TWO STEAMBOATS FOR SALE.

The subscribers are desirous to dispose of, at private sale, the following described light draught steamboat, viz:—

One Boat—Length of keel, 140 feet; on deck, 152 feet; breath of beam, 36 feet; floor, 32, and depth of hold, 4 feet, 10 inches. She has two boilers, 42 inches diameter, 30 inches long; length of cylinder, 9 feet; stroke, 10 inches and works a 36 feet wheel and 42 feet buckets; and draws, when trimed, only 20 inches. Her fifteen lengths of State Rooms, and a large Social Hall—was built in duly, 1842, and was running but a very short period.

It will be immediately peroceed, upon perusal of the admirable sketches above described, that this boat would be a most advantageous purchase, at the very moderate price we are authorised to dispose of her.

One Boat—6 years old, was hauled out last season and thoroughly repaired, in of the capacity of 110 bales cotton; well found in every respect and is in excellent condition, all of which were entirely new when placed on board and have never been injured.

This excellent boat will be sold cheap, and would prove a lucrative concern to an experienced purchaser.

For further particulars and her price and terms of sale, apply to
