MEDICAL.

INDIAN [illegible]

FOR the cure of Scrofula, [illegible] Old Sores, Ulcers, Tetter, Mercurial diseases or any other complaints arising from impurities of the blood—warranted to cure.

In offering this medicine to the public, the proprietors wish to avoid the common error of saying too much in its favor, preferring rather to say too little; yet after having thoroughly tested its virtues, they feel justified in recommending it for the above named complaints, and for the cure of all distressing diseases incident to females.

So well known is Sarsaparilla as an efficient purifier of the blood, that it is only necessary to inform the public that the Panacea contains the most highly concentrated extract of that invaluable root, which can be obtained by any known process; with which are combined several other extracts, from roots, the medicinal qualities of which were made known by an Indian in the far West.

The Panacea contains no Calomel, Corrosive Sublimate, or any other Mercurial preparation, and may be taken by persons of either sex, and at any age, without the slightest danger of injuring the system.

Dr. Cullen's Indian Vegetable Specific,

For Leucorrhœa Communis, or Common Whites.

This vexatious, and often dangerous disease, is unfortunately so well known among all classes of females, that a detail of its symptoms seems unnecessary.

To the patient herself, the disease manifests itself by unequivocal signs; yet from a delicacy, false, and often fatal, she frequently neglects to make known her condition, even to her most intimate female friends, till her constitution is seriously impaired, and the foundation laid for a long catalogue of other diseases, such as Slow Fever, attended with difficult respiration, Palpitations, Faintings, and Swelling of the Lower Extremities, and where the disorder is not cured, it is frequently followed by others, still more serious and fatal, such as Prolapsus or falling of the Womb, Ulcerations, Atrophy, and Dropsy, which end in death.

To enjoy good health, ALL the secretory organs must be in a sound condition.

The lachrymal gland would scarcely depart farther from its office were it to pour forth bloody tears, than do the uterine organs when secreting the fluid which gives its name to the disease in question. Whenever, then, the disease manifests itself, let the patient have immediate recourse to a remedy which will restore the diseased organs to a healthy condition, and all the distressing symptoms will speedily disappear, and the death like palor of the cheek be succeeded by the roseate hue of health.

Such a remedy may be found in "Cullen's Specific."—It is not only a pleasant, safe, and certain remedy for Leucorrhœa, but for suppressions and painful menstruations. In truth, it is what its name indicates, a "Specific" for all uterine diseases, and at the same time entirely free from all ingredients which have in any degree an injurious effect upon the system.

This preparation is made of vegetable substances and cannot possibly injure the most delicate constitution. It has never been known to fail in a single case to effect a cure.

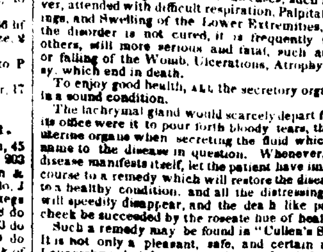
FOR THE CURE OF RHEUMATISM, AND ALSO NERVOUS COMPLAINTS.



Galvanic Rings, Belts, Bands, and Magnetic Fluid.

THE proofs of the wonderful power of these articles are very numerous, and are daily accumulating. It is believed that in the city of New York alone, upwards of EIGHT THOUSAND PERSONS, during a period of less than a year, have been entirely relieved of the most painful chronic disorders, some of which have completely baffled all former efforts of medical art. The following certificates from highly respectable persons are selected from a large number of a similar character.

EPILEPSY AND PALPITATION OF THE HEART.

☞ Rev. John Bristed, son in law of Mr. John Jacob Astor, of New York, Minister of the Episcopal Church at Bristol, R. I., residing in Main street, has long been subject to distressing attacks of Epilepsy, often falling down insensible. The disease has been accompanied with violent Palpitation of the Heart and a rush of blood to the head. For three years he has been unable to preach or attend to his other duties. Mr. Bristed has found the most valuable benefit from the Rings, Bands and Fluid, is better in every respect than he has been since his illness, and is now rapidly recovering his health. All symptoms of Epilepsy have left him.

RHEUMATIC GOUT.

