COMMERCIAL.

OFFICE OF THE BEE,
Friday Evening, November 19, 1858.

We have only a moderate business to report in our general market for the past week, though we have noticed increased supplies of nearly all articles offering. Cotton has shown a degree of heaviness at the decline noticed in our last, and Flour has been very dull. In Tobacco very little has been done.—Sugar and Molasses have gone off pretty freely, but at easier prices for the former. In Grain and Provisions there is no material change, but most descriptions of the latter have been firmer. Freights have advanced, and Exchange has been dull, with a drooping tendency in the rates.

Yesterday morning we published the Canada's advices, embracing Liverpool dates to the 6th inst. They reported the sales of Cotton for the week at 47,000 bales, including 8000 on speculation and 5000 for export, prices having declined ⅛@¼d. Fair Orleans was quoted at 7¼d. and Middling Orleans at 6¾d. Advices from Manchester were still unfavorable. Consols had declined ⅛, and closed at 97⅞ for money. The stock of Cotton at Liverpool was stated at 429,000 bales, including 319,000 American.

COTTON.—Arrived since the 12th instant, 70,003 bales. Cleared in the same time for Liverpool 4417 bales, Havre 4947, Genoa 3802, Antwerp 2043, Bremen 5634, and Vera Cruz 265 bales; together, 21,083 bales, making an addition to stock of 47,920 bales, and leaving on hand, including all on shipboard not cleared this day, a stock of 264,079 bales.

The market opened on Saturday with a fair enquiry, but with a moderate supply offering, and advancing Freights, the sales did not exceed 8500 bales, prices being generally within the range of previous quotations. On Monday the weather was unfavorable, but some buyers came forward, and took some 8500 bales, but on Tuesday, with the Vanderbilt's advices at hand, reporting a decline of ⅛@¼d. at Liverpool, the business fell off to 5500 bales, prices, however, being without any material alteration. On Wednesday, with an easier market for buyers, 11,500 bales were sold, and yesterday some 12,000 were disposed of, the Canada's news having no material effect on prices. To-day's transactions have embraced some 9,000 bales, at the range of our previous quotations, as below, making a total for the week of 56,500 bales. We quote:

EDUCATION.

DAY AND BOARDING SCHOOL FOR YOUNG LADIES,
UNDER THE DIRECTION OF
MADAM CHARPAUX,
At the corner of Bayou and Claiborne streets.

THIS SEMINARY, whose existence dates some six years back, has met with a success that proves, beyond all cavil, the capacity of those who have charge of it.

Determined to merit the confidence of parents, Mad. Charpaux will spare no pains to make her Seminary equal to the best institutions of the kind in New Orleans, and in order to do this, she has employed the ablest teachers.

Madam Charpaux has purchased a large and airy edifice on one of the highest pieces of ground in the city and the better to consult the health of her pupils she has had spacious and elevated apartments built on purpose for school and sleeping rooms, through which there will be a constant circulation of air from many windows.

Great attention will be paid to the improvement of scholars in the English language. For this purpose, American ladies of acknowledged capacity, as teachers, will constantly reside in the Seminary.

The English, French and Spanish languages, geography, arithmetic, and in short all the branches of a polite education, will be taught in the Seminary.

As religion should be the foundation of all sound education, it will be carefully attended to by Madam Charpaux, who will conduct to church and preliminary catechisms all her young ladies who may have their first communion to make.

Music having become a most desirable branch of the education of young ladies, Mr. Charpaux, from the best musical school in Paris, and ex-artist of the Orleans Theatre, will devote all his time to teaching music. All the Scholars, besides their regular lessons, will practice daily under the eyes of the professor. The study of the notes will precede the performances, when Mr. Charpaux will put the pupils through the execution of the regular keys and notes, and this will be attended with no extra charge.

In order to kindle emulation among the pupils, and improve their singing, on the morning of the last Saturday in every month there will be a musical examination and a distribution of rewards.

Madam Charpaux, in order to complete the education of her scholars, has opened a class where will be taught all the useful and ornamental branches of needle-work.

