HEAD QUARTERS.

STATE OF LOUISIANA.
EXECUTIVE OFFICE.
Proclamation.

WHEREAS, in conformity with an Act of the Legislature of the State of Louisiana, approved 16th March, 1849, entitled "An Act to authorize the loan money of the State to convert mortgages and accounts, in certain cases," Louis Favrot, Esq., Notary Public in and for the Parish of Orleans, has filed in the Parish Judge of the Parish of West Baton Rouge, his mortgage and hypothecate in favor of the Government of the State, a certain tract of land on which said Louis Favrot now resides, situated in the Parish of West Baton Rouge, containing four miles on the Mississippi River, by to a depth, conformably to mortgage being subscribed for the sum of five thousand dollars, the amount of accounts which by law said Louis Favrot was called to pay, and which act was accepted by Edward D. White, then Governor of the State of Louisiana, as appears by an Act passed at the City of New Orleans, before Theodore Seghers, Notary Public on the 8th day of August, 1836, and now recorded in the Recorder's office of West Baton Rouge.

And, whereas said Louis Favrot has applied to me for the cancelling of the above recited mortgage.

Notice is therefore given to all persons interested to show cause, in writing, at the office of the Secretary of State within ninety days from and after the last publication of this notice, why said mortgage should not be cancelled and annulled.

Given under my hand and the seal of the State, at Baton Rouge, on the eighteenth day of July in the year of our Lord one thousand eight hundred and forty, and of the Independence of the United States the seventy-fifth.

By the Governor JOSEPH WALKER.
CHARLES CLAIBORNE, Sec'y of State.

Mayoralty of New Orleans.
29th July, 1850.
COUNCIL OF MUNICIPALITY NO. ONE.
Extra Sitting of Wednesday, July 29th, 1850.

RESOLVED, That the Mayor be, and he is hereby authorized and invited to advertise during ninety days in the official paper of the Municipality, in the Bee, Picayune and in three of the North American Newspapers, that he will adjudicate to the lowest bidder the contract for the paving with square blocks, of the public road, from Customhouse to Esplanade street—Chartres street from Canal to Jefferson street, Conde street, from Madison to Esplanade street, and Royal street, from Canal to Esplanade street. Said work to be done according to specifications in the Surveyor's Office, and to be paid for in cash.

(Signed) JN. GENOIS, Recorder.
Approved, 25th July, 1850.
(Signed) A. D. CROSSMAN, Mayor.
A true copy. H. BIER, Clerk.

Specifications, concerning the square block paving of the Public Road, from Customhouse to Esplanade street—Chartres street, from Canal to Jefferson street, Conde street, from Madison to Esplanade street, and of Royal street, from Canal to Esplanade street.

Quality and Dimensions of the Materials.

The square blocks shall be of granite of the best quality, hewed and dressed on the top and sides measuring not less than 10 by 10 inches square and not more than 16 by 16 inches square, and 16 inches thick. The curb stones shall be of granite of the best quality, hewed and dressed, with the upper edge level in such a manner as to correspond with the grade of the bracking of the side walks. The curb stones shall be from 18 to 20 inches in width, and less than four feet long and four inches thick. The gutter stones for the bottom of the bridges shall be of granite, hewed and dressed. They shall be 12 inches in width, not less than three feet long, and four inches thick. The sheils shall be sound and clean (Cake shells). The sand shall be either Lake or Natchez sand, pure and of large grain.

Manner in which the Work shall be done.

The curb stones are to be set on an incination towards the side-walks of 3½ inches for each foot of breadth, and shall join by the ends. As soon as the old paving shall have been removed from a square, the Contractor shall have the ground picked and the street graded on a regular curve; he shall then cover the same with a layer of gravel or Lake shells and sharp sand, which shall be well compressed with the roller, and shall begin to lay the paving in the following manner:

The square blocks shall be laid in regular courses, and shall perfectly well join one another from top to bottom, the joints shall be filled up with sharp sand, and the paving shall be well compressed with the roller. Said paving shall, when completed, present an even and perfect curved surface, otherwise it shall be rejected by the Surveyor. The sides of the bridges at the intersections of all the streets, shall be of hewed and dressed curb stones, 26 inches in width, and 4 inches thick. The bottom shall be of hewed and dressed gutter stones, 4 inches thick. The whole laid on a bed of Lake shells or gravel, 4 inches thick and well compressed. The wings of the bridges shall be at least 35 feet long, and shall be made of hewed and dressed curb stones from 26 to 14 inches wide, and four inches thick. The top of the bridges shall be of iron, and shall be furnished by the Municipality.

All the ironwork shall be furnished by the Contractor.

The old round stones paving, the old curb and gutter stones which shall be taken up by the Contractors, and the surplus of earth picked out from the streets, shall be the property of Municipality No. One, which shall remove the same.

All the lines, heights, grades, &c., shall be given by the Surveyor, who shall superintend the execution of said paving, agreeably to the foregoing specifications.

The work shall be adjudicated in four sections as follows, viz:

Sec. 1. The Public Road from Customhouse to St. Ann street.

