It has been ascertained by experiment that Barry's Tricopherous has produced the most effects in curing diseases of the skin, &c., of the horse and all the animal kingdom. The following testimonials, selected from hundreds of similar import, will serve to show the value of the preparation, and the estimation in which it is held by those who have given it a trial:

New York, Dec. 1st, 1850.

Prof. BARRY—Dear Sir:—I have been afflicted with a cutaneous eruption of the scalp, of a most aggravated character, for the last seven years, and during that period have had the advice of some of the most eminent physicians, and have tried all the preparations for the hair and skin now known, without the least benefit. I was advised by a friend to try your Tricopherous. I did so, as a last resort, and to my surprise and gratification, found myself cured in about two months. Such was the violence of the disorder that at times I was partially blind.

Respectfully yours,

G. V. M. RAPELYE,
140 Cedar street, Brooklyn.

New York, Oct. 23, 1851.

Prof. BARRY—My Dear Sir—About two years ago my hair came out in a great deal, and my head became much affected with dandruff. I was told by a friend to try your Tricopherous, and I did so, and to my astonishment my hair stopped coming out, and all the dandruff disappeared, as the head now shows for itself. Wish respect, I am your obt servt,

J. R. TREVELL, 695 Broadway.

If any lady or gentleman doubts the authenticity of the above, they will please call at Professor A. C. Shepp's office, No. 137 Broadway, New York, where he will produce the original letters.

It imparts vigor to the roots of the hair, and the hair consequently grows in a remarkable degree. It destroys the dandruff and scurf, and yields the hair fine and glossy. It will cure all diseases of the scalp, such as scald head, dry worms, and other obnoxious disorders of the skin; it keeps the head well as efficacy, it stands unrivalled. MEDICAL.

DR. EDOUARD MARTIN'S HYGIENIC ELIXIR,

AGAINST FEBRICITY.

FOR a long time past the scientific world, medical men especially, appear to have been struck with the remarkable fact, that among the immense collection of curative means discovered, not one had been found to counteract or even mitigate the dreadful effects of sun-sickness. Several means have been tried to attain this end. These are, diet, whether simple or compound, after many the use of tacessary, intoxicating drinks, evil habits in youth, burrowage, &c. We boldly assert that JOHN BULL'S FLUID EXTRACT SARSAPARILLA is the only preparation before the public that is prepared on strictly scientific principles and of uniform strength. It is the only medicine that is used without regard to price, and every pound, before being used, is subject to the strictest chemical tests, and its general superiority is acknowledged by all.

Bell's Sarsaparilla also contains the virtues of several other valuable medical roots, together forming an best compound and producing the *greatest cures, too agend in the known world!*

THIS MEDICINE, WHEN USED ACCORDING TO DIRECTIONS Will Cure Without Fail!