During the summer the classes will open at 8 o'clock, and close at 3. Re-open at 4 and close at 6 o'clock, P. M. In winter, they will open at 8½, and close at 2. Re-open at 4½ and close at 5 o'clock, P. M.

TO PERSONS WEARING SPECTACLES

THIS is not a personal matter, but merely a friendly advice to my customers and all those who wish to preserve their sight unimpaired. The visual organs are of sufficient importance to require the greatest care in the selection of glasses when one is compelled to resort to spectacles. We must consequently guard against high-sounding advertisements published by charlatans, who care very little for the eyes of purchasers, and whose only object is to sell as many spectacles as they can at extravagant prices.

Purchasers must not suffer themselves to be deceived by a pair of spectacles which make things look larger beyond measure. Our sight is almost always injured, sooner or later, by our seeing too clearly. The glasses must be sufficiently strong, and others ought not to be taken unless the change cannot possibly be avoided.

I am of opinion that every one has a perfect right to dispose of his goods as he chooses, but I also deem it my duty to caution those whose confidence I have enjoyed for many years, against pompous articles about new discoveries, such as "Brazilian Pebbles," "Arkansas Pebbles," &c., &c. Those names are only given for the purpose of attracting public attention, and there is not a word of truth in what is said. There is but one kind of glass for spectacles, glasses, which are well finished, and pure, and suit the sight of the purchaser.

I am satisfied that physicians and competent persons generally, concur in these opinions.

Opening of the Washington Hotel.

THE undersigned respectfully inform their friends and the public that the Washington Hotel, at Lake Pontchartrain, will be opened on SUNDAY next, May 2d. This splendid establishment has been rebuilt on a new plan, and is as well distributed and comfortable as could be desired. Visitors will find large and ventilated parlors, also apartments perfectly furnished and fitted up for families. The barroom which, previous to the fire, occupied a portion of the Hotel itself, and was therefore objectionable, has been removed to a separate building, erected expressly for that purpose. The Garden is well stocked in every respect, and will be found by visitors as shady and pleasant as heretofore.

The only unquestionably efficacious article.

NO MORE WRINKLES! NO MORE FRECKLES!

The skin and the complexion regenerated by HENRIQUEZ'S GENUINE ANTEPHELIC MILK.

Notice.—Another preparation bearing the same name as the above, was lately advertised in the Bee. Analysis has satisfied me that the substance it contains is entirely different from that in my Milk, except the color, which any one can imitate. I therefore inform the ladies and the public generally, who have used my ANTEPHELIC MILK for the last year, and tested its excellence, that I am not responsible for any other preparation of this kind.

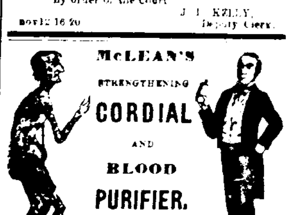
McLEAN'S
STRENGTHENING
CORDIAL
AND
BLOOD
PURIFIER.



21 and 151
Before taking. CHARTRES ST. After taking.

THE greatest remedy in the world. This Cordial is distilled from a Berry known only to myself and chemically combined with some of the most valuable medicinal roots, herbs and barks known to the mind of man viz: black root, wild cherry bark yellow dock, dandelion, sarsaparilla, elder flowers, with others, producing the most infallible remedy for the restoration of health ever known.

IT IS NATURE'S OWN REMEDY.

Curing diseases by natural laws. When taken its healing influences are felt coursing through every vein of the body, purifying and accelerating the circulation of the blood. It neutralizes any bilious matter in the stomach, and strengthens the whole organization.

McLEAN'S STRENGTHENING CORDIAL will effectually cure Liver Complaints, Dyspepsia, Jaundice.

Chronic or Nervous Debility, Diseases of the Kidneys, and all Diseases arising from a Disordered Liver or Stomach.