Sec. 2. The Public Road from St. Ann to Esplanade street.

Sec. 3. Chartres street from Canal to Jefferson street, and Conde street from Madison to Esplanade street.

Sec. 4. Royal street from Canal to Esplanade street.

The contractors for the 1st and 2nd sections, shall bind themselves to have the work begun on or before the 1st of January, 1851, and to have the same completed on or before the 31st of December, 1851. The contractors of the 3rd and 4th sections, shall bind themselves to have the work begun on the 1st of January, 1852, and to have the same completed on or before the 31st of December, 1852, and in default by them so to do the Council shall have the right to declare the contract, *ipso facto*, null and void, without any application before a court of justice, and shall have the work done at the risk and peril of the contractors.

In case the paving of one of the sections should not be completed in the time above specified, the contractor shall pay a fine of $50 for each and every day after the time above affixed.

The contractors shall bind themselves to keep the paving in good repair, for two years after the completion of each section.

Each of the contractors shall furnish good and solvent sureties for the amount of $5,000.

Payments as follows.

The proportion due to the Municipalities shall be paid cash as the contractor advances, the amount stated on the present bond of the contractor of the 30 years, stating that the work has been done accordingly to the specifications, and has been accepted by him; and the proportion due to the property holders be collectably, the contractors.

New Orleans, July 5, 1850.
LOUIS HELLMUTH, Surveying for Mun.

Mayoralty of New Orleans.
29th July, 1850.

NOTICE is hereby given, that in conformity with the Resolution adopted by the Council of Municipality No. One of the 26th of 7th inst., and in accordance with the order of the Council of Municipality No. One, expressed by their vote on the 26th inst., in favor of and contemplated improvements, that I will proceed on the 21st day of October, A. D. 1850, at the 12 o'clock, M., the contracts for paving with square blocks, and the furnishing of the curb and gutter stones, in accordance with the specifications on file in the Surveyor's office, and hereinafter annexed, as follows.

1st. The contract for paving with square blocks, of the Public Road, from Customhouse to St. Ann street.

2d. Public Road, from St. Ann street to Esplanade street.

Office of the Board of Liquidators,
New Orleans, August 19, 1850.

An Act of the General Assembly of the State of Louisiana, entitled "An act to provide for the liquidation of the City Debt and of the Debts of the separate municipalities of the city of New Orleans," approved March 30, 1850, makes it the duty of the Board of Liquidators, created by said act, to divide among the three Municipalities of the city, in proportion to the assessed value of real estate within their respective limits, the debt of said city contracted before its division into three Municipalities on the 6th March, 1836, the amount due apportioned to each, when added to the debts assumed by each on the division of the city, to be known and denominated as the debt of Municipality No. One, No. Two and No. Three, respectively.

Said act further provides that a statement of the debts of each Municipality shall be published, and that the boards of Liquidators shall at the same time issue proposals, by advertisement, to be published during three months, in newspapers printed in New Orleans, Washington, Philadelphia, Boston and New York, to all holders of bonds and obligations of the city of New Orleans and of the three Municipalities thereof, to exchange said bonds and obligations for bonds to be issued by said Board of Liquidators, in the name of each Municipality, at four one to twenty-two years, in sums not less than five hundred dollars, bearing the same rate of interest as the obligations for which they are exchanged, payable semi-annually; the series of each year to be equal to one twenty fifth of the debt of each Municipality; and the bonds bearing the highest rate of interest to be made payable at the shortest time.

To insure the punctual payment of the bonds issued by the Board of Liquidators, and of the interest thereon, said Board are authorized and directed to levy a yearly tax in each of the Municipalities of the city of New Orleans, on the value of all moveable and immoveable property, and capital employed in trade.

Said act further provides that a statement of the debts of each Municipality shall be published, and that the boards of Liquidators shall at the same time issue proposals, by advertisement, to be published during three months, in newspapers printed in New Orleans, Washington, Philadelphia, Boston and New York, to all holders of bonds and obligations of the city of New Orleans and of the three Municipalities thereof, to exchange said bonds and obligations for bonds to be issued by said Board of Liquidators, in the name of each Municipality, at four one to twenty-two years, in sums not less than five hundred dollars, bearing the same rate of interest as the obligations for which they are exchanged, payable semi-annually; the series of each year to be equal to one twenty fifth of the debt of each Municipality; and the bonds bearing the highest rate of interest to be made payable at the shortest time.

To insure the punctual payment of the bonds issued by the Board of Liquidators, and of the interest thereon, said Board are authorized and directed to levy a yearly tax in each of the Municipalities of the city of New Orleans, on the value of all moveable and immoveable property, and capital employed in trade.

In conformity with the provisions of said act of March 30, 1850, the following statements of the debt of each Municipality of the city of New Orleans are published; and all holders of bonds or other obligations of the city of New Orleans before the division of the city into three Municipalities on the 6th March, 1836, or of bonds and other obligations issued by the Municipalities since, are invited to exchange the same in the manner above set forth.