To Dr. Christie—Sir—After a fair trial of almost everything without any good effect, I think I must attribute a remarkable cure to the power of your Galvanic and Magnetic articles. If I am not mistaken in the cause, they have very seriously relieved me of Rheumatic Gout, of long standing, together with general nervous debility of the system. MRS. MARY JACKSON, 109 Bank st, New York.

☞ Mrs. Jackson is a relative of Major M. M. Noah, who certifies to the truth of the foregoing statement.

APOPLEXY AND PARALYSIS.

☞ Captain Andrew J. F. Tomes, residing at No. 70 Bridge street, Brooklyn, L. I., is in his 76th year. He has generally enjoyed robust health, but about 3 years since it began to fail. He was slowly recovering, under the prescriptions of Dr. John W. Francis, when he suddenly fell down insensible in the street, under a severe Apoplectic fit. On recovery he noticed that a portion of his side was apparently dead, and on further examination his physicians pronounced his case to be that of combined Apoplexy and Paralysis. The family of Capt. Tomes were induced to try the Galvanic Rings and Magnetic Fluid, and for this purpose procured a pair of the Rings for the hands, a pair of Bands for the limbs, and one bottle of the Fluid. In twenty four hours after using these articles feeling was perceptible in the paralyzed parts and perspiration broke out. *In five days he was enabled to raise his arm and use his hand, and in three weeks he was enabled to walk alone.* A period of nearly six months has now elapsed, during which time no symptom of Apoplexy has been apparent; he is enabled to take regular exercise and all his impaired faculties have been restored.

☞ The public are respectfully cautioned to beware of SPURIOUS IMITATIONS of these articles. Dr. CHRISTIE has but one authorized Agent in each city of the Union. GUION & Co, corner of St. Charles and Canal streets, are the sole Agents for New Orleans, of whom alone the genuine articles can be obtained. s1

TO THE FRENCH DYEINGS,

96 Chartres street, corner of Conti; Toulouse street, between Chartres and Royal streets; and 209 Royal street, between Main and St. Philippe streets.

PERINAUD informs the public and the dealers in fancy articles, that on account of the great quantity of work which he has been favored with, and also for the convenience of those inhabiting other quarters of the town, he has just opened two new establishments, 96 Chartres street, corner of Conti, and Toulouse street, between Chartres and Royal streets.

To that effect he begs of wholesale merchants not to allow themselves to be misled, if they are desirous of being well served, to apply to him, for him only possesses in this city, the looms, presses, mechanics, cylinders, &c. to cloud silk stuffs, and all other apparatus indispensable to the carrying on of his business. The extension which he gives to his establishment, and those means aforesaid which he possesses, renders it easy for him to undertake as great enterprises and obtain as favorable a result as in the first manufactures of France and of the United States.

He begs of those who may have not been satisfied with articles sent to other similar establishments to put his skill to the test.

FIFTY DOLLARS REWARD.—Ranaway from the plantation of Mr Sosthene Roman, in Parish of St James, since the 20th September, the Griffe boy AMOS, aged 35 years, about 5 feet 8 inches in height, well set and rather stout across the shoulders. He has a scar under his eye, a slight one on the side of his chin, and one on his right wrist. Amos had a ring on each leg when he left. He is very plausible and speaks both French and English, and well known as having belonged to Mr John S Davide of the Parish of Jefferson. He will probably seek employment as Stevedore or in one of the Second Municipality Cotton Presses. He will probably try to embark on a ship or steam boat. The captains and officers are warned not to receive said boy if he presents himself with false papers—as he stole the papers belonging to another negro previous to his leaving.

The above reward will be given to whoever will lodge said boy in one of the prisons of New Orleans and inform the undersigned. ROMAN & KERNION,
o9—2awlm 3 Front Levee

FIFTEEN DOLLARS REWARD will be given to any person who shall arrest and lodge in jail the runaway slave HANNAH. She is a Charleston girl and has been but 3 or 4 months in the city. She was bought by me from Mr George Davis a trader in slaves. She is 5 feet high, thick lips, large eyes, has a scar over one of them, I think on the right side. She walks with her head a little inclined backwards. She is a washer and ironer and may probably be bearer of a false pass. Any person or persons harboring or giving employment to the said runway slave will be prosecuted with all the rigour of the law.

Masters of ships or steamboats are particularly requested to keep a good look out.