Dyspepsia, Heartburn, Inward Piles, Acidity or Sickness of the Stomach, Fullness of Blood to the Head, Dull Pain or Swimming in the Head, Palpitation of the Heart, Fullness or Weight in the Stomach, Sour Eructations, Choking or Suffocating Feeling when lying down, Dryness or Yellowness of the Skin and Eyes, Night Sweats, Inward Fevers, Pain in the Small of the Back, Chest or Side, Sudden Flushes of Heat, Depression of Spirits, Frightful Dreams, Langor, Despondency or any Nervous Disease, Sores or Blotches on the Skin, and Fever and Ague (or Chills and Fever). It will also cure diseases of the Bladder and Womb, such as Seminal Weakness, Incontinence of the Urine, Strangury, Inflammation or Weakness of the Womb or Bladder, Whites &c.

THERE IS NO MISTAKE ABOUT IT.

This Cordial will never fail to cure any of the above diseases, if taken as per directions on each bottle, in German, English and French.

OVER HALF A MILLION OF BOTTLES

Have been sold during the past six months, and in no instance has it failed in giving entire satisfaction. Who, then, will suffer from weakness or debility when McLEAN'S STRENGTHENING CORDIAL will cure you.

TO THE LADIES.

Do you wish to be healthy and strong? Then go at once and get some of McLean's Cordial. It will strengthen and invigorate your whole system, and cause the rich rosy bloom of health to mount to your cheek again. Every bottle warranted to give satisfaction.

FOR CHILDREN.

We say to parents, if your children are sickly, puny or afflicted with complaints prevalent among children, give them a small quantity of McLean's Cordial, and it will make them healthy, fat and robust. Delay not a moment; try it and you will be convinced. IT IS DELICIOUS TO TAKE.

EVERY COUNTRY MERCHANT

Should not leave the city until he has procured a supply of McLean's Strengthening Cordial. It sells rapidly, because it always cures. A liberal discount will be made to those who buy to sell again.

CAUTION.—Beware of druggists or dealers who may try to palm upon you some Bitter or Sarsaparilla trash which they can buy cheap, by saying it is just as good. Avoid such men. Ask for McLEAN'S STRENGTHENING CORDIAL, and take nothing else. It is the only remedy that will purify the blood thoroughly, and at the same time strengthen the system.

One table spoonful taken every morning fasting, is a certain preventive for Cholera, Chills and Fever, Yellow Fever, or any prevalent disease.

Price only $1 per bottle, or six bottles for $5.

McLEAN'S VOLCANIC OIL LINIMENT.

The best Liniment in the world for man or beast.

ANOTHER REMARKABLE CURE

Performed by McLean's Volcanic Oil Liniment. Read for yourselves.

Thomas Ford, a blacksmith, living near Cass avenue, on Tenth street, had a horrible running sore on his foot. He tried various Liniments, Salves &c., but could do it no good. He despaired of ever being able to work at his trade again, because he could not bear any weight on his foot; and by one small bottle of McLean's Volcanic Oil Liniment, he is now perfectly cured.

Rheumatism, paralysis, neuralgia, bruises, sprains, stiffness in the joints or muscles, swellings, sore throat, earache or toothache, wounds, fresh cuts, sores, burns, scalds, pains, &c., yield to the "magic" influence of this wonderful Liniment.

For Horses and Cattle it is an infallible remedy for galls, galls/scratches, cracked heels, ringbones, spavin, sweeny, splint, fistula, bruises, swellings, wounds, rattlesnake bites, and various other diseases which animals are liable to from injuries or accidents.

Every Country Merchant should obtain a supply of McLean's Volcanic Oil Liniment. It sells rapidly, because it always cures.

A liberal discount will be made to merchants who buy to sell again.

Orders for Cotton Bagging will be filled by direct importation from Calcutta into the port of New Orleans.

So soon as the Cotton already sold can be identified, duplicate account sales will in every instance be made out in London by a Public Accountant, and sent to those interested. To save delay, PLANTERS who have shipped will send forward the marks and weights of their Cotton, and such other information as will facilitate the matter.

All letters, private as well as on business relating to the affairs of BAYLOR & Co., and "direct trade" will be addressed to "C. G. BAYLOR, 44 Lombard street, London."

Notice of Dissolution.

NOTICE is hereby given that at the termination of the copartnership now existing, according to written articles of agreement between the members of the firm of BAYLOR & Co., the same will be dissolved, and the unfinished business placed in liquidation.
