflicted with any disease of the blood or skin, or whose constitutions have been injured by a lengthened illness and the use of deleterious medicines, as it will effectually purify the blood and remove the least symptoms of Scrofula in its least degree visible, this medicine, if properly administered, will most surely exterminate it.

This medicine is much cheaper, pleasanter, and warranted superior to any other sold.
Price $1 per bottle, six bottles for $5.
