BOARD OF PUBLIC WORKS,
New Orleans, May 11th 1841.

THE undersigned is authorized and prepared to contract for the excavating of a channel through the Rapide of Red River, above the Town of Alexandria, provided the same can be done in accordance with a plan and estimate made by George T. Dauber, Esq. Civil Engineer, of the State of Louisiana, and in the appropriation made for that purpose by the Legislature of the State of the last session, he has caused the office of the Board to be furnished with copies of the plan and estimate, which will be exhibited to Mr. Roussan, Secretary, No. 26 Old Levee street.

The persons or persons contracting to do this work will be required to give security, with good and sufficient sureties, in a sum of at least one-third amount of the contract, to deposite that one third of the value of the work, as first payment, to be retained by the Board, to secure a faithful execution of the contract. It is considered by the Board that the excavating now here can be offered to such persons as may be disposed to enter into a contract for work of the character here proposed to be done.

THOS W CHINN,
President of the Board of Public Works.

The Red River Whig at Alexandria, will please publish the above twice a week for two months, and forward the bill to J. Roussan, Secretary of the Board of Public Works.

DENTISTRY. By a gentleman of great experience, of the American Dental Institute of Philadelphia, who has had the most extensive practice in the United States, and has been the inventor of many valuable improvements in the art, which have rendered it so much more successful than it was formerly, and which are now in general use in Philadelphia, New York and other cities, he is enabled to offer to the public the most approved and improved mode of treating the teeth, gums, and palate, and the application of mineral teeth, on gold plates, or on pivots, so as to be perfectly secure, and to be as useful as the original teeth, and to be as durable as the teeth of any other person. COUGH REMEDY—Pectoral Paste of Dogwoodah, Drug store at Paris.—Of all the remedies now known for the cure of coughs, none has ever obtained so much celebrity as the Pectoral Paste, of Dogwoodah. The happy results obtained by its usage in the affections of the lungs and consumption, have rendered it invaluable.

Dogwoodah, this plant has the power of calming irritations of the lungs immediately, facilitates the expectoration, and stops the cough. It is one of the best remedies in colds, catarrhs, &c. which yield immediately to its effects. Physicians of the best standing in Paris have tested its effects in many cases, and have recommended its use in all lung affections, and in several consumptions as the best remedy now known.

The above remedy can be obtained at M. Martin's, Drug-gist, No 171, Chartres st.

For the information of persons in other parts of the United States who might feel inclined to take advantage of this opportunity of securing the use of this splendid establishment, it is thought proper to give the following descriptions.

The Hotel forms part of the handsome block of buildings known as the City Exchange and St. Louis Hotel. Previous to its destruction by fire in February, 1840, this edifice was styled the Prince of the Bourbons, and was the establishment it has rather been improved in style and convenience.

There is an entrance in St. Louis street, near the vestibule of the Exchange and Rotunda, and the main entrance is in Royal street, through a handsome vestibule with a large winding stair way leading to the upper part of the building.

The second floor is comprised of one large dining room or ordinary 50 feet in length, 40 feet wide and 18 feet high. Adjoining this dining room or ordinary, and one parlor, each 40 feet by 18 feet wide and 18 feet high, and two rooms 30 by 14, all intended for families.

The fourth floor besides a front of 180 feet and upwards, in Royal street, contains on St. Louis from Royal to Chartres street, 220 feet, and comprises 64 rooms, 14 by 18 feet. Besides the above, there are 16 each of the 3d and 4th floor, and 12 each of the 2d and 1st floor.

The kitchen and cellars are, in the first floor, 64 feet by 30, and over them on the hall floor are servants rooms 14 by 16 feet each, and 8 feet in the lake.

Besides other conveniences, such as a supply of water and handsome fixtures for gas light, &c. there are two large reservoirs in the 4th floor containing one 3 and the other 6000 gallons of water.

L. B. Cashier.

The Philadelphia National Gazette, New York Courier and Enquirer, and Boston Courier, will please insert the above for 2 weeks, and forward their accounts to this office for collection.
