Dr. Mott's CHALYBEATE RESTORATIVE PILLS OF IRON.

An important and Remarkable preparation of IRON purified of Oxygen and Carbon by combustion in Hydrogen, and combined with Phosphorus, Calcium, Potassium, Sodium, Magnesia, and Chlorine.

The importance of therapeutic daily INTE that an preparation of iron possessing the combined virtues of vital energy, pale and otherwise sickly complexion, and all diseases requiring a tonic in each of the following complaints, viz:—

In Debility, Nervous Affections, Hemorrhage, Dyspepsia, Constipation, Diarrhoea, Mucoy, Dropsies, Consumption, Scrofulous Tuberculous, Bad Blood, Hypochondriac, Whites, Chronic Diarrhoea, Liver Complaint, Chronic Sluggishness, Rheumatism, Intermittent Fevers, Pimples on the Face, &c.

In cases of GENERAL DEBILITY, whether the result of acute disease or of the continued disturbance of nervous and muscular energy from chronic complaints, the effect of this preparation has proved unquestionably so marked which no description nor written testimonials can adequately convey. Complaints long established as to have become forgotten in their own neighborhoods, have been known to regain the long world as if just returned to a new existence, and to be able to resume and continue to perform the duties of their respective callings. Instances of this kind are attested of female and male, of the most delicate nature, and that complete restoration of health and vigor, and that complete restoration of health and vigor, and that complete restoration of health and vigor
